

# Ignite Curiosity this School Year with Discovery Education!

Rochester City School District educators and students have access to Discovery Education *Experience*! Kick-off this school year with high-quality content and resources, instructional supports, and professional learning.

.....

## Access Discovery Education

1. Sign into [ROConnect](#).
2. Click the Discovery Education icon. You'll be automatically logged in!

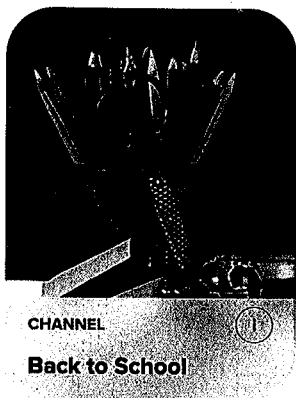

## Get Started with These Resources:

- Explore popular resources in [Channels](#) as well as the [Explore page](#) for content on targeted subjects and topics, Ready-to-Use Activities, and Best of Interactives.
- Encourage teachers to plan lessons using the [ready-to-use activities](#) in Studio. They combine digital content and instructional strategies and can easily be customized to meet the needs of students.
- Grow your skills with guides, videos, and interactive courses in the [Educator Supports Center](#).

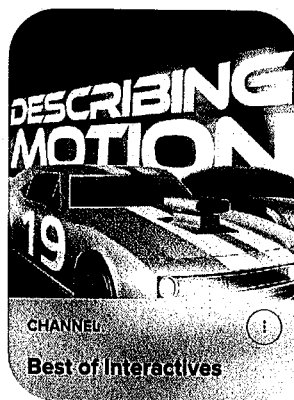

# Back-to-School with Discovery Education *Experience!*

Get curious and explore some of our favorite resources available to you this school year.

## BTS Channel

Welcome students back to the classroom with new immersive resources including our exclusive Shark Week, Science News for Students and Inner Explorer channels.

## K-12 Interactives

Within this collection, you can research, experiment, and have fun learning about a variety of topics at your own pace through virtual labs, games, investigations and more.

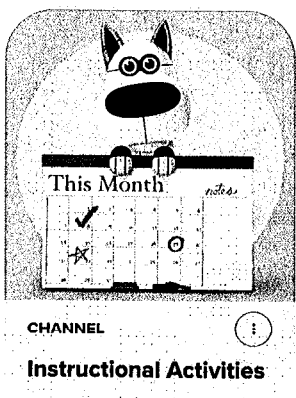

## Virtual Field Trips

Take your students beyond the classroom to some of the world's most iconic locations for rich and immersive learning experiences—no permission slips required.

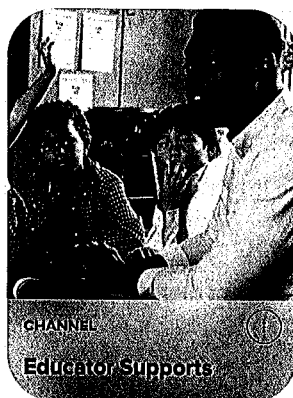

## STEM Careers Coalition

A first-of-its-kind STEM initiative that inspires students with standards-aligned STEM classroom activities that will ignite a sense of curiosity to play a part in the future of the STEM workforce.

## Ready-to-Use Instructional Activities

Discover engaging, ready-to-use activities that provide students with opportunities to explore their curiosity around a variety of topics.

## Educator Supports

We cover everything from getting started to hot topics to helping leaders maximize DE for their schools. Find a wealth of professional learning resources and examples of DE in action here.
