

Welcome

Dear Parents and Guardians,

Welcome to Second Grade!!!!

I am Patty Adams and will be your child's teacher again for this year. This will be a wonderful educational adventure. You will be amazed at how much your child will learn this year. We will explore the earth, read new and longer stories, learn our city's history, calculate, problem solve and of course write some wonderful stories of our own.

For those of you that are new to school 52; here are some facts about me. I am a mom of two beautiful, teenage daughters. My husband and I are learning the wonderful challenges that come with this stage. I have been teaching at Frank Fowler Dow for 15 years. I have taught all the grades from kindergarten to fourth. By far, my favorites are first and second. **Here are some basics that you will need to know:**

My room is on the second floor 221. The students will come off the busses and come in door 2. Someone will be there to direct the students up the stairs. Then another adult will direct them to me. I will be waiting at my door. Parents are welcome to come in and visit or volunteer. Please call me to set up your visit at least one day ahead to ensure we will be in the room.

What to bring:

One pencil box Full size book bag/backpack One 2-pocket take-home folder

What to have at home:

Homework Kit: pencil, crayons, scissors and paper

Donations are welcome:

Tissues, hand sanitizer, paper, pencils or crayons

Everything else is already here and waiting for your child to start this year's adventure. Have a great summer and I'll see you very soon.

Sunshine and Smiles,
Mrs. P Adams
