

**8.0 Geometry: Coordinate Plane**

| Skill/Task  | Due  | DN/ET Score | Plan for mastering this skill |
|---|------|-------------|-------------------------------|
| 8.1 Slope, distance, midpoint & proving relationships               | 3/4  |             |                               |
| 8.2 Parallel and perpendicular linear equations                     | 3/8  |             |                               |
| 8.3 Directed line segments  | 3/9  |             |                               |
| 8.4 Proving opposite reciprocal slope shows lines are perpendicular | 3/10 |             |                               |
| 8.5 Equations of circles  | 3/15 |             |                               |
| 8.6 Review  | 3/16 |             |                               |
| Coordinate Plane Test   | 3/16 |             |                               |
