

Virtual Science Fair 2021

Wednesday, June 9, 2021

This year's Science Fair will be 100% virtual so, it will look different from previous years. The primary focus will be to display classroom, group or individual science projects.

Frank Fowler Dow
School No. 52

Classrooms, groups or individual students will research a science-related topic and complete an experiment or project around that topic. Students can choose to:

- Create a Science Fair display using Google Slides, PowerPoint, a Tri-fold board, and/or any other materials you choose (Tri-fold boards are available for pick up at the school). Students are encouraged to submit pictures or videos of their projects if they are not using Google Slides or PowerPoint for their presentations.

Please email your finished projects to Mr. Binger on or before May 12, at Caston.Binger@RCSDK12.org

If you have any questions please contact Mr. Binger by email at Caston.Binger@RCSDK12.org or by phone at 585. 482. 9614. Ext. 2100.
