

Parents and Parent Liaisons,

Have you heard about **Restorative Practices** or **Community-Building Circles** and are interested in learning more?

Restorative Practices is a movement that:

- Encourages people to build positive, tight-knit communities
- Provides opportunities to develop strong relationships and connections
- Allows for wrongdoing to be healed in a just and fair manner
- Teaches people to find their voice and speak their truth
- Has its roots in indigenous cultures all over the world

The RCSD ROCRestorative Team is offering an opportunity for parents to learn about Restorative Practices and how to use them in your everyday life.

The training is free: Bus Passes, Food, and Childcare will be provided.

There are four sessions: **Nov. 1, Dec. 6, Apr. 11, May 9**

Sessions are at Central Office from 9:00 to 2:00 in Conference Room 3A/B

Register by emailing or calling Benjamin Payne
