Opening Letter to IATHS Families

September 2017

Dear Parents and Students,

It is my pleasure to welcome you to the Integrated Arts and Technology High School on behalf of the entire staff. We will strive to make sure that each student achieves academically and continues to develop their character while displaying school pride and spirit during the 2017-18 school year. We ask that you as parents remain involved in your child's education through until graduation day.

Please take the time to read this handbook together so that you are familiar with the expectations that we have for all Integrated Arts and Technology students. With your help in ensuring that your child understands these expectations and is supported in achieving them, we know that this school year will be a positive learning experience for your child and your family.

Sincerely,

A handwritten signature in black ink, appearing to read 'K. Klein', with a stylized flourish at the end.

Parent Dictionary

For Policies & Procedures

A

Accidents

Initial treatment is given to students with minor injuries when an accident occurs in school. The school notifies a parent or guardian when medical care may be needed for an injury or illness, provided a telephone number is listed with the school. Parents should keep the school informed of changes in their telephone number and should provide the number of someone else who can be called in an emergency.

Address Change

It is important that the school always has the most current address and phone number for each student. If you move during the school year, be sure to notify the office of the change. We will ask for proof of address when needed.

Administrators

If you have a specific problem and you would like to see an administrator, it is always best to call the school and ask to set up an appointment. It is not always possible for an administrator to meet with you if you do not make an appointment. Call Mrs. Hasenauer to schedule an appointment, 324-3750.

Arrival

School begins at 8:30 AM each day. Students will be allowed to enter the building at 8:00 AM at exit 20. Students are not allowed in the building until 8:00 AM. Our school day instruction begins promptly at 8:30 AM.

- Students must proceed from scanning directly to the auditorium if they do not want breakfast or to the cafeteria. Students may not leave either location once they have entered until 8:30.
- Auditorium Expectations—be seated, use moderate-volume voices, follow directions of all staff members, do not leave the auditorium until dismissed by the staff members.
- Cafeteria Expectations—get your breakfast, be seated, use moderate-volume voices, clean up after yourself, follow directions of all staff members, do not leave the cafeteria until dismissed by a staff member.

Attendance

It is very important that your child develop a habit of good attendance. Students between the ages of 6-17 are required by New York State law to attend school every day school is in session. All parents are responsible for providing a written excuse for any tardiness or absence within five days of the occurrence. It is also important that parents/guardians teach their children to develop the habit of being on time as well as being present daily. To call your child in absent, call 324-3750, Prompt #2 to leave a message.

B

Breakfast

All RCSD students receive breakfast and lunch at no charge for the entire school year. However, to determine eligibility to receive additional benefits for your child(ren) you will need to complete a household and income form. These forms have been sent home by our Food Service Department. It is important that you complete and return the forms by the deadline given. If your child will be eating breakfast at school they will be allowed to enter the building at 8:00 AM each morning.

Bags/Backpacks/Purses

All bags, backpacks and purses must be kept in a locker from 8:30AM-3:30PM. The only exception is for carrying items to/from physical education, and the bag must be returned to the locker before the next period. Personal items should be carried in pockets or zipper pouches in binders, or be left in the locker.

C

Cell Phone/Electronic Games/Music Players

These devices are prohibited in school by RCSD Board of Education Policy and should not be brought to school. IATHS will collect these devices. Students will be expected to follow the RCSD Policy as outlined in the RCSD Code of Conduct:

ALL ELECTRONIC DEVICES MUST BE TURNED OFF, SURRENDERED AT SCANNING, AND WILL BE COLLECTED AND STORED IN A SECURE LOCATION EACH DAY. Any student who is seen with an electronic device will turn the device over to an administrator and will be placed in ISS. A parent or guardian must retrieve the device; it will NOT be returned to the student at the end of the day without a parent or guardian. If not picked up by June 30th your item will be donated to a local charity.

According to the Code of Conduct, portable electronic devices are not permitted on school property. Students who cooperate with relinquishing their electronic device prior to the scanning process will receive them at afternoon dismissal if they provide their school ID. Students using electronic devices disrupt the educational process and these items will be confiscated if they are used on school property. Confiscated items will only be released to a parent or guardian.

