Academy Director

One campus. Multiple links for youth.

The **LyncX Academy** helps students who are experiencing difficulty with school in any of the following areas: attendance, behavior and academic achievement. The program is designed to provide an intense and supportive environment to enhance academic achievement, self-esteem, school attendance, life skills, and social/emotional needs.

The LyncX Academy is dedicated to providing all students with the educational framework necessary to succeed in school and life. At the academy, students learn to establish real-world goals and objectives, along with the knowledge and practical skills necessary to complete high school. The academy provides a safe and supporting school culture that seeks to educate the whole student.

The academy is located on the Marshall Campus, 180 Ridgeway Avenue. The program's knowledgeable staff members bring many years of experience working and maintaining positive relationships with students and families.

LyncX Youth in Transition Academic Program

The Youth in Transition Academic Program helps students in grades 7-12 who have chronically underperformed in school. Students are offered academic options ranging from regents diplomas, career and technical education, and general education diplomas (GED).

LyncX NorthStar Program

NorthStar helps students with significant cognitive, emotional and behavioral challenges learn coping strategies, behavioral expectations and academic skills, to enable them to successfully reintegrate into comprehensive high schools. This is achieved through a nurturing environment, research-based interventions, and dedicated staff.

LyncX LTS Program

The LyncX LTS Program serves students in grades 7-12 who have committed severe violations of the RCSD student code of conduct. Students are provided with academic instruction along with the social-emotional tools they will need to return to their home school.

LyncX GED/CTE Program

The GED is for students who will not be able to meet the NYS Regents graduations requirements before they reach the age of 21. It is also for those who have outs The CTE program that is attached to the GED will prepare individuals to meet workforce needs by offering training in career fields that can result in employment opportunities.

The LyncX Academy also provides extended day in partnership with Hillside Work Scholarship and EnCompass and offers OCR for students in need of extra academic and extra-curricular supports.
