How to enjoy the RTS Transit Center

If you will be transferring buses at the RTS Transit Center, here are a few things you’ll need to know to enjoy the ride!

• **Line up:** At the gate, remain in line and wait to board the bus, do not sit on the ground while you wait.

• **Have Your RCSD ID Pass Ready:** To avoid delays, please have your pass ready.

• **No smoking:** Smoking is not permitted on the bus or inside the RTS Transit Center.

• **Put a lid on it:** Open food or drink containers are not allowed. Bring your water with you (it’s good to drink at least 8 glasses a day!), just make sure it’s in a container with a sealed lid, and take it with you when you leave. Alcohol is never allowed inside the RTS Transit Center or on the bus.

• **Got the sniffles?** Put your Kleenex (and other garbage) in the trash bin available at each gate. Littering, spitting or unsanitary conditions are not allowed.

• **Just roll with it:** Biking, rollerblading and skateboarding are not allowed inside the RTS Transit Center. You can bring them inside the building, but cannot use them.

• **Use Headphones:** Enjoy your music while you ride or while at the RTS Transit Center – but please respect others and use headphones!

• **Speak Quietly and Politely:** When talking, please keep your voice low and be mindful of your language. Please do not fight, swear, or use abusive language with others. If you can’t say something nice, just hum!

• **Keep Fluffy in a Carrier:** Pets may ride with you as long as they are kept in an animal carrier. Service animals are, of course, exempt from this rule.

• **Ride with respect:** Please do not destroy or tamper with equipment or property, or bring in any weapons or flammable liquids.

• **Designated Seats and Lines:** Some seats are reserved for older adults, customers with disabilities, and people traveling with small children. Please choose your seat accordingly, and do not prevent or obstruct the boarding or un-boarding of the bus while at the RTS Transit Center.

• **No shirt, no shoes, no bus service:** Shirts and shoes are required while inside the RTS Transit Center and while on the bus.

---

**What you CAN do on the bus:**

- Use earphones to listen to your music
- Talk to your friends
- Keep the seats clean and the aisles clear
- Sit in any seat except the very front ones – we leave those open for older adults and people with disabilities

**What you CAN’T do on the bus:**

- Eat, drink, or smoke
- Use bad language
- Be disruptive or disturb other people
- Remember: don’t cross in front of the bus when you get off! Drivers in other vehicles don’t stop for RTS busses like they do for yellow buses.
Track your bus with Where’s My Bus? technology

It’s easier than ever for you and your parents to find or follow your bus. You can get real-time bus tracking information on your computer or your cell phone.

Get the next three bus arrival times
- Text your bus stop ID number to 585-351-2878, or
- Email your bus stop ID number to wmb@myRTS.com. Be sure to have the bus stop ID number in the subject line of the email.

Sign up for automatic notification
Enroll in “Notify me” at myRTS.com and we’ll automatically send you the information for your stops and time every day.

Use our mobile app
Download the Where’s My Bus? mobile app to your smart phone and you can get real-time arrival information, locate the nearest bus stop, and much more. Get it for free from the Apple App Store and Google Play.

Find your bus stop ID number
- Look on the front of the bus stop sign, or
- Call RTS Customer Service at 585-288-1700 (standard messaging rates may apply)

Helpful Tips
- Check the RTS schedule in advance: you’ll find our bus schedules at the RTS Transit Center, public libraries, online at myRTS.com, and sometimes, they’re right on the bus itself.
- Use our technology—such as real-time map and schedule information at myRTS.com and Where’s My Bus text and email alerts.
- Remember that all times shown on the RTS timetables are approximate. Actual departure and arrival times may vary according to traffic conditions, so you should get to the bus stop about five minutes before the pickup time.
For your safety, be sure to:

- Take note of the emergency exits, including windows and ceiling hatches
- Listen to RTS staff (and encourage others to do so, especially in an emergency)
- Be alert to people and unattended packages and report suspicious activity to your Bus Operator

Do not touch suspicious items or confront someone who is acting suspiciously! Tell an RTS employee or police officer, or call 911.

If there is an emergency, follow these simple steps: Look. Listen. Leave. In the unlikely event of an accident or a natural or man-made disaster, evacuation should take place only when directed by transit officials. Stay calm and follow instructions.

Lost Items

We try to return as many items as we can, but RTS is not responsible for items left on the bus. If you lose an item, call our Lost and Found Department at (585) 654-0610 or visit us at the Customer Information Desk inside the RTS Transit Center. Leave a voicemail with a description of the lost item(s) and your contact information. We will contact you if we find an item that matches your description.

How to use the bus

1. Go to your RTS stop at least five minutes before the scheduled pick-up time. To make sure everyone gets to their destination on time, we don’t wait!
2. Look for the sign above the windshield to make sure you’re getting on the right bus.
3. Climb aboard after the bus comes to a complete stop and the doors are open.
4. Show your pass to the Bus Operator, and tap your pass in the fare box.
5. Take a seat and relax!

Don’t try to board or pound on a bus that has pulled away from the curb: Bus Operators are not allowed to re-open the doors or return to the curb once they depart.

When you get off the bus, make sure you have all of your belongings. If you have a bike on the bus’s bike rack, let the Bus Operator know that you’ll be unloading it.
## What do I do?

Here are some situations that may arise — and some helpful tips for handling them.
