School 52 Families,

We had a busy week back to school last week! Students loved buying goodies with their "Dragon Dollars" at the school store on Friday. Students spent 10,690 blue tickets/dragon dollars on fun items! A BIG shout out to the PBIS team and parent volunteers that helped make this event happen! Students cannot wait to participate in 'Snowcones and Snowmen' event on the twentieth. Ask your child how they are earning their 25 Dragon Dollars to attend.

Ideas to Keep Kids Active in the Winter

Outdoor Activities in Winter

Just because it's cold out doesn't mean your kids have to stay inside. Dress them warmly, in layers, with a hat, scarf, mittens or gloves — and boots if it's snowy or muddy. (A good rule of thumb: Older babies and young children should wear one more layer of clothing than an adult would wear.)

- Go for a walk or jog & discuss what you see in nature.
- Make a snowman, snow fort or snow maze on snowy days.
- Lie in the snow to make snow angels. Throw snowballs. Go sledding.
- Chase bubbles. If it's cold enough, they will freeze.
- Try a winter sport, like skiing, skating or snowshoeing.
- Go to a playground, play tag or kick a soccer ball if the ground is dry. If it's warm enough for bare hands, shoot baskets.

Indoor Activities

- put on music and dance; add freeze dance to mix it up
- play games like Twister, Simon Says or Charades
- Set up an obstacle course or jumping area with pillows
- use tape to make a hopscotch area on the floor
- do chores (wash tables, dust, sweep, vacuum floors and clean room)

Have Fun!!