Code of Conduct

The purpose of the Code of Conduct is to set standards for student behaviors that promote safety and order in school. The rules of the Code of Conduct focus on areas of safety and respect. Students who are found to be in violation of the Code of Conduct could face any of the following consequences:

- Verbal and written warning along with home contact
- Removal from classroom for up to 1.5 hours
- In-school suspension
- Alternate-school suspension (short term 5 days or less)
- PM School (5-15 days)
- Out-of-school, long-term suspension (more than 5 days)

Combs

Combs/brushes/hair picks should be kept in your locker and only used in the bathroom or in the locker room. All forms of rat tail combs/brushes/hair are not allowed on campus. Metal combs/brushes/hair picks are not allowed.

Conferences

Conferences with teachers should be scheduled in advance so that a special time is set aside for this purpose. Teachers are not able to talk with a parent while teaching a class of children. If you would like to meet with your child's teacher you should send a note to school indicating a time that would be convenient for you to meet. **Student-led Parent Conferences** are scheduled three times throughout the school year. Watch for information sent home from your child's teacher and check the City School District's calendar.

CREST

We focus on the following five values. These values are stressed every day.

D

Discipline

It is our goal to provide students with a safe and secure learning environment. In order to do that, we need to have rules for all members of our community. Below you will find the School Rules. Please review these with your child throughout the school year. Your cooperation and support is greatly appreciated.

Integrated Arts and Technology High School

1. Follow the directions of all teachers and adults in charge.
2. Respect yourself and others. Speak respectfully to others (no swearing, threatening or insulting).
3. Follow all safety rules. Possession of any weapon (real or toy) or incendiary device (firecracker, matches etc.) could result in an automatic long-term suspension.
4. Keep your hands and feet to yourself. No fighting (real or play), or hitting on school grounds.
5. Leave all non-instructional items (cell phones, music players, beepers, sports equipment, and toys) at home.
6. This year there is a multiple step discipline approach: ISS, Out-of-school suspensions, PM school suspensions, and long term suspension.

Dismissal

Student dismissal is at 3:30 PM. If parents are picking students up they are asked to wait outside Exit 3 or wait in your car on the Hudson Ave. side of the building. It is expected that all students will be picked up on time each day that school is in session.

It is our hope that dentist and doctor appointments can be made after school hours or on Saturdays if possible. If this is not possible and your child has an appointment and must be released from school early, you need to send a note indicating the time you will pick him/her up. Students will not be called to the main office until you arrive.

Dress Code

- If a student's clothing does not meet the RCSD dress code, the student will be provided an alternative to the best of our ability or may call home for the delivery of an alternative set of clothing.
- If a student does NOT comply with the dress code, he/she will be subject to discipline as described in the Code of Conduct.
- Bulky winter outerwear is not allowed in classroom. It must be placed in your locker.

Driving students to school

The parking lot can become a very busy place at the beginning and ending of each day. Parents are asked to drive carefully and not let children walk through the parking lot unattended. The safety of your child is our primary concern. They may be dropped off on the Hudson Avenue side of the building.

E

Emergency Forms

Each year parents are asked to complete an emergency form and return it to school. It is critical that this form always has the most current address and phone numbers where a parent or guardian can be reached in case of

emergency. Your child can only be released to designated persons listed on this form. Please notify the school office if you need to update this list during the year.

Excuses

When your child is absent from school it is required that you send in a written notice of why they were not in school upon their return. Otherwise, they will be marked illegally absent.

F

Fire Drills

Twelve practice fire drills are required to be held each year. Generally, these practice drills are held on days when the weather is mild enough for children to go outside without a coat. All occupants of the building must evacuate when the emergency bell rings.

Food and Drink

- Students may bring new/UNOPENED beverage in plastic containers to school.
- Energy drinks are prohibited for students.
- All food and drink MUST remain UNOPENED and may ONLY be consumed in the cafeteria.
- Fountain beverages, frozen beverages, and iced-beverages from local restaurants or convenience stores are not permitted.

G

Glass Containers

Glass containers are not allowed on campus.

H

Headphones

Headphones should be kept in your locker or in your tech bag when not in use for a school activity. They should never be out in the hallways, cafeteria, gymnasium, library or other school grounds.

Home Baked Goods

It is the policy of this school not to accept any home baked goods to be shared with our students. This is based on a recommendation from the Monroe County Health Department to guard against the spread of Hepatitis A.

