## D) Parent Signature

I have reviewed the information in the school selection booklet for my zone and have completed this application indicating my choices for my child's school for the 2022-23 school year.

I understand that my child will be placed through the school choice lottery process based on space available in the schools selected on this application. If my child does not receive the first-choice school, he or she will be placed on a waiting list for that school and assigned to the 2nd, 3rd, or 4th choice school, based on availability. Waiting lists are maintained until October 1st.

I understand that priority is given as follows:

- My child's first choice school is the same citywide school or a school in my zone that an older sibling will attend in 2022-23.
- My child lives within a half mile of my home school in my zone.
- My child attends Preschool at a school in my zone.

I understand that these priorities are only guaranteed for applications submitted on or before Friday, April 14, 2022.
