Assistant Principal

Brenda Harrington
Assistant Principal

June 24, 2019

Dear Parent/Guardian:

We are very pleased to be able to offer all 8th grade students Algebra 1 and Living Environment. These are High School credit bearing courses (1 credit each), upon passing the course, and the NYS Regents exam given in June.

Unless we hear from you, your 8th grader will be enrolled in Algebra 1 and Science 8. If you and your child would like to be enrolled in Living Environment and committed to being successful by keeping up with the demands of lab requirements, please contact Mr. Green, School Counselor, or Ms. Harrington, Assistant Principal at 482-4836.

In conjunction with their families, we aim to provide the best educational opportunities for our students and push them to be their best.

Sincerely,

Ms. Ladd
