Hello SOTA Families,

We are checking in to again to make sure that you are taking good care of yourselves. It has been almost 8-weeks since SOTA closed its doors due to the COVID-19 pandemic. Please know that you are missed, and we hope that you are doing well, staying safe and remaining healthy.

We are now in Marking Period 4, and there are a few things for you to be mindful of as the quarantine continues. Even though school buildings are closed, online classes are still in taking place. Students are responsible to learn the new information being presented by their teachers in online classes. Attendance is being taken, and teachers are tracking grades and class participation.

If students are having trouble connecting with their teachers on a regular basis or receiving and submitting work assignments, please let us know and we will be happy to assist. We are here to help.

Teachers and administrator can easily be reached by e-mail; all SOTA e-mail addresses can be found under the Staff Directory on SOTA's website. For your convenience, we have listed the e-mail addresses of the SOTA Administrators, Counselors, Librarian, and Social Workers' below:
