

ROCHESTER SCHOOLS MODERNIZATION  
PROGRAM PHASE 2

DESIGN SERVICES CONSULTANT FOR PHASE 2d PROJECT

**ADDENDUM #3**

Prepared by  
Rochester Joint Schools Construction Board  
02 October 2017

**Request for Proposals dated 15 September 2017, amended, clarified, and modified as follows:**

**NOTE TO ALL PROPOSERS:**

ITEM 1-1:

**IT MUST BE ACKNOWLEDGED IN THE PROPOSAL THAT EACH ADDENDUM WAS RECEIVED.**

ITEM 1-2:

An additional (optional) walk-through of the School No. 54 site is being offered on 4 October 2017, starting at 4:00 pm, as noted in the schedule provided in Addendum #2. The interior of the building can be inspected at this time, as a similar inspection will be conducted as done on 20 September. From page 7 of the RFP, two site considerations from the Rochester City School District Facilities group are shown. This walk-through will provide an opportunity to view each area of interest in reference to the school and its current parking / green spaces. An Amendment to the SEQRA report, done previously, will be undertaken in the near future to assess possible impacts.

ITEM 1-3:

- Q: On page 2 of the RFP, we are asked to include, “the firm’s relevant experience working with either the RSCD, PK-12 Upstate New York, or other urban school districts over the past 6 years.” To address this item, we will be including detailed information on several related projects. Do these projects need to be the same ones we list in Summary Matrix 1.1?
- A: The 1.1 Summary Matrix documents the proposed design team’s previous experience working together on relevant projects. The 1.2 Summary Matrix is for a proposed sub-consultant who does not have prior experience with the Architect/team delivering the proposal. It allows them to document project experience they have with other design teams performing relevant work. The text of the proposal may include some / all of the projects listed in the 1.1 Summary Matrix as the proposing firm’s relative experience over the last six (6) years, if it is felt appropriate.

**END OF ADDENDUM #3**
