

# Classroom News Letter Room 113

## November 9-13, 2015

Dear Parents,

In skills this week we are continuing to read Bedtime Tales. In this book we are reading about tales with a moral and focusing on the character's motivations and actions. Our phonics focus for this week was oi/oy and ar/or/er. When reading at home with you see if your child can identify words with those patterns. Next week we will be working on a dictation assessment that incorporates all the letter sound correspondences taught so far. We have moved on to Ancient Greece in Listening and Learning and are learning about the Gods. Have your child tell you who their favorite Ancient Greek God is and give a reason why! Thank you for your support with completing the spelling and math homework!

Peace, Mrs. Lamanna, Mrs. Ewart and Mrs. Hurley

### Next Week's Spelling words:

Have your child practice these spelling words throughout the week, the test will be on Friday.
