

COLLEGE CREDIT

2010-2011

Dual Credit Offerings for Photography Students

PHOTO 1 & PHOTO 2 Students: PHO 101

- 3 transferable credits for PHO 101 from Monroe Community College
- Credits transfer to any college that will accept transfer credit from another school; you do not need to attend MCC to utilize these credits.
- You do not need to be a photo major to use these credits in college; they may serve as an elective credit.
- Enrollees must earn a “B” or better in photography class to receive credit.
- **Enrollment begins February 2011.**
- Tuition is billed and generally costs approximately \$50.00 (over \$400 savings than if you take this on MCC campus).

PHOTO 3 Students: PHO 135

- 3 transferable credits for PHO 135 from Monroe Community College
- Credits transfer to any college that will accept transfer credit from another school; you do not need to attend MCC to utilize these credits.
- You do not need to be a photo major to use these credits in college; they may serve as an elective credit.
- Enrollees must earn a “B” or better in photography class to receive credit.
- **Enrollment begins at the end of September 2010**
- Tuition is billed and generally costs approximately \$50.00 (over \$400 savings than if you take this on MCC campus).
