Welcome: Agenda Review & Update	Remove Mike Conover's name as RTA Rep and replace with Amy Schultheis' name on November minutes and going forward.		S. Reuter	
Be a Reader	Information presented by Danielle Branner – it was shared with many constituents. Feedback - the program is not as rigorous as our current program against NYS standards. We will not be moving forward with it at this time	none		
NWEA Winter Update	Danielle and Lynell presented the preliminary results for ELA and Math NWEA. Goals were reviewed with concordance levels for grades 3-6...	Next step is to finalize results when all students have completed the tests. Meet with intervention teams at grade level mtgs and discuss regrouping.		
Lesson Plan Components	Not enough members were present for voting on this. Postponed until the next meeting. Form on Google from 16-17 School Year – see link below In August 2016 template created and approved by SBPT. This template was based on the recommendations from the State		All members	

	<p>Review that cited us for lesson plans, differentiation and higher order questions.</p> <p>SBPT revisited and agreed that these are the minimal components to be included in lesson plans, format to be determined by the teacher. We also discussed that differentiation may not appropriate for every lesson, but should be considered and may be addressed via grouping of students.</p>			
Retention	<p>John Bliss presented his thoughts and observations on district policies regarding servicing students at risk of needing to be retained. His three key points – early detection, effective communication, and a support plan. His proposal includes recruiting community volunteers and college teaching students to provide extra support.</p>	<p>John Bliss will present a one page summary of his proposal to the team and we will discuss at the March meeting.</p>
