The Monroe One BOCES Reopening Team, along with program level administration will be hosting two parent forums next week. One forum is for parents of students enrolled in Multi-Occupational/FOCUS (MOF) programs and the other forum is for parents of students enrolled in EMCC programs.

Dates and times are listed below along with the link to the virtual meeting.

Multi-Occupational/FOCUS Parent Forum Information:
Date: Monday, August 17, 2020
Time: 6:30 – 7:30 PM

EMCC Parent Forum Link:
Date: Thursday, August 20, 2020
Time: 6:30 – 7:30 PM

The following will be in place for both forums:
- Forums are configured so that participants’ microphones will be silenced and only able to be turned on by the facilitator.
- We will only use the chat feature for questions/comments and the feed will only be viewable by the facilitator.
- We are asking for parents to email questions ahead of time. Questions can be emailed to mike_ehret@boces.monroe.edu. (Parents who submit questions will receive a response to let them know the email was received. They will not receive a direct response to their question.)
- The facilitator will monitor the chat section. If time permits, questions entered via the chat function will be answered.
- We will do our best to make sure as many questions as possible are answered during the forum. Any questions we are not able to answer will be added to a FAQ section of the Monroe One BOCES re-opening plan on our website and the link will be sent out to parents.