Homework

It is expected that students will get homework every day including over weekends and school holidays. The amount of homework given over a weekend or holiday should be roughly equal to a single day's homework during the week. (Students would not be expected to do many days of homework over a vacation.) Variability is to be expected from day to day and from student to student. Special assignments such as long-term projects and book reports may result in more homework for limited periods of time. In addition, students are expected to read a minimum of 60 minutes daily. (See District calendar for guidelines)

In grades 7-12, assignments will gradually be expanded in scope and quantity with continued development of skills as well as greater emphasis on independent study and the use of reference materials. Homework activities can generally be grouped as follows:

Continuation: Working on assignments that are being taught in class

Drill: Practicing skills of any subject

Memorization: Committing to memory materials such as poems, vocabulary words, mathematics tables and formulas

Reading: Using books, newspapers, magazines, library materials, and reference works

Writing: Taking notes, creative writing, preparing reports

Observation: Gathering ideas and information through viewing activities, movies, plays, and television programs and then preparing reports and evaluations

Research: Working on long-term projects and assignments

Interviews: Gathering data and information by direct, personal contact with experts and authorities on subjects

Make-up: Completing work missed due to absences

Out-of-school assignments provide students with the opportunity to reinforce skills, to review and to expand knowledge gained in the classrooms, and to develop good study habits. The successful completion of assignments shall require a student to meet the responsibilities, to set priorities, and to budget time. The quality and quantity of homework will be used in determining report card grades.

Homework Hotline

Students who need assistance with homework are invited to call Dial-A-Teacher for assistance. You should call 262-5000 from 4:00 to 7:00 p.m. Monday through Thursday to get assistance with homework. There is no charge for this call.

I

ID Badges

Students need to wear their ID badges during the school day.

Integrated Class

A number of students with special education needs are included in our general education classrooms. These students receive services both in and out of the classroom from various support personnel.

Injury/Illness

Children may become ill or injured at school. If a child needs medical attention beyond what can be provided at school, or if he/she needs to be sent home, the school nurse or aide will call the parent or guardian. Parents should provide the school with their home and work phone numbers and the name and number of someone else who can be called in an emergency.

If your child is treated for minor injuries or illness at school, the nurse or aide will send a note home advising you of what to do. If your child is ill at home, he or she should remain at home to avoid the spreading of the illness to other children.

Internet Sites

A permission slip will be sent home regarding accessing Internet sites in school. You must return this permission slip to your child's teacher if you want him\her to use the Internet.

The following is a list of Internet sites that offer extensive information about education:

- www.rcsdk12.org
 - www.nysed.gov
 - www.ed.gov
 - www.artsandtechhs.org
- Rochester City School District
 - New York State Ed. Dept
 - US Dept. of Education
 - IATHS site

K

Keys

Students are not permitted to wear a house key around their neck during the school day unless attached to their school breakaway lanyard. If your child needs to carry a house key to school they may also leave it in a pocket or backpack during the day.

L

Library

Parents are encouraged to visit the public library with their children on a regular basis. Students will also visit the school library with their class. Students should be reminded to take good care of all books but especially books on loan from the library.

Lunch

Secondary students will have menus posted in the cafeteria and classroom. Lunch is free for all RCSD students. Parents must fill out the Income Verification form sent out by Food Service. Menus can be found on the RCSD main website. Menus can be found at www.aramarkeducationk12.com.

Lockers

The sharing of lockers is strictly prohibited. Students are issued technology for which they are responsible. All students are issued a locker and lock during the first days of school. If a lock is lost or damaged there is a \$5.00 replacement charge.

M

Medication

City School District regulations require that all medication be given only by doctor's written order and dispensed from a pharmacy-labeled container. Medication should be given in school only if times cannot be arranged for all doses to be given outside of school hours. If medication cannot be given at home and your child must take medication in school, please follow this procedure:

1. Have your doctor write orders for the school to dispense medication giving the following information: diagnosis, name of drug to be given, dosage, any side effects of which the staff should be aware and the lengths of time for which the medication is to be given.
2. Sign the school's written parental permission form.
3. Bring the medication to the Health Office in a pharmacy-labeled bottle. Medication must be left in school. It cannot be taken home every day.
4. Children may never carry medication to take at school.

Money

We ask that students not carry money to school unless they will be purchasing items from a school fundraiser. Large sums of money should never be sent to school with a child.

N

New York State Standards

The Academic Standards established by the New York State Education Department outline what students should know and be able to do in each academic subject. <http://usny.nysed.gov/parents/>

O

Open House

Open House will be held this year on **Thursday, September 21, 2017** from 6:00-7:30 PM. This is an opportunity for parents to come into school to meet your child's teacher and see their classroom. This is not a night for parent conferences. Conferences will be scheduled at a later time in the school year. We hope to see you at Open House.

P

Positive Behavioral Intervention Supports (PBIS)

Positive behavior support is an application of a behaviorally-based systems approach to enhance the capacity of schools, families, and communities to design effective environments that improve the fit or link between research-validated practices and the environments in which teaching and learning occur. Attention is focused on creating and sustaining primary (school-wide), secondary (targeted group or simple individual plans), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making problem behavior less effective, efficient, and relevant, and desired behavior more functional. www.pbis.org

Perfume and Cologne

Perfumes and cologne are not permitted on school property due to allergies and asthma concerns. We do highly recommend a good deodorant.

R

Reading

Students are required to read for 60 minutes a day, along with the assigned homework for the subject area.

Registration

Our student registration takes place at RCSD Central Office, 131 West Broad Street. Evidence of age and place of birth must be submitted when a child enters the Rochester City School District. Any one of the following forms will be accepted: birth certificate, baptismal record, passport (showing date of birth), or Alien Registration Card.

Report Cards

Report cards are sent home four times during the year. Your child's teacher will review the format of the report card with you at Curriculum Night in fall (look for a flyer to be sent home). We encourage parents to access the online grading program called ParentConnect. Visit the RCSD website www.rcsdk12.org to sign up. Report Cards are mailed from Central Office.

S

Schedules

Your child will come home with a notice during the first week of school indicating when they will have Physical Education. This is the class that is important to remember as it involves some preparation from home (remembering shorts and sneakers). Generally, the students that do not change for Physical Education class will not have a passing grade.

School Based Planning Team

Each school has a planning team that is responsible for reviewing student performance, setting goals for improvement, and designing a program to enable the school to advance toward its goals. This planning team includes teachers, parents, paraprofessionals, and administrators. Feel free to contact your parent representative if you should have an instructional concern.

Stolen Property

IATHS is not responsible for articles of personal property stolen from students. Students should **keep valuables at home** and only bring items to school that are necessary for schoolwork. Students should not bring any type of electronic item such as radios, discmen, walkmen, iPods, MP3 players, games, etc... Other items that should not be brought are sports equipment or toys of any kind.

Student Records

Each student has a student record at IATHS. This record is considered confidential but as a parent you have the right to review it with an administrator. The types of information included in this record are report cards, attendance, test results, and health and immunization records. If you would like to review your child's cumulative record, you should call an administrator to make an appointment and it will be arranged.

Student Parking

There is no student parking on campus. Students who drive need to find parking spots on the streets in the surrounding neighborhood. Students who park on campus illegally are subject to tickets and/or towing.

Suspensions

This year our school will have an in-school suspension room for minor infractions. Suspension is used as a last measure to resolve a discipline issue. Suspension from school will be used when a student's actions have endangered his/her own health, safety, welfare, and morals, or those of others, in which case an immediate suspension may be necessary. When a student's conduct has violated the rules of IATHS, an administrator is permitted to assign the student to the ISS Room.

Parents will always be notified of the placement. Every effort will be made to contact the parent by phone. In addition to the phone contact, a written letter will be sent with the student or mailed to the home depending on the circumstances of the infraction.

Suspension Types:

ISS is for 1-5 days for minor infractions.

Out-of-school Suspensions (1-5 days) are for physical altercations or more major infractions.

Long-term Suspensions (5 or more days) for severe infractions.

Students receiving in-school suspension (ISS) will be scheduled in one of two time slots.

- 8:30am-10:30am

- Your child will be dismissed at 10:30am and will be required to leave the school grounds.
- 12:00pm-2:00pm
 - Your child will not be allowed on school grounds until 12:00pm and will be dismissed at 2:00pm and will be required to leave the school grounds.
- Students attending PM School will report from 3:00pm-4:30pm.
 - Your child will not be allowed on school grounds until 2:45pm and will be dismissed at 4:30pm and will be required to leave the school grounds.
- Saturday Work detail -- Community Service
 - 8:30am-11:30am

T

Tardiness

Students are considered Tardy at IATHS if they are not in their class at 8:30 a.m. each morning school is in session. Every instance of tardiness requires a written excuse from the parent stating the reason. We encourage students to be **ON TIME** for school daily. Students late to school must enter the main door (Exit 20) and obtain a late pass at Exit 20 from 8:30 AM - 9:45 AM or in the Main Office (Room 349) after 9:50 AM.

Technology

All pieces of technology that are provided by IATHS must be cared for as outlined in the Student Pledge for iPad/laptop/Chromebook Use.

Toys

Toys are not allowed in school. They will be confiscated and a parent will be called to come and retrieve the item or it will be discarded on July 1.

Transportation

Children who live more than 1.5 miles from school qualify for transportation. If you have questions about transportation to IATHS you should call the transportation office at 336-4000. Student's IDs are their bus passes. Students are required to carry their IDs at all times. Only students who have to change buses due to their home address are permitted to go downtown to switch buses. If a student has a non-IATHS after-school activity which requires a bus pass, it is the parent's responsibility to provide it. If a parent or guardian is planning on picking up your child early from school, it is our school policy to have the parent or guardian come into the school to sign your child out at the main office located on the 3rd floor of IATHS. Bus passes are issued by the Transportation Department. If your child loses their bus pass, notify the Main Office immediately. Students will be issued one free replacement per year. Any additional pass that is lost will require parents to call the Transportation Department at 336-4000 to request a replacement pass and then go to the Service Center, Building 1, 835 Hudson Avenue, to pick it up. There is a \$2.00 replacement fee for this service.

V

Visitors

- All staff will wear their staff identification badges at all times.
- Any visitor who enters the building is required to sign our guest book at the main entrance (Exit 20) and will receive a Visitor's Pass.

- Visitors will wait in the security desk area until there is a staff member available to escort them to their appointment site. Visitors should be escorted to the main office by a member of the IATHS/Franklin SSO staff.
- All visits to a teacher should be arranged at least 24 hours in advance. If you make an unscheduled visit to the school, teachers will not be available to meet with you at that time. Conferences will not take place during instruction.
- During instruction, all incoming phone calls will be forwarded to the teachers' voice mail unless the teacher notifies the office they are waiting for a call.

Volunteers

Volunteers are needed at IATHS. If you are interested, call the school office 324-3750 and leave your name and the times that you would be available to volunteer. Our Home School Assistant will return your call.

W **Weapons** Weapons (real or toy) are never allowed in school and may result in a long-term suspension out of school.

acceptable item. Students who refuse to do so will be subject to discipline, up to and including suspension, and their parents will be notified.

When can a teacher remove a student from the classroom?

When other reasonable methods fail to restore order, the Code of Conduct and State law allow teachers to remove persistently disruptive students from the classroom for up to two classes or 1-1/2 hours if the students are with the same teacher for the majority of the day. The goal is to ensure that classrooms remain focused on teaching and learning.

Can a student's locker be searched by school officials?

The Code of Conduct states that student lockers, desks, and other storage areas at school, as well as computers and software, may be searched at any time by school officials. Students are responsible for what is kept in their lockers.

The District also has the right to monitor e-mail, websites, and Internet access of students while at school.

In addition, the District has the right to search anyone on school property and any items they may be carrying, as authorized by state and federal law for persons entering public buildings. Anyone entering District property is deemed to have consented to such search. No one refusing such search will be permitted to remain on District property.

What are the consequences for violating the Code of Conduct?

The rules in the Code focus on safety and respect for others. Students who violate the rules,

including the dress code, will face disciplinary consequences. These can include:

- Oral or written warnings to the student and his/her parent.
- Removal from the classroom.
- In-school suspension or after-school detention.
- Revocation of District computer and Internet privileges.
- Short-term suspension from school (five days or less).
- Long-term suspension from school (more than five days).
- Removal from the regular school program.

What role do students play in enforcing the Code of Conduct?

Students play an important role in maintaining safety and order in school and in enforcing the Code of Conduct. The school is your place of learning, and your help is needed to keep it a safe and productive place.

Students are expected to promptly report violations of the Code of Conduct to a teacher, principal, or other school staff member. This includes students who observe others possessing weapons, alcohol, or illegal substances on school property (including school buses) or at school functions.

