Name _____   Date _____

Add and Subtract Integers CW 1   Ms. Tran

Directions: Fill in the blanks with the correct word. Use the word box and your notes to help you.

Keep	Change	integer	subtracting	same
addition	sign	second	add	

When we _____ integers, we need to:

_____ the first _____ the _____.

_____ subtraction to _____.

_____ the _____ of the _____ integer.

Then _____ like normal!

Directions: Add the integers to find the sum. Also, subtract the integers to find the difference. Remember to **Keep Change Change**, but only when you **SUBTRACT!!!**

(-2) + (-1)   =   (-6) + (-8)   =   (0) + (+9)   =

(-8) + (+6)   =   (-9) + (+9)   =   (+9) + (-4)   =

(-8) - (-3)   =   (+7) - (-6)   =   (+9) - (+7)   =

(+6) - (-5)   =   (+2) - (-4)   =   (-1) - (-1)   =
