## School #52 Families,

September 15th marks the beginning of Hispanic Heritage Month. We celebrate to recognize the achievements and contributions of Hispanic American champions who have inspired others to achieve success. Students are taught to honor the rich diversity of cultures, traditions, and history of the Hispanic community. Try this link for 25 fun activities to do at home

Every month, School 52 students read literature that portrays a specific character trait. September's book of the month is called **Only One You**, by Linda Kranz. It is a story about a deep love that is shared between parents and their child. The importance of sharing wisdom from one generation to another. The character trait we are teaching is respect.
