

Monthly Class News

From the 2nd grade classroom of Mrs. Luconte
September edition

A Message from the Teacher

We have had a wonderful start to 2nd grade! We are starting to get used to the rituals and routines in room 218. We are also learning how to "fill others' buckets" with acts of kindness!

☺ Please make sure I have your most recent

contact information in case of an emergency. I was glad to meet some of you at Open House on September 20th.

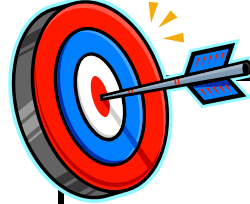

What's Happening This Week?

You might notice that some of the math homework coming home is a little challenging. Please help your child with the math homework. If you do not understand it, please write a note on the homework so I know to spend some extra time with your child on that concept. However, if your child is spending more than 20-30 minutes on the math homework, please do not worry about finishing the back. Obviously I want the children to do as much as possible, but it's not beneficial to struggle over it.

Please make sure your child is on time to school. Breakfast is served in our classroom from 7:30 – 7:45. We start instruction at 7:45. Your child misses valuable learning time when they are late. Also, please continue to help your child with his/her homework and read with them daily. 20 minutes of daily reading is essential for children to be successful readers. Adults can model good reading behaviors by showing children how much they enjoy recreational reading! Happy Fall!!!

Learning Targets

Reading: Read decodable text that incorporates the letter-sound correspondences taught with sufficient accuracy and fluency to support comprehension.

Writing: Write words with the letter-sound correspondences taught during skills lessons.

Math: Make a 10 to add and subtract within 100. Decompose to subtract and apply this concept to one-step word problems.

Social Studies/Science: Citizenship; rules and laws, three types of communities.
