

October 31, 2012

Dear Parents and Families,

So that you are also aware, please have your child keep their Halloween candy at home to enjoy after Halloween. I will provide plenty of treats for your child in the days after Halloween. Any additional candy or treats will not be necessary. If you would like to contribute any candy to our class for treats or incentives after Halloween, please send them in with your child and I will pass them out to students for rewards. We would greatly appreciate the contribution!

Please let me know if you have any questions. You may reach me at (585) 482-9290, extension 3201 or mailan.nguyen@rcsdk12.org. Thank you in supporting your child's learning!

Ms. Nguyen
