Time is the Great Equalizer

Time will afford our staff and students the opportunities to meet the following SCHOOL PRIORITY:

*Intervention services that are data-driven, research-based and delivered by trained and knowledgeable professionals.*

- 450 potential minutes scheduled weekly *compared to 150 minutes currently*
- 400 minutes scheduled for targeted teacher development & frequent data cycles *compared to 180 minutes currently*
Planning for Differentiated Supports

- Careful selection and flexible grouping of students takes place based on student needs and assessment data.
- Systemic approach to analyzing and responding to data to improve instruction.
- Opportunities for communication and collaboration among teachers are built into the school schedule to allow for discussion of instructional practices and student needs.

Based on an analysis of 2013 benchmark data from NWEA and AIMSweb, along with teacher input, the following number of students have been identified for RtI Tier III Intervention:

Planning for Differentiated Supports

✓ Teaching complements core instruction by previewing, reviewing and re-teaching and providing additional practice on specific standards and relevant application of knowledge.
✓ Continuous monitoring of student progress takes place to evaluate impact and adjust content and instructional strategies.

Based on the Instructional Recommendations Report from NWEA, the areas of challenge will be addressed using the following tools:

<table>
