

What to do if...

...you are exposed to someone with COVID-19?

Do you have symptoms now?

NO

YES

Fully vaccinated & boosted
OR Fully vaccinated but not eligible to be boosted

Fully vaccinated & eligible for a booster but not boosted **OR** not fully vaccinated

- No quarantine
- Wear a mask around others for 10 days
- If symptoms arise at any time, quarantine and get tested.
- If you can, get tested on day 5 even if you don't feel sick

Negative Test?

Quarantine ends. Continue to mask.

- Quarantine for 5 days
- Wear mask around others for an additional 5 days
- If symptoms arise at any time, continue quarantine and get tested
- **Even if test is negative,** finish quarantine and mask for additional 5 days

Regardless of vaccine status:

- Isolate and get tested

Not tested?

- Stay home, isolate from everyone in household for 5 days or until you feel better
- Continue to mask for additional 5 days

...you test positive for COVID-19

Is it a lab-confirmed test?

Is it an at-home test?

ISOLATE

Stay home and separate from others in your household for at least 5 days.

REPORT IT

Fill out an Isolation Order Request form online.
www.monroecounty.gov

ISOLATE

Stay home and separate from others in your household for at least 5 days.

SNAP IT

Take a picture of your positive test result.

REPORT IT

Fill out an Isolation Order Request form online
www.monroecounty.gov.
Upload the picture of your positive test.

What about after 5 days?

If your symptoms are resolving, you may end your isolation period. If you still don't feel well, end isolation when you feel better.

BUT – continue to wear a well-fitting mask whenever you're around other people for another 5 days.
