What does the school day look like?

- Students log into their Chromebooks each morning.
- Students follow the daily schedule that was sent from their school/classroom teacher.
- RCSD is following an ABCD schedule: A (Monday), B (Tuesday), C (Thursday), D (Friday).
- Wednesdays are dedicated to asynchronous learning, with virtual office hours offered by teachers. Parents and students can connect with teachers during these times. Specific office hours will be provided to students/families.
- All students begin the day with a social emotional learning session (M, T, Th, and F).

Instructional Overview with the Remote Learning Model

Students will receive and submit school work at home using one of these platforms:
- Seesaw (K-2)
- Google Classroom (3-12)
- eLearning (7-12)

Please visit www.rcsdk12.org/rcsdlearns for additional resources.

Students will experience two types of learning every day:

- **Synchronous**: learning experiences that involve live, real-time interaction with teachers via live conferencing with tools like Teams or Zoom
- **Asynchronous**: learners engage with materials and work at their own pace without real-time interaction with teachers

7-12 students will follow their daily period-by-period schedule, which includes an hour lunch break and an additional 30-minute screen break. The bell schedule has been sent home from each school.

All students begin the day with 15-20 minutes of activities to support their social and emotional wellness.

For additional details, including information on assessments, please see the District’s Virtual Reopening Academic Plan on www.rcsdk12.org/reopens.

Attendance Expectations

Attendance will be taken daily, period by period in PowerSchool. Students will be marked present if they:
- Complete their daily assignments, either online or offline
- Have a daily check-in (a two-way communication) with the teacher

Students will be marked absent if they have no contact or no evidence of engagement. When students are unable to participate in live instruction, teachers can use other methods of contact for attendance.
