

POLICY REVIEW AND EVALUATION

The Board of Education will evaluate the effect of its policies and the manner in which they have been implemented by the administration. In such evaluation, the Board may call upon staff, students and community participation.

The Board directs the Superintendent to bring to its attention any policy areas in need of revision or new development. The Board and the Superintendent shall identify specific policies to be reviewed each fiscal year during development of the annual calendar.

Board policy may be revised as outlined in Policy 2410, Formulation, Adoption and Amendment of Policy.
