National Read Across America Day

March 2, 2024

March 2nd is National Read Across America Day, a day to celebrate our favorite activity. The day was established by the National Education Association (NEA) in 1998 to help get kids excited about reading. The day occurs each year on the birthday of beloved children's book author Dr. Seuss, so a perfect way to celebrate is to don a Seussian hat and read one of his famous tales, like *One Fish Two Fish Red Fish Blue Fish*. On National Read Across America Day, students, teachers, parents, and community members around the nation come together to read books and celebrate the joy of reading!

"The more that you read, the more things you will know. The more that you learn, the more places you'll go." - Dr. Seuss
