

September 13, 2021

Dear Parents and Guardians,

We had a great opening two days of the 2021-2022 school year. I wanted to provide you with a few updates and changes.

- **Technology-** If your child does not have a Chromebook (this doesn't include broken ones waiting for a replacement) or MiFi unit, please click [HERE](#) sign up for one.
- **Masks-** Your child must properly wear their mask at all times (unless in the cafeteria sitting at a table and eating). The mask must be worn on the bus, outdoors and indoors at all times. Masks must cover the nose, mouth and chin.
- **Pick up changes-** Parents will be permitted to pick up in front of SOTA starting at 3:40PM or you can have your child meet you at your car past the intersection of Prince St and College Ave or on University Ave.
- **Lunch period revisions-** We are no longer splitting the lunch periods as we found that the students felt rushed and did not have enough time to eat their lunch. Students will determine the people they sit with for Marking Period 1. Students will *not* be allowed to change seats and will be allowed to only remove their masks while sitting and eating.
- **Covid testing-** If you are interested in having your child participate in the Walgreens Voluntary Covid-19 Testing, please complete the packet (sent home or [HERE](#)) and return the permission forms to the Main Office.

Thank you very much for all of your support!

Kelly Nicastro
Principal
