

CLASSROOM RULES

Mrs. Steele's Expectations

RULE #1

You must always try your best!

School work is not always easy, but if you give it your best effort you will be successful. We will work together to help you understand and do well. If you try, your classmates and I can help you when you need it.

You must be on time to class, participate in class, and complete your work.

RULE #2

Respect everyone and everything in our room.

I will respect you and I expect you to respect me. We will take turns speaking, listen to each other, help each other, and use kind words. We will also take care of our room and all of the supplies and materials in it.

We are a family.

RULE #3

Be accountable and honest.

When you do something wrong, or make a mistake, tell the truth about it. If you make a promise, you need to follow through. This also means that you will not cheat or copy someone else's work. This is very important so that we can trust each other. I expect this of myself and of all of you.

This is very important when you use a hallway pass. If you ask to go to the bathroom, that is the only place that you should be going.

I PROMISE TO...
