This will ensure that your child is entered in the lottery. More documentation will be required at a later date.

NOTE TO SCHOOLS/LEAS: Please assist students and families filling out this form. The form should be included at the top page of registration materials that the district shares with families. Do not simply include this form in the registration packet, because if the student qualifies as residing in temporary housing, the student is not required to submit proof of residency and other required documents that may be part of the registration packet.

Parent Preference/Managed Choice Policy

Rochester City School District (RCSD) Board Policy #5153 Parent Preference/Managed Choice established three distinct attendance zones and allows students to apply only to those (elementary) schools within their zone, and to one citywide school. To ensure equitable access to schools in high demand, a student assignment algorithm is used to assign students to schools. A primary goal of the Parent Preference/Managed Choice Policy is to establish and maintain an equitable system for assigning students to school(s), providing a space at “home” schools for students that live in a designated zone, while also allowing students from outside the zone an opportunity to enroll at the school and minimizing student mobility, with the intent of supporting overall school improvement. Zones are determined by a student’s home address.

Parent/Guardian Acknowledgement:

I, the parent/guardian of _____, acknowledge that my child may be assigned to a pre-kindergarten site/location that is not in my zone. I understand that, in accordance with Board Policy #5153, when my child transitions to kindergarten, I will need to participate in the school selection process to apply for my child’s placement in a school within my home zone, or a citywide school through the school choice lottery process.
