

Attention, Parents!

Build your school's Parent Group with the POWER OF TWO concept...

1. Let your child's teacher know if you are interested in joining your school's Parent Group
2. You will be contacted by the Parent Group Leader who will inform you of the group's meeting schedule
3. Invite two more parents you know and encourage them to invite two more—grow your Parent Group this way, with the **POWER OF TWO!**
