

School Based Health Centers

We will continue to offer comprehensive medical and mental health services both in-person and through telehealth and zoom appointments.

We have appointments every day 8-3 (both same day and by appointment) and can offer transportation on Wednesdays for patients who need to be seen in the clinic and need a ride.

Currently ALL appointments will be at our Douglass Health Center location at the Douglass campus, 940 Fernwood Park. We may expand these services and add mobile services as we reassess demand.
