

Dear Fifth Grade Students and Families,

Welcome back to another exciting school year! I hope you are having a relaxing and enjoyable summer vacation. I will be your teacher this school year. I am happy to be at such a great school. We will work hard together in order for our 5th graders to achieve to their potential.

As you may know, I place great emphasis on students' academic growth. The school day begins at 9:15. It's important to get good sleep every night, to be on time daily and to come prepared to learn. Homework will be given on a daily basis - Monday through Thursday. A spelling list will be given every Monday, with a spelling test every Friday. *Please make an effort to sit with your child and support them as they work to complete homework assignments. It would also boost your child's success if you read with them each night. Thank you in advance for your support at home!*

If you have any questions or concerns about your child's progress, I am always glad to talk or set up a conference. Feel free to stop by our classroom or call me at school. Open communication between us will be an important part of a successful year.

Listed below are school supplies that, if you can provide, will allow me to spend my limited budget on other needed materials. Thank you so much for your help. This is going to be a fun year! I look forward to meeting you. Enjoy the rest of summer!

Sincerely,

Mr. C. Binger

Room 107
