

Dear Parent/Guardian,

Our school is using Compass Learning Odyssey ®, a web-based curriculum to support instruction. Compass Learning is a program that reinforces learning throughout most subject areas. If your child took the NWEA assessment in school, they will have individualized Learning Paths (activities designed at their instructional level) in Language Arts and Math.

To access Compass Learning Odyssey from home you or your child will have to login to the address below:

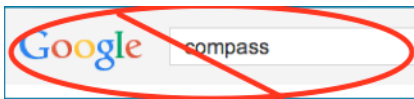

<https://compass.rcsdk12.org>

Your child's User Name is: \_\_\_\_\_

Your child's Password is: \_\_\_\_\_

School: Odyssey (don't change)

Don't use google

Type exactly as below in your address bar.

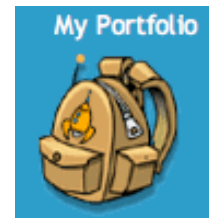

<https://compass.rcsdk12.org>

Once you and your child have logged into Compass Learning Odyssey, you will be able to access your child's **Home Page**.

This section will allow you to view:

- Any assignments that your child's teacher has given them and NWEA Learning Path activities
- Learning activities to reinforce skills your child might be struggling with
- Chapter tests, lesson quizzes

Check out your child's **"Backpack" (My Portfolio)** on the website. Here you will be able to access and view the history of recent work (dates and scores), assignments and reports.

On the login page, the links below can help you check the computer requirements.