Students are encouraged to use the District's Safe School Hotline, **1-800-41-VOICE (418-6423 ext. 359)**, to report information that may help prevent danger or injury to others. Callers may remain anonymous.

The Board of Education knows that the majority of Rochester students conduct themselves in a respectful, civil manner and are committed to maintaining the safety and order of their schools. That commitment is the key to the success of the Code of Conduct and to the success of our students themselves.

Rev. 9/06

Code of Conduct

in the
Rochester City School District

STUDENT GUIDE

As a student, you deserve a safe, orderly school environment in which you can do your very best!

That's why the Rochester Board of Education sets and enforces high standards of conduct for everyone in Rochester's schools.

In 2001, the Board adopted a Code of Conduct describing the responsible behavior expected of students, teachers, administrators, other school staff, parents, and visitors to schools. By following these expectations, we ensure that all students can receive the quality education they are entitled to without disruption.

This brochure provides answers to some commonly asked questions about the Code of Conduct, which is reviewed and updated annually. A copy of the entire Code of Conduct is available in your school office and on the district's website: www.rcsdk12.org

STUDENT RIGHTS

The Code of Conduct states that all students have the right to:

- Have a safe, orderly, and courteous school environment.
- Take part in all District activities on an equal basis.
- Access school rules and, when necessary, receive an explanation of those rules from school personnel.
- Present their side of the story to school personnel when involved in disciplinary matters.

Why have a Code of Conduct?

The purpose of the Code of Conduct is to set clear expectations for behavior that will promote safety and order on school property. This is necessary so that students can have the best learning environment possible.

What are the expectations for students?

All students are expected to conduct themselves in an appropriate and civil manner, with proper regard for the safety and welfare of others. According to the Code of Conduct, as a student you are expected to:

- ★ Work to the best of your ability and strive toward the highest levels of achievement.
 - ★ Attend school every day and be in class on time and prepared to learn.
 - ★ Contribute to a safe and orderly school environment and show respect toward others.
 - ★ Follow the rules for appropriate student conduct, including the student dress code.
 - ★ Seek help from school staff in solving problems that might lead to disciplinary action.
 - ★ Treat teachers, administrators and other school personnel in a respectful, positive manner.
 - ★ Accept responsibility for your actions.
 - ★ Report to school officials any information that may help prevent danger or injury to others. Tell a teacher, principal, or other staff member, or use the District's Safety Hotline: 1-800-41-VOICE (86423), ext. 359.
- Expectations for teachers, administrators, other school staff, parents, and visitors to schools are also contained in the Code of Conduct.

What types of behavior are not allowed under the Code of Conduct?

The Code of Conduct prohibits student behavior that is:

- Violent—including assault, possession of weapons, bullying, use of threatening actions or words in person or by computer, and destruction of property.
- Disorderly—actions which disrupt the normal operation of the school or endanger the health, safety, welfare, or morals of others.
- Disruptive—actions which interfere with the education of other students or the ability of the teacher to teach.
- Insubordinate—failure to comply with school or District rules or the reasonable directions of school personnel.
- Dishonest—including cheating and plagiarism.

In addition, for academic and other reasons, students cannot bring cell phones or devices with camera capacity to school.

What is the dress code for students?

All students are expected to dress appropriately for school and school functions and to give proper attention to personal cleanliness, grooming, and appearance. Inappropriate dress and appearance can be distracting and interfere with student learning.

Specifically:

- All aspects of a student's appearance (including hair style, hair color, jewelry, make-up, and nails) should be safe, appropriate, and not disrupt or interfere with the educational process.

- The following are not appropriate on school property:

- ✗ Stocking caps, "do rags," and bandanas
- ✗ Hats (except for medical or religious purposes)
- ✗ Revealing clothing such as men's muscle shirts, women's tube tops, net tops, halter tops, spaghetti straps, plunging necklines, and see-through clothing.
- ✗ Clothing that exposes a student's navel, buttocks, bare chest, or cleavage.
- ✗ Clothing that includes words or images that are vulgar, obscene, or disrespectful of others.
- ✗ Clothing that promotes the use of alcohol, tobacco, or illegal drugs or that encourages illegal or violent activities.
- ✗ Clothing that reveals underwear. Pants should be held up with a belt of appropriate size for the student's waist.

Students and their parents have the primary responsibility for ensuring that students are dressed and groomed in a manner consistent with the dress code.
