

APPLICATION FOR EXTENSION OF ELIGIBILITY

The procedure for requesting an extension of athletic eligibility begins with the Superintendent of Schools or his/her designee writing a letter for such consideration. The letter should be in keeping with the rules and regulations of NYSPHSAA. Pertinent medical, psychological or psychiatric information from medical professionals must be attached. The application and all supporting material should be sent to the Section V Executive Director for a decision. Any appeal of this decision goes to the Section V Executive Committee for disposition.
