

Mrs. Stryker's Kindergarten Update!

September 8, 2014

Behavior: A work in progress! We are working on our listening skills. Eliminating chatter!

We are getting better everyday!

Skills

- We are practicing following directions, learning how to hold a pencil correctly.
- We are learning that each letter has a sound.

Listening & Learning

- We are listening to short poems called Nursery Rhymes. In this domain we are using our listening skills to hear rhymes, build new vocabulary, and learn about characters.

Math

- We are practicing counting to 10 Forward and back.
- We are counting on from a given Number (ie. 5..., 6..., 7..., 8..., 9..., 10)

Social Studies

- We are continuing to work on Rituals and Routines, Classroom Rules, as well as School Wide Expectations.
- We are practicing Fire Drill Safety and building community relationships!

Homework

- I appologize for not sending homework home this past week. We have had copier issues and have been unable to make copies to send home.

However,

- The expectation is that Homework be completed daily and returned the following day.

Please Note:

We have Art and Library on A Days; We have Music on C Days; We have Gym on B & D Days. Students should wear shorts (under their uniforms) and sneakers for Gym!
