Classroom Notes

What are we learning?

- ✓ **Common Core Listening Standards (CCSS):** We are finishing our unit on Different Lands, Similar Stories. We will start a unit on Early World Civilizations.
- ✓ **Math:** We are finishing our unit on subtraction and addition number sentences to 10. Math unit 2 will focus on Place Value and addition and subtraction to 20.
- ✓ **Phonics/skills:** We have been learning long vowel spellings. Students practice whole group and small group reading skills.

Teacher's Thoughts.....Encourage your child to try their best with work every day and make good choices at school. Remind students to use their words, not their hands to solve conflicts. Teachers are here to help students resolve conflicts. Thanks for all that you do to support school 29. We are always here for you☺
