

SLO Technical Support for Teachers 2018 - 2019 (January - March)

FY SLOs are due February 15, 2019; S2 SLOs are due March 15, 2019

These are work sessions so please bring your computer to work on SLOs. Participants are welcome to drop in as their schedule permits and leave as they desire. Representatives will be present to answer questions and assist with technical aspects of completing SLOs. Many teachers are able to complete and submit their SLOs during the session.
