

Monthly Class News

January Edition

From the 2nd grade classroom of Mrs. Luconte

A Message from the Teacher

Many students are coming to school without their warm outerwear. Please send your child to school each day with the hats and gloves I gave them for Christmas. We go outside for recess when the weather permits and many students are not bringing them. I usually tell them to just keep them in their book bags so they always have them. This way they don't get lost because they are always in their book bags! ☺ We try to go outside even if it's cold out as long as there is no precipitation.

What's Happening This month?

Report cards will be coming out again in February. If you have not met with me about your child's progress, please send me a note or call me with a request. This is the time to really push our children! We have lots of standards to reach before we are ready for 3rd grade. PLEASE MAKE SURE YOUR CHILD IS HERE EVERY DAY AND ON TIME!!!! As always, thank you for helping your children at home. The more support they get, the more successful they will be.

Reading: We have been assessing our reading levels. We are also learning about nouns/verbs/adjectives and plurals.

Writing: We have been learning how to write a response by restating the question and looking for text evidence.

Math: We are learning about adding and subtracting 2- and 3-digit numbers and regrouping using the Common Core standards as our guide.

Social Studies/Science: We are learning about the water cycle, severe weather and all about the 3 states of matter. We are also learning about famous African Americans starting in February.

To Contact the Teacher:
