BOARD OF EDUCATION PROFILES

MALIK EVANS

Malik Evans is serving his fourth term as Board President. He is a graduate of Rochester City Schools and the University of Rochester. Elected in 2003, President Evans became the youngest member ever to sit on the Rochester Board of Education. He is a Vice President with M & T Bank and he sits on the boards of several organizations. A passionate believer in the power of education and the importance of community service, President Evans is a strong role model for students in the City School District.

VAN HENRI WHITE

Van Henri White is serving as Vice Board President. Commissioner

White was elected to the Board of Education in 2007. Commissioner White was instrumental in drafting and enacting a Board Policy requiring the infusion of African/African American studies in the District's K-12 curriculum, the first such policy to be enacted in New York State. Commissioner White also drafted and ensured the enactment of the first of its kind "Responsible Bidder Policy," requiring contractors who have violated EEOC and Human Rights Laws to prove that they are in compliance with those laws before they receive additional funds from the District. Commissioner White has worked tirelessly at improving school safety, decreasing truancy rates, and attacking the problem of lead poisoning. He is an outspoken advocate for urban education, continuously working at reversing student dropout rates and increasing the District's graduation rates.

MARY ADAMS

Mary Adams is a research nurse in the AIDS Clinical Trials Unit at the University of Rochester Medical Center. She serves on national scientific and patient care committees, and serves as a field representative, providing insight on how research protocols can most effectively be implemented on the ground. Commissioner Adams has been active in organizing for fundamental improvements in public

education, and has been elected to the Rochester Board of Education for the term beginning January, 2012. She is the parent of a School of the Arts graduate and has children currently attending the Walter Cooper Academy, School No. 10.

MELISZA CAMPOS

Melisza Campos was elected to the Board of Education in 2007. She is the Vice President of Operations and Instruction for the Dale Carnegie Rochester office. She is a multi-course certified Dale Carnegie Master Trainer. Commissioner Campos serves as a voice for the Latino community as well as for the Rochester community as a whole. Her focus as a Board Member is on student achievement, community engagement and student safety. Commissioner Campos also serves on the board of the Bivona Child Advocacy Center and is a member of Latinas Unidas. She volunteers for the Rochester Hispanic Youth Baseball League and Ibero American Action League.

JOSÉ CRUZ

José Cruz was elected to the Board of Education in 2009, and is currently serving as the Vice president of the Board. He recently retired from the Monroe County Legislator having served a full term of ten years representing the residents in Northeast Rochester. Commissioner Cruz graduated from Benjamin Franklin High School and is one of several founders of the Puerto Rican Youth Development & Resource Center, Inc. (PRYD). Commissioner Cruz serves on several other Boards of Directors including Ibero Investors Corporation, Legal Aid Society, Charles Settlement House, Empire Sports Authority, and the Allendale Columbia School.

CYNTHIA ELLIOTT

Cynthia Elliott has a passion for Rochester’s children and families who are economically and socially disadvantaged. She is committed to this population attaining self-sufficiency. Commissioner Elliott is Assistant to the Executive Director of Baden Street Settlement. She graduated from Monroe Community College, received her Bachelor’s Degree from St. John Fisher, and two Master’s Degrees, one from SUNY Brockport and the other from Fielding Graduate University. Commissioner Elliott is currently working on a Ph.D in Human and Organizational Systems.

She has long been an advocate for strong leadership in Rochester schools, accountability for performance, and support for student achievement. Commissioner Powell is a PTO member at School 23 and the School of the Arts, and has served as a PTSA officer at Nathaniel Rochester Community School and as a representative to the District Parent Council.

SOPHIE GALLIVAN

Sophie Gallivan is Student Representative to the Rochester Board of Education, serving as the voice of students in matters regarding the district. She attends Joseph C. Wilson Magnet High School and is President of Student Leadership Congress (SLC). SLC is an organization that brings students in grades 6-12 together once a month to talk about issues that concern them and to discuss what courses of action they can take to improve their schools and lives. Sophie reports back to the Board of Education each month, telling them SLC’s concerns, ideas, and relaying student perspectives on issues involving our schools. SLC also engages students in community service and leadership development activities.

WILLA POWELL

Willa Powell was first elected to the Board of Education in 1997 and served a four-year term. She advanced policies strengthening parent involvement in the District and ensuring equitable school choice for all parents and students.

Dear Mayor Richards:

On May 9, 2013, the Board of Education adopted a budget of \$734,224,377 to fund the Rochester City School District for fiscal year 2013-14. The budget will allow the District to fund our priorities, the first and foremost of which is student achievement. It furthers our efforts to allocate resources more efficiently and effectively to better serve Rochester children.

Superintendent of Schools
Dr. Bolgen Vargas

Additionally, the budget continues our commitment to a process that provides stability to our District. With the City's support for this budget, District staff will know in June where they are working in the next school year, and families will know their students' courses and schedules.

The District's 2013-14 budget closes a projected gap of \$50.2 million caused by increases in retirement payments, employee salaries and benefits, and charter school tuition, plus a projected decrease in grant funding and an enrollment decline of more than 900 students. By allocating resources more efficiently, the budget closes this gap while increasing funds for our strategies to boost student achievement—implementing the Common Core curriculum District-wide, increasing instructional time, and improving literacy with a goal of 90 percent of students reading proficiently by third grade.

Specific changes supported in the budget include:

- Course schedules that increase instructional time in core subjects along with art, music, and physical education
- Expanded-day schedules in up to 10 more schools, making 12 overall, if anticipated grant funds are received
- Adding staff to schools—including more reading teachers, teaching assistants, and parent liaisons—while reducing the number of teachers in non-classroom assignments
- Increased athletic opportunities, with 75 new sports programs that will serve 1,100 more student athletes
- Closure and consolidation of low-performing programs to reduce space costs and improve outcomes
- Reduced vendor contracts and administrative costs

This budget resulted from a new process that solicited stakeholder input during both the drafting and review phases of development. Hundreds of parents, staff members, and community representatives have participated by attending 11 events focused on the budget and numerous other forums through which Commissioners and District leaders received comments and suggestions.

The process and priorities represented by this budget reflect ongoing progress in our work to transform the Rochester City School District. We are moving with a sense of urgency to improve student achievement. We are creating a culture where adults are accountable for the success of the children we serve, and where staff embraces change while providing stability for students and families.

We appreciate the continued support of the greater Rochester community. Working together, we can create city schools that every family will want to choose, where every student succeeds to the best of his or her ability.

Sincerely,

Malik Evans

EXECUTIVE BUDGET SUMMARY

The 2013-14 Budget proposal represents our efforts to accelerate progress on the District's goals of student achievement and growth, parental and family involvement, communication and customer service, effective and efficient allocation of resources, and management systems to support these goals. The budget reflects the input of more than 200 parents and other stakeholders who participated in public forums, and it supports the goals and priorities developed by the Board of Education for 2013-14.

The 2013-14 Budget proposal of \$734,224,377 is \$5,440,824 more than the 2012-13 amended budget of \$728,783,553. In addition, we continue to seek and apply for competitive grants that will further help to fund our priorities.

Major Assumptions

This 2013-14 Budget proposal adopts the pension smoothing plan approved by New York State and saves the District \$12.3 million. It also assumes the reduction of \$2.5 million in grant funds due to the federal budget sequestration. New York State Aid is based upon the projected revenue in the adopted New York State Budget. This message also outlines future year budget considerations that are not part of next year's budget.

The Challenge

The Rochester City School District faces serious educational challenges: 55 out of 60 schools in urgent need of improvement, the lowest test scores in the State, a graduation rate of 48 percent, a dropout rate of 20.3 percent after four years, and a loss of enrollment to charter schools.

We also face an immediate financial challenge: the need to close a projected \$50.2 million budget gap for 2013-14, while funding our priorities to improve student achievement. The budget gap was driven primarily by four factors: increases in required contributions to the Teachers Retirement and the Employees Retirement Systems, required salary increases due to collective bargaining agreements, an increase in required payments to charter schools, and health and dental insurance cost increases.

These challenges require the District to act with a sense of urgency to transform our organization and create a culture of accountability. We must develop schools that families want to choose, and provide our children with an education that prepares them for college and careers in the 21st century economy.

EXECUTIVE BUDGET SUMMARY (CONTINUED)

Parental and Community Involvement in Budget Preparation

To develop a budget that meets these challenges, we gathered input from parents and the community at the School Choice Expo in January and three Budget Open House sessions in February. We received feedback from more than 200 participants. Four themes emerged from these sessions that helped guide our efforts to better serve our students, parents and community.

1. Student Achievement: The participants' highest priority was to improve student achievement and prepare our students for college and career readiness. To achieve this goal, the participants noted it is important to keep students interested in school and engaged in learning.
2. Neighborhood Schools: Parents are generally supportive of their children attending school closer to their homes. However, some raised questions about services and choices that might be gained or lost in the transition toward neighborhood schools (e.g., child care).
3. Customer Service and Accountability: Information transparency, open communication and a welcoming school environment are very important for parents. We need to improve our customer service practice by ensuring all District employees are welcoming to parents and promptly responding to their communications.
4. Opportunities for Efficiency: Participants identified various areas of District operations where they believe the District could be more efficient. Some believe that moving toward neighborhood schools and optimizing facilities would generate significant efficiencies. Participants also suggested coordinating services between the District and the City or County, and between the various departments within the District.

Framework for Student Achievement

To make a dramatic shift from our current outcomes, we have embraced the New York State Education Department Accountability System as adopted by the Board of Regents. We are implementing rigorous and comprehensive plans to improve educational outcomes for all students to close achievement gaps, increase equity, and improve the quality of instruction. Given our large number of programs designated by the State as either Focus or Priority schools, we have adopted the "Whole School Reform Model". It requires schools to implement seven tenets, which include strengthening the school's instructional program to align with the Common Core and implementing expanded learning; New York State is one of 45 states to adopt Common Core standards. According to the United States Department of Education, academic curriculum participation is still the strongest indicator of momentum toward college and career readiness. High school curriculum reflects 41 percent of the resources that students bring to their higher education.

To create a framework for consistent implementation of the Core Instructional Program, Deputy Superintendents Anita Murphy and Beverly Burrell-Moore have developed District-wide master

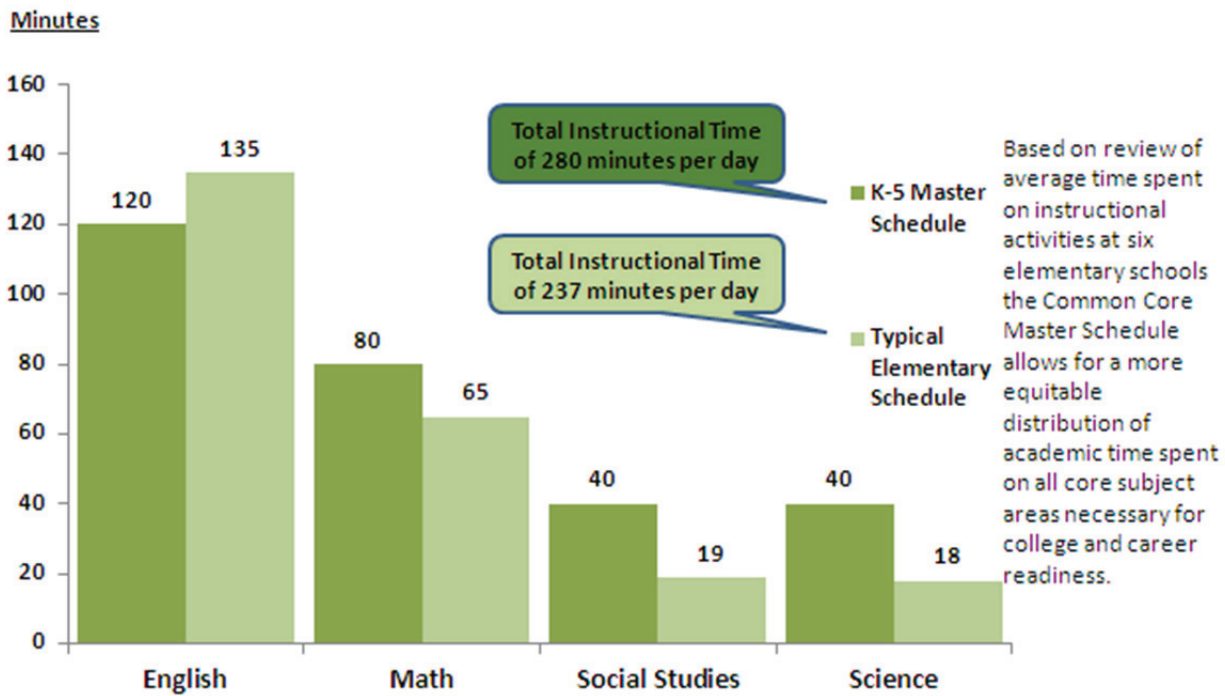

EXECUTIVE BUDGET SUMMARY (CONTINUED)

schedules for elementary, middle and high school. These master schedules will deliver deliberate instruction in the Core Curriculum, provide flexibility of time and pace for learning, and add social-emotional support for students.

This shift to a master schedule to implement the Core Instructional Program will increase elementary instructional time during the regular school day for math, social studies, science, art, music, library, and physical education.

The consistent schedule and course offerings will be a huge improvement for many students. Our previous system, wherein each principal developed the schedule for his or her own school, resulted in many students losing continuity in their academic studies when they changed schools.

Implementation of Common Core Elementary K-5 Master Schedule in 2013-14 Supports a Comprehensive Approach to Providing Students With More Academic Time Dedicated to All Core Subject Areas

The Common Core Master Schedule will allow for a more equitable distribution of time spent on all academic subject areas necessary for college and career readiness. The additional instructional time estimate is based on a review of average time spent on instructional activities at six elementary schools.

EXECUTIVE BUDGET SUMMARY (CONTINUED)

Funding Our Priorities

This budget is a statement of educational priorities in action. The budget was developed by focusing first on student achievement and properly funding our classrooms before providing support outside the classroom.

To ensure adequate resources are provided to all of our schools, we developed a staffing plan for each school under the leadership of our Executive Director of School Operations, Vicky Ramos. To support student learning, average class sizes were targeted as follows:

- 22 for kindergarten to third grade
- 24 for fourth through sixth grade
- 25 for seventh through twelfth grade

In addition to classroom teachers, the budget provides additional instructional support. Math, ELA and Technology coaches will be deployed in the schools but managed centrally to maximize efficiency and target support where it is most needed. Registrars will also be centralized to improve accountability and efficiency in the management of the master schedule and Common Core curriculum.

Expanded Learning

High quality expanded learning opportunities are needed to prepare students for success in academic learning, life, and the global economy. The 2013-14 Proposed Budget includes \$3.6 million to support the development of expanded learning programs at 5 schools. The traditional school calendar, which limits time to 180 school days of 6 hours and 20 minutes each, does not allow for the differentiated supports our students need. Expanded learning opportunities can close the achievement and opportunity gaps for our children. It will improve academic outcomes, as well as increase overall student engagement and motivation for learning.

The Rochester City School District has engaged with the National Center on Time & Learning (NCTL) to guide the planning in five elementary schools (Schools 9, 10, 23, 45, and 46) toward high-quality expanded learning. These schools are redesigning the traditional school day and/or year to give students at least 300 additional hours to improve student achievement based on their needs and the school's priorities. All student schedules will reflect rigorous academics with differentiated student supports, including academic intervention or acceleration, social-emotional learning, and engaging enrichment. Frequent data cycles and targeted teacher development will create an enhanced school culture of high expectations, utilizing a systemic approach to analyze and respond to data and strengthen instruction. This work was made possible by a grant from the Ford Foundation.

Additionally, the District is responding to New York State School Accountability mandates, which include expanded learning time as part of a whole school reform plan in all priority

EXECUTIVE BUDGET SUMMARY (CONTINUED)

schools. Several schools have submitted School Innovation Fund (SIF) or School Improvement Grant (SIG) applications to fund the delivery of expanded learning as part of their school improvement efforts. Schools 9 and 34 have been approved for SIF with a strong focus on expanded learning. A pending SIG application for School 17 focuses on the development of a community school model, including dual language programming and expanded learning. Additional SIG applications for Schools 3 and 45 will be submitted, as was a 21st Century Community Learning Center Grant. Monroe, Northeast College Preparatory, and Northwest College Preparatory High Schools must include expanded learning as part of their school improvement plans. Additional technical assistance for expanded learning planning has been requested from The After-School Corporation (TASC) and Generation Schools of Brooklyn.

The Rochester City School District cannot do the work of expanded learning alone. Community partnerships and full integration of wrap-around services are required to support our expanded learning programs. By leveraging current investments and relationships, we are working toward a more coordinated service delivery model to ensure sustainable expanded learning offerings. This effort is being supported by joint grant applications with the City of Rochester and others. A community-wide Request for Proposals will help ensure complementary partnerships which support academic learning and youth development in our schools.

Mastery of Reading

Reading at grade level by third grade is one of the strongest indicators of a student's likelihood to graduate. Students must learn to read by third grade and read to learn for the rest of their lives. In support of mastery of reading, a reduction in administrative positions enables 10 new reading teachers to be supported by Federal IDEA funding.

Athletics

Enhancing our sports and athletics program is fundamental to our priorities. In the 2013-14 Draft Budget, \$1.5 million has been provided to enhance the athletic program. Under the leadership of our Executive Athletic Director, Carlos Cotto, the interscholastic athletic program for 2013-14 will continue to implement the development of the "Grow-Out" schools with the phasing in of the sports programs for the modified and interscholastic teams. The additional funding will be used to establish teams for these schools and provide them with the necessary resources for success (i.e., coaches, uniforms, equipment, supplies, etc.). As part of this initiative, we must also continue to upgrade physical facilities to accommodate the additional sports teams and provide an equal playing field with our suburban counterparts. The interscholastic sports program will continue its emphasis on academic eligibility, sportsmanship, and character education in preparing our student athletes for the future.

History of Sports Offerings and Participating Numbers

- 2009-10: 389 Sports Programs, average 6,110 participants (15 per team)
- 2010-11: 319 Sports Programs, average 5,060 participants (15 per team)
 - Consolidated overall program district wide (Participation/Sustainability)

EXECUTIVE BUDGET SUMMARY (CONTINUED)

- 2011-12: 229 Sports Programs, average 3,710 participants (15 per team) - ESF impact
- 2012-13: 252 Sports Programs, average 4,055 participants (15 per team)
 - All funds used for programs only – very little uniform/equipment/supplies purchased
- 2013-14: 325 Sports Programs, average 5,150 participants (15 per team)
 - Adding 73 additional programs and increasing participation numbers

We are also exploring a collaborative initiative with the City of Rochester to upgrade up to four of our athletic fields by replacing existing grass fields with artificial turf. Two of the fields could be refurbished by 2015 to support an expansion of our sports teams, additional outdoor physical education classes, and enable more community use of our fields. Currently, the combination of heavy field usage and the Rochester climate limits the availability of our fields, particularly in the late fall and early spring of each year.

Parent Involvement

Eight additional parent liaison positions are funded to increase parental outreach and involvement. Each school building will have either a parent liaison or a home school assistant. The Office of Parent Engagement will also work to ensure parent participation on all of the School Based Planning Teams (SBPT).

Closing the Budget Gap

In summary, the projected \$50.2 million gap was closed in the proposed Draft Budget by:

\$ 4.2 million Additional NYS Aid

\$ 12.4 million Pension smoothing plan

\$ 8.5 million Four program consolidations

\$ 7.3 million Elimination of 84.3 FTE non-classroom teacher on assignment positions

\$ 3.8 million Reduction in teaching and clerical substitutes and vacation cash-out payments

\$ 3.7 million Redesign of Special Education service delivery model

\$ 1.9 million Net reduction of 22 Math, ELA, and Technology coaches

\$ 1.6 million Reduction in vendor contracts

\$ 1.2 million Redesign of in-school suspension delivery model

\$ 1.2 million Closure of School 30

\$ 6.2 million Use of fund balance

(\$1.8 million) Net of other changes

EXECUTIVE BUDGET SUMMARY (CONTINUED)

Employment Impact

The District workforce will decrease by 169 FTEs, from 5,541 to 5,372. Existing vacancies, anticipated retirements, and turnover should assist in limiting the number of displacements as approximately 300 employees leave District employment each year due to retirement or other reasons.

Reduction in Teacher on Assignment Positions

Teacher on Assignment positions were reduced by 84 FTEs. This change is consistent with our priority to keep reductions away from the classroom. Although people in these positions are performing valuable services, our first priority is to fund the teachers in front of our students. Each school is budgeted to have equitable teacher and administrative staffing.

Reduction in Substitute and Vacation Cash-Out Costs

We are counting on support from our employees to reduce absenteeism and the amount of vacation time cashed in to generate a total of \$3.8 million in savings. Short-term clerical vacancies will no longer be back-filled with substitutes. We need to work together to cover for these short-term clerical absences without paying overtime. We will monitor this effort monthly and will have to make further employment reductions if we cannot sustain these budgeted savings.

I appreciate the willingness of members of the Association of Supervisors and Administrators of Rochester (ASAR) to use their vacation days and cash in less vacation time. In 2011-12, District employees cashed in an average of five weeks of vacation at a total cost to the District of \$3.9 million.

Pension Smoothing

We anticipate taking advantage of the smoothing of retirement costs as proposed by Governor Cuomo. Using the proposed rate of 14.0%, versus the projected Teachers Retirement System rate of 16.25%, will enable us to have stable retirement rates for many years and avoid making an additional \$5.4 million in budget reductions. We also currently assume taking advantage of the proposed 12.0%, versus the initial Employees Retirement System rate of 20.5%, which would save the District an additional \$6.0 million. We understand the Governor, State Comptroller and the Teachers Retirement System Board of Directors have recently agreed to a modification of the Governor's proposed smoothing plan. Once the revised plans are formalized, they will be analyzed and a final recommendation made.

EXECUTIVE BUDGET SUMMARY (CONTINUED)

Program Consolidations and Closure of School 30

The School 30 instructional program will be closed and School 54 will be moved into the School 30 building. Neighborhood students from School 30 will attend School 54, and other students will receive customized placement services to find a new school that best meets their needs. This will produce \$1.2 million in savings.

Edison Business School is phased out, saving \$3.7 million.

The Freddie Thomas 8th grade is phased out, saving \$2.8 million.

The Young Adult Evening High School and I'm Ready programs are consolidated into All City High School, saving \$2 million.

Central Office Reorganization

To increase efficiency and focus our efforts on student achievement, the Administration, Finance, and Teaching & Learning Departments redesigned their operations and staff functions. These changes in Central Office will save \$875,000.

Redesign of Special Education

The special education budget for the 2013-2014 school year focuses on providing the resources needed to address the achievement, programming, and compliance issues with regard to students with disabilities. The proposed budget includes a reduction of one Zone Director. The remaining Zone Director positions will align with the reorganization of the School Chiefs. Their role is to work with School Chiefs to address student achievement and instruction for students with disabilities.

Included in the Special Education redesign is the elimination of the 24 Teacher Coordinator of Special Education (TCOSE) positions with an increase of eight Coordinating Administrator of Special Education (CASE) positions. The purpose of this change is to centralize and coordinate the work of these administrators. We will assign them to school clusters to guide and support school leaders with special education compliance and consistency of programming for students with disabilities.

In total, \$3.7 million in savings is anticipated from the special education redesign.

School Psychologist staffing will be reduced, recognizing that the student population has decreased over the past few years. We will redirect their services to meet the primary functions of testing and evaluation, assisting schools with the Response To Intervention (RTI) process, and supporting special education across the district.

EXECUTIVE BUDGET SUMMARY (CONTINUED)

In-School Suspension Redesign

The In-School Suspension Program has been redesigned, enabling each school to have a dedicated teaching assistant. The teaching assistants will coordinate with classroom teachers to meet the needs of students on short-term suspensions while saving \$1.2 million. This redesign will also enhance diversity of staffing in our schools.

Reduction in Vendor contracts

The District currently maintains an estimated total of \$58 million in vendor contracts to support educational programs and operational services. Of this amount, \$23.6 million is paid from the General Fund, \$19.4 million is supported by grant revenue, \$8.2 million is paid from the Capital Fund, and \$6.5 million is paid through the Lunch Fund. The 2013-14 draft budget includes an estimated total of \$55 million in vendor contracts in all funds, a reduction of approximately \$3 million from the current year.

As part of our effort to close the budget gap, approximately \$839,000 in contracts supported by the General Fund would be discontinued.

- The Center for Youth Services has the largest contract that will be impacted. This vendor manages the Alternative to Suspension program at an annual cost of \$750,000 (\$350,000 is paid from the General Fund, and the remaining \$400,000 is paid from the Federal IDEA EIS set-aside). The redesign of the In-School Suspension program will allow this service to be delivered by District staff.
- A \$250,061 lease will be discontinued at the Cathedral Community Church. The leased building is no longer needed for Flower City School 54, which is moving to the School 30 building.
- An \$87,754 contract with the Rochester Institute of Technology to support a college preparedness program for selected students will be discontinued because the program is no longer needed.
- A \$43,871 contract with Hillside Children's Center for lead agency services will be discontinued.
- The remaining \$107,500 includes consultant services provided by the University of Rochester and the New York Literacy Center and programs provided by Junior Achievement and Generation Two.

An additional \$2 million in contract-related savings will come from grants. Of this amount, \$1 million is due to programmatic decisions and includes the \$400,000 from the Center for Youth Services contract paid from the IDEA grant enabling the hiring of ten reading teachers. The other \$1 million represents various other contracts that were designed to implement specific grants and were supported by grant revenue. These are expected to be discontinued due to the completion of the grants.

EXECUTIVE BUDGET SUMMARY (CONTINUED)

Competitive Grant Funding

A total of \$13.6 million in competitive grant funding ends in 2012-13. However, we anticipate applying for \$20 to \$30 million in competitive grants as they become available that will further support our priorities in 2013-14.

Listed in the table below are potential competitive grants that the District has applied for or plans on submitting grant applications for, but these are not included in the 2013-14 Proposed Budget.

Grant	Supports:

	achievement gap, and increasing academic performance among students with the greatest educational needs, and have submitted a high quality plan showing promise of building upon this success
School Improvement 1003 (A)	Title I Priority and Focus schools to meet their progress goals
School Improvement Grants (SIG 1003 G)	Title I schools identified as Priority Schools and are targeted to support implementation of the fundamental changes needed to turn around lowest-achieving schools.

Note: Federal education funding now operates under the FY2013 Continuing Resolution (CR). Until a final appropriations measure is enacted, the current funding levels for education are subject to change.

Neighborhood Schools and Transportation Plan

We continue to pursue strategies to make neighborhood schools the first choice for most families. The Home School Guarantee was an important first step. Beginning this spring, we solicited the support of our State Legislature to help students be better connected to school with less time in transit and more time available for learning.

We currently provide transportation to all elementary students who live more than 1.5 miles from their school, but plan to begin providing transportation to those who live more than 0.5 miles from their schools. This will help ensure that students travel to and from school safely and will hopefully result in higher attendance rates. By reducing the minimum distance, we will reduce the number of students who walk to school by half, from 4,600 to 2,300.

We are asking the Legislature to support this proposal, with the assurance that it will be cost neutral to the State and the expectation that it will reduce costs in future years as most families choose neighborhood schools. Savings identified in the budget will allow the District to fully fund the new transportation policy beginning in 2014-15 pending State legislative approval.

Future Budget Considerations

- Potential revenue growth is expected to be limited over the next few years. New York State Aid is projected to grow at a 3% rate for Foundation Aid and a 4% rate for Formula Aids over the next few years. In addition, City of Rochester support is expected to remain flat during the same time period. The Rochester City School District does not have independent taxing authority as the School Property Tax Levy is determined by the City of Rochester.
- Funding for existing competitive grants is projected to decrease by \$17.8 million over the next five years as these grants expire. While it is expected that the District will apply for and be awarded new competitive grants during this time period, adjustments will still have to be made to align resources in accordance with the new grant funding restrictions.
- The staffing cost structure is expected to grow at a higher rate than revenues over the next few years. Salary expenses are expected to continue to grow in the 3% to 4% range, while

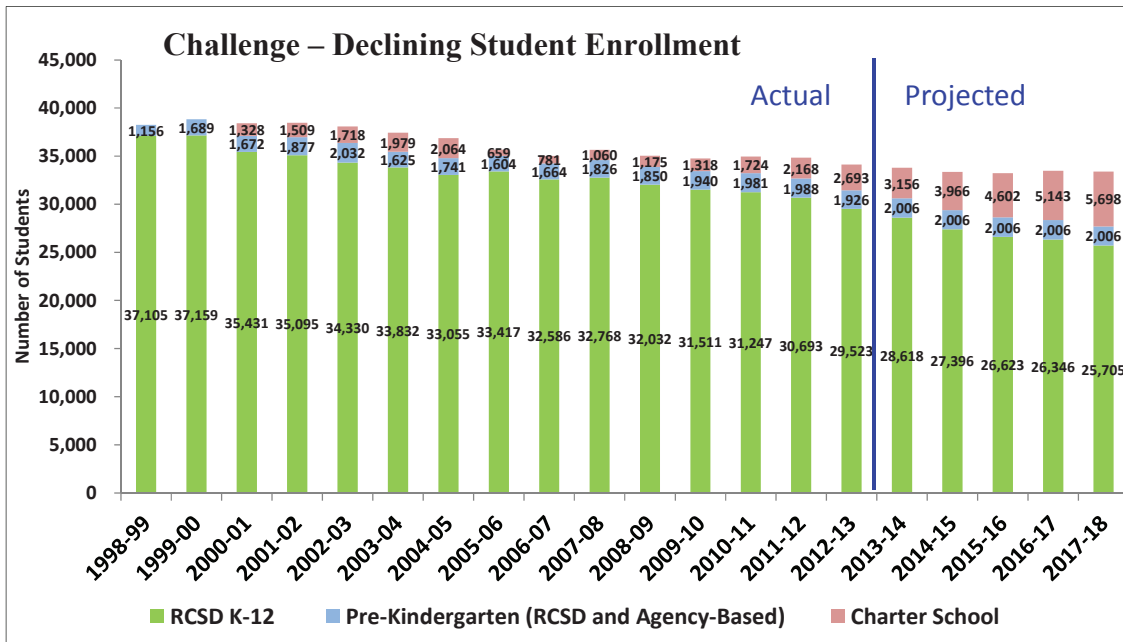

EXECUTIVE BUDGET SUMMARY (CONTINUED)

employee benefits led by pension and health insurance costs are projected to grow at a 5% to 7% annual rate.

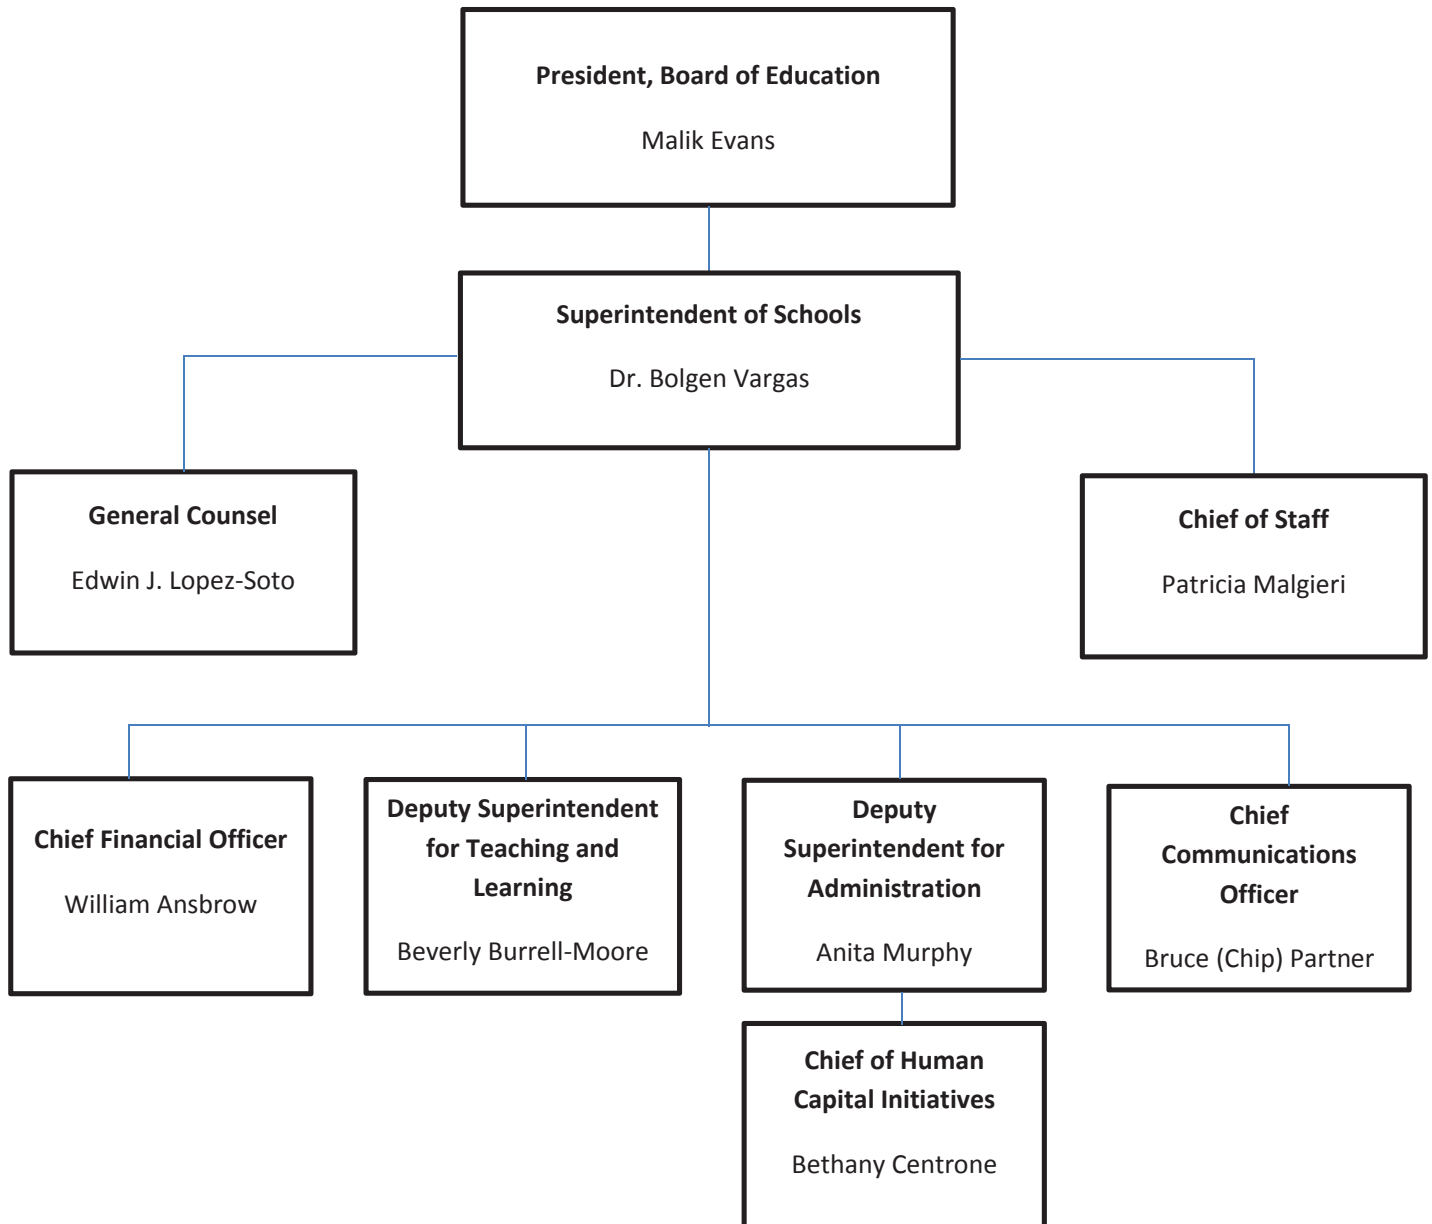

- Charter School enrollments are projected to increase from 2,693 students in 2012-13 to 5,698 students in 2017-18 due to the grow-out of existing schools and the potential addition of four new schools that have applications pending with New York State. The potential impact would result in an additional tuition increase of \$38.7 million per year by 2017-18.
- Rochester City School District K-12 enrollment is projected to decrease from 29,523 students in 2012-13 to 25,705 students in 2017-18 due in large part to the potential growth in Charter School enrollment. The District will have to examine and adjust all of its programs to align with this significant drop in enrollment.
- The 2010-11 Teachers Retirement and Employees Retirement Incentives will be paid off in 2014-15. This will result in budget savings of \$3.7M annually. These savings will be used to help offset the impact of the Teachers Retirement and Employees Retirement Pension Smoothing plans that were adopted as part of the 2013-14 Budget.
- The Pension Smoothing plan adopted as part of the 2013-14 Budget will result in additional costs of \$2.6 million between 2013-14 and 2017-18

Conclusion

This proposal supports the educational needs of our students, the goals of our District, and the Board of Education budget priorities for 2013-14. We are eager to begin implementing the master schedule and Common Core Instructional Program that will increase instructional time and result in more teachers in front of a classroom, helping our students to achieve the high expectations we must set for them. This budget is a statement of educational priorities in action.

ROCHESTER CITY SCHOOL DISTRICT

READING THE RCSD BUDGET BOOK

The Rochester City School District's Budget Book has been updated this year to include additional financial and academic information. This book may be used as a resource book throughout the year. You will find that this year's presentation includes additional transparency into all departments to provide you, the reader, with a better understanding of the District's policies, plans, schools, programs, and overall operations. Our main focus continues to be the effective management of funding provided to the students and the schools and programs that support their development and success.

The financial information of the District is based on our fiscal year, which runs from July 1st through June 30th. Budget presentations include two fiscal years in some cases and three fiscal years in others. For the overall budget summaries, the actual totals from FY 2012 are listed along with the current year FY 2013 budget for comparative purposes. Any presentation of FY 2013 is based on the February, 2013 amended budget and includes the most current information that will be carried forward to June 30, 2013. The proposed budget column is the projection for the fiscal year ending June 30, 2014. The numbers used for the budget are based on the most current information known by the District at the time of this presentation.

ORGANIZATION OF THE BOOK

The budget book is divided into sections in order to facilitate the reader's use. A Table of Contents provides a roadmap for the information.

SECTIONS 1 and 2: Introduction and Overview and Policies, Priorities and Plans, contain basic information concerning District operations as a whole. Documents explain the priorities of the district through the guidance of the Superintendent, an Executive Budget Summary, Mission and Vision, Enrollment and Collective Bargaining overviews.

SECTION 3: The District-Wide Summary Budget provides information concerning all revenue sources as well as the breakdown of expenditures by major categories. In addition, this section includes a position summary and a multi-year projection. It is important to remember that the multi-year projection is made at a specific point in time. Projections are updated on a regular basis with information received from Federal and State sources, changes in contracts, and changes in purchasing trends.

SECTION 4: The School Profiles and Budgets section includes student performance and financial information. Multiple pages are dedicated to each school highlighting their academic profile, their financial information, and their staffing.

The Profile page will provide you with student test scores, New York State Education Department (NYSED) Basic Educational Data Systems BEDS enrollment data, and attendance and demographics of student populations. The Budget page will include staffing breakdowns and proposed expenditures.

This section also includes divisions that directly support the schools. The divisions are Chiefs of Schools and School Support. School Support includes Food Service, Health Services, Transportation, and Tuition for Charter School and Special Education students. The two divisions will provide information concerning staffing, expenditures by major category, full departments, sub-departments, and locations.

SECTION 5: The Program Profiles and Budgets section presents goals, objectives and measures of achievement for programs within the District's Strategic Plan. The information presented in this section shows the cost of the program and is also included in the school and department budgets. Each program will include the number of students served, locations, program description, objectives, revenue sources,

READERS GUIDE, CONTINUED

expenditures, related positions and costs per student. This information is used throughout the year in program evaluation.

SECTION 6: Administration Profiles and Budgets section contains budget information for administrative departments. The expenses in this section are not related to particular programs or schools, but must be budgeted for the operations of the District. Information provided will include a description of each department, staffing, and expenditures by major category. Within each major department there are sub-departments that will give further clarification of expenditures.

SECTION 7: District-wide Profiles and Budgets section contains budget information for District-wide departments. The expenses in this section are not related to particular programs or schools, but must be budgeted for the operations of the District. Included are Debt Service, District-wide Non-Program Expenses, and Employee Benefits.

SECTIONS 6, 7 and 8: School Support Profiles and Budgets, Administration Profiles and Budgets, and District-wide Profiles and Budgets reference a 5-digit department code in the Management Financial Discussion and Analysis pages. The first three digits tell the physical location and the last two digits represent the different functions. Although the location is clear based on the description, the function is not self-explanatory. The chart below explains the functions.

MISSION AND VISION

We are the Rochester City School District

What We Believe

- All children will learn with the commitment of time, support and hard work.
- Every employee plays a vital role in student learning.
- Students, families, and the community play an integral role in student learning.
- We have an ethical responsibility to ensure readiness for college, career, and responsible citizenship.
- Stability helps students, families, staff and schools thrive.

We Will Establish a Culture in Which...

- All employees understand that they are educators and share responsibility for student success.
- Every student, staff member, and family in the community is treated with fairness, dignity, and respect.
- A rigorous focus on instruction will improve student achievement.
- The intellectual, social, emotional, physical, and civic potential of every student is nurtured.
- Schools are safe, supportive environments for students and staff members.
- Data informs and drives decisions and accountability.
- We hold high ethical standards of professionalism and integrity, guided by the New York State Educator Code of Ethics.
- Building relationships with families and community is valued and promoted.

Our Priorities for 2012-2013

- Student achievement
- Parental, family, and community involvement
- Effective school and District management
- Effective, efficient allocation of resources
- Improved communication

We Commit to Do These Well

- Be responsive to the needs of students, staff and families every day.
- Have proactive organizational and management infrastructure that supports student learning.
- Employ, retain, and develop highly effective and well-trained staff.
- Ensure collaboration and communication.
- Provide well-run schools that have:
 - A student-focused environment
 - Committed staff
 - High quality, differentiated instruction and support

What Makes These Possible

- We will respond to staff, student, and family concerns within 48 hours.
- We will create systems as needed and audit them to ensure they perform as expected.
- We will hold staff and students accountable for expectations.
- We will provide time, resources, and support necessary for students and staff to succeed.
- We will reward behavior of adults and students that leads to results.
- We will work in a coordinated way among instructional and operational departments to deliver effective cross-functional solutions, support and accountability.
- We will use student data for monitoring student progress and for providing timely differentiated support.

What We Measure

- Student achievement and growth
- Graduation rates
- College and career readiness
- Attendance and discipline
- Parent, student and staff satisfaction
- Employee performance
- School choice

STRATEGIC PLAN GOAL	2012-2013 OBJECTIVE	METRICS	TARGETS	CABINET RESPONSIBILITY
<p>GOAL 1 Student Achievement and Growth: We will ensure that each of our students is academically prepared to succeed in college, life and the global economy.</p>	<p>Implement the Common Core curriculum. Implement Teacher Leader Evaluation/APPR. Meet state requirements as a "priority district," including differentiating supports to meet students' individual needs, using value-added measures of student growth (e.g., state assessments, on-time grade progression/graduation). Increase our focus on college and career readiness. Better align professional development opportunities with student achievement goals, with an emphasis on cultural responsiveness in an urban environment. Increase time on task for students through attendance maximization, extended learning programs and expanded school calendar.</p>	<p>On-time graduation rates ELA scores in grades 3-8 Math scores in grades 3-8 Regents pass rate AP/PR Implementation Master schedule implementation Professional Development</p>	<p>On-time graduation rates will increase from 48% to 70% by June 2016. 60% of students will meet or exceed growth targets for 3-8 math by 2015. 65% of students will meet or exceed state growth targets by June 2014. 50% of students will pass Regents exams with a 75% level of proficiency or above the first time the exams is taken by June 2016. All teachers and principals (who should be evaluated) will be evaluated using the state approved APPR plan. 100% of schools will be part of the master schedule framework supporting Common Core curricula by June 2013. All teachers and principals will be given at least 5 Professional Development sessions on Common Core implementation</p>	<p>Beverly Burrell-Moore, Deputy Superintendent - Teaching and Learning/ Anita Murphy, Deputy Superintendent for Administration</p>
<p>GOAL 2 Parental, Family and Community Involvement: We will engage and collaborate with all our stakeholders, to hold ourselves collectively accountable for our students' success.</p>	<p>Provide parents/guardians with diverse opportunities for active family participation in their student's education. Design and implement multiple models for businesses, faith communities, the City, colleges and community-based organizations to help us improve the quality and quantity of instructional delivery. With our partners, increased the time devoted to in-school and independent student reading, to improve rates of reading at grade level.</p>	<p>Parent/guardian use of Parent Connect Parent/guardian participation on School Base Planning Teams Parent/guardian participation on other teams Community input on budget</p>	<p>20% or more of parents/guardians in each school will register for Parent Connect accounts by June 2013. Every School Base Planning Team will have 3+ parents/guardians by June 2013. Office of Parent Engagement parent groups (PTA, PTO, PTSA, PTCA) in each school will have 10%+ of the school's parents/guardians by June 2013. Seven Fathers Groups will be established in each zone by June 2013. The draft budget and final budget will be posted on District website for stakeholder review/input by March 2013 and May 2013, respectively</p>	<p>Anita Murphy, Deputy Superintendent - Operations</p>
<p>GOAL 3 Communication/Customer Service: We will continually inform and seek input from parents, students, staff and members of the Rochester community, to continuously improve the quality of our instructional programs and operations.</p>	<p>Adopt operational standards, practices and business processes to improve our levels of customer service and transparency. Improve the timeliness and customer-focus of our responses to complaints and service requests. Provide safer, more positive and nurturing learning environments that maximize student and staff satisfaction and success, from initial placement through graduation, and through all aspects of a student's school experience.</p>	<p>Response rates to complaints and service requests Proactive outreach sessions Parent survey Vendor survey</p>	<p>Cabinet members/designees will respond to 100% of complaints and service requests within 48 hours by June 2013. Superintendent and/or Cabinet members will conduct at least five sessions per month annually (Sept-June) to gain insights and feedback from our various stakeholders. An independent objective survey of parent satisfaction with District services will be conducted in 2013 to establish baseline metrics on which to set improvement targets. Current and potential vendors for selected professional services will be surveyed in 2013 to establish baseline metrics on which to set targets to increase response rates to bids and to lower our costs.</p>	<p>Patricia Maigieri, Chief of Staff</p>

STRATEGIC PLAN GOAL	2012-2013 OBJECTIVE	METRICS	TARGETS	CABINET RESPONSIBILITY
<p>GOAL 4 Effective and Efficient Allocation of Resources: We will stabilize our finances and fund our priorities, to focus resources on significantly improving student achievement.</p>	<p>Eliminate the projected FY 12-13 budget gap of \$44 Million and prepare a 5-year plan to address the structural gap.</p> <p>Improve the efficiency of Central Office staff by deploying them primarily to support schools. Reduce administrative and consultant expenses, and redirect those funds to student learning.</p> <p>Negotiate collective bargaining agreements to moderate the increase in cost of employee salaries, wages, overtime, additional pay, health care, other benefits, time off and substitute pay. More effectively use space to control facilities' capital and leased costs.</p> <p>Oversee the renovation/replacement/reuse/parental choice of facilities to better meet student needs.</p> <p>Align staffing with actual building needs.</p>	<p>Closure of budget gap for 2013-14</p> <p>Financial performance in 2012-13</p> <p>Five-year financial framework</p> <p>Facilities Master Plan</p> <p>Organization efficiencies</p>	<p>Superintendent will deliver a balanced budget to the BOE which funds all priorities as reflected in the current strategic plan by May 9, 2013.</p> <p>90% of staffing in each school will be based on the Core Instructional Program model.</p> <p>The budget will include a reduction in consulting/administrative expenses.</p> <p>The District will end the current fiscal year with an operating surplus.</p> <p>Superintendent will deliver a five-year financial framework for operating and capital to the BOE to address the structural gap by June 2013.</p> <p>Superintendent will deliver a revised Master Plan to the BOE that minimizes local share by February 2013.</p> <p>Organization charts will be updated with quantified cost efficiencies by June 2013.</p> <p>We will initiate a lean six sigma review of payroll process by June 2013.</p>	<p>William Ansbrow, Chief Financial Officer</p>
<p>GOAL 5 Management Systems: We will improve the efficiency and effectiveness of management systems that impact operations of Central Office and our schools, to facilitate the accomplishment of all goals and objectives.</p>	<p>Design and implement information systems that shift our focus from intervention to prevention of and early action on student achievement challenges.</p> <p>Support school efforts to meet Common Core standards of excellence for curriculum, extra-curricular and physical environments.</p> <p>Design and implement standards of excellence for the recruitment, development and retention of a highly effective and diverse staff, dedicated to student success.</p>	<p>Attendance data</p> <p>Response to early warning system indicators</p> <p>Performance evaluations</p>	<p>Attendance data will be accurate and will lead to effectively focused attritancy initiative to improve K-2 attendance by June 2013</p> <p>50% of targeted students in 2009 cohort will pass two or more gatekeeper exams they previously failed by August 2013.</p> <p>25% of targeted students in 2009 cohort will pass 1 gatekeeper exam they previously failed by August 2013.</p> <p>The retention rate will be reduced by 10% for the 2012-13 school year.</p> <p>Professional practices performance evaluations for 90% of teachers, and 75% of Civil Service evaluations, will be completed by June 2013.</p> <p>90% of calculated teacher composite scores will be issued within ten days of receipt of State growth data or beginning of school year.</p> <p>Analysis of teacher and administrator performance issued to Principals by September 2013.</p>	<p>Anita Murphy, Deputy Superintendent - Operations</p>

BUDGET POLICY (6110)

BUDGET HEARING (6120)

BUDGET ADOPTION (6130)

FINANCIAL REPORTS & RESOLUTIONS (6630)

FINANCIAL ACCOUNTABILITY (6000)

School districts must establish internal controls to ensure accomplishment of goals and objectives; adherence to laws, regulations, policies, and good business practices; the efficacy and efficiency of operations; protection of assets; and maintenance of accurate, timely and reliable data.

The Rochester City School District's governance and control environment will include the following:

- a) The Code of Ethics (2160) addresses appropriate behavior and the avoidance of conflicts of interest by all District employees.
- b) Financial statements are to be prepared in accordance with generally accepted accounting principles and other principles as may be applied by governmental accounting standards and audited in accordance with generally accepted auditing standards by a certified public accounting firm.
- c) Corrective action plans in response to external audit reports, State and/or Federal audit reports, or other external reports requiring a corrective action plan will be provided to the Board.
- d) Establish required policies and procedures as guidance for District operations with timely updates in response to additional mandates from all applicable State and Federal laws and regulations.
- e) Review on a regular basis the financial reports specified in Financial Reports & Resolutions Policy (6630).
- f) Review the District's Capital Improvement Plan for long-term (5 years) capital project planning.
- g) Attend training programs required by New York State law for Board members, the Comptroller, treasurers, claims auditors, and others to ensure they better understand their duties and responsibilities and the data and other information provided to them.
- h) The oversight and operation of an Audit Committee, Internal Audit, and Claims Audit as required by New York State law in support of the Board's fiscal oversight responsibilities.
- i) Review of internal audit reports submitted to the Board to understand the adequacy of District information systems and the internal controls related to fiscal and programmatic systems and procedures.
- j) The maintenance and accountability to all policies described within this document.

BUDGET POLICY (6110)

As the Rochester City School District receives a great deal of its revenue from New York State, the timely completion of its budget process is integral to the orderly operation of the District's budget process.

The Board of Education believes one of its greatest responsibilities is to exercise financial oversight to ensure fiscal responsibility of the school district.

The Board of Education will annually approve a specific budget calendar developed by the Chief Financial Officer and recommended by the Superintendent in accordance with the attached Exhibit A.

The Superintendent and the administrative staff shall solicit the views of persons concerned with the budget to assist in its development. The superintendent shall ensure the participation of the Board of Education, staff, students and the community prior to compiling data, organizing the budget and presenting the budget to the Board.

The budget shall be designed to reflect the Board-approved goals and objectives and the District's strategic plan for the education of our students. The recommended budget will be presented to the Board on or about the first week in April. Efforts to solicit input from parents, the Rochester community and staff shall be disclosed at the Superintendent's initial budget presentation to the Board.

To assist in budget and long-range planning, ongoing evaluations of the District's educational programs will include estimates of the fiscal implications of each program, and the effectiveness of these programs over time. The Superintendent's proposed budget must include the most recent program evaluation results, which should determine continued funding for existing programs.

The Superintendent, in conjunction with the Chief Financial Officer, will develop a multiyear long-range plan, including plans for budget presentation in both a program-based and school unit format. It will be reviewed annually with the Board of Education as part of the budget process beginning with the 2006-2007 budget process.

The budget for the ensuing school year shall be thoroughly reviewed by the Board of Education in no less than two (2) Finance Committee Meetings of the Whole. Following this review, the Board will adopt a budget for the coming fiscal year in accordance with Policy 6130 for subsequent submission to the City of Rochester for inclusion in their budget submission to City Council.

Adopted 12/19/2002; Amended 3/17/2005 pursuant to Resolution No. 2004-2005: 656; Amended October 28, 2010 pursuant to Resolution No. 2010-11: 335.

BUDGET HEARING (6120)

The Board of Education will hold a public hearing on the Superintendent's proposed budget during the month of April. This hearing will be held at a facility designated by the Clerk to the Board. Those wishing to address the Board must sign up in advance with the Board office and will receive two (2) minutes to address the Board. Individuals will be subject to the District's Code of Conduct during the meeting. The purpose of this hearing is to provide the community with an opportunity to express their interests and concerns on the Superintendent's proposed budget to the Board prior to the Board's deliberations, final decisions, and subsequent adoption of the budget under which the District will operate for the following fiscal year.

Adopted December 19, 2002

BUDGET ADOPTION (6130)

The Board of Education will adopt the budget proposal for the coming fiscal year no less than ten days prior to the deadline for submission to the City of Rochester. Upon adoption, the Administration will transmit the approved budget document to City Hall for its inclusion in the City of Rochester's budget submission to City Council in accordance with statutory and regulatory requirements. The Board will participate in the City Council of Rochester's public hearing on the District's budget as set forth on the City Council calendar.

Adopted December 19, 2002 pursuant to Resolution No. 2002-03: 488; Amended October 28, 2010 pursuant to Resolution No. 2010-11: 336

FINANCIAL REPORTS & RESOLUTIONS (6630)

The Board of Education shall require the Superintendent (or designee) to make monthly financial reports on the status of the budget for each fund at its monthly Business Meeting as part of their report. These financial reports shall be provided to Finance Committee members prior to their submission to the full Board. Reports to be provided include:

- Monthly Cash Flow report beginning in September;
- Monthly Available Funds report beginning in September;
- Forecast of budget provided in December, February and April, and at other times as needed;
- Quarterly Student Activity Funds Reports;
- Quarterly Change Order Report.

The Superintendent (or designee) shall provide other financial statements as requested by the Board.

The Board of Education shall require the Chief Legal Counsel to provide quarterly reports on any contracts for goods and services issued under \$35,000. These reports shall include the name of the vendor, length of the contract, date contract was signed, amount of the contract, brief description of the services to be provided, and verification that the contract was reviewed by the Department of Law and executed by the Superintendent.

All budget, finance and information technology resolutions will go before the Finance Committee for their review and action before being submitted to the full Board of Education at a business or special meeting for its approval. This does not preclude the Finance Committee from reviewing other resolutions as deemed prudent and/or necessary.

Note: Policy added December 2002; Amended December 2003; Amended October 2004; Amended December 2004; Amended September 2010; and Amended March 24, 2011 pursuant to Resolution No. 2010-11: 568.

STUDENT ACHIEVEMENT

In general, indicators of student performance on the 2012 New York State standardized assessments were lower than prior years. To some extent, these results may reflect changes in the assessments themselves, as part of the transition to the forthcoming Common Core curriculum. Of course, the aggregate percentages do not indicate the individual groupings of students that may be performing better.

Graduation rates and data for the science assessments remain embargoed, as of the printing deadline for this document. Updated, official information will be available in the New York State District Report Card, to be released in the near future.

GRADES 3-8 ENGLISH LANGUAGE ARTS

Student performance on the 2012 New York State assessments in English Language Arts (ELA) demonstrated further decline by three percentage points, from 24% in 2010-11 to 21% in 2011-12.

Chart 1: Percentages of students meeting or exceeding standards district-wide in ELA

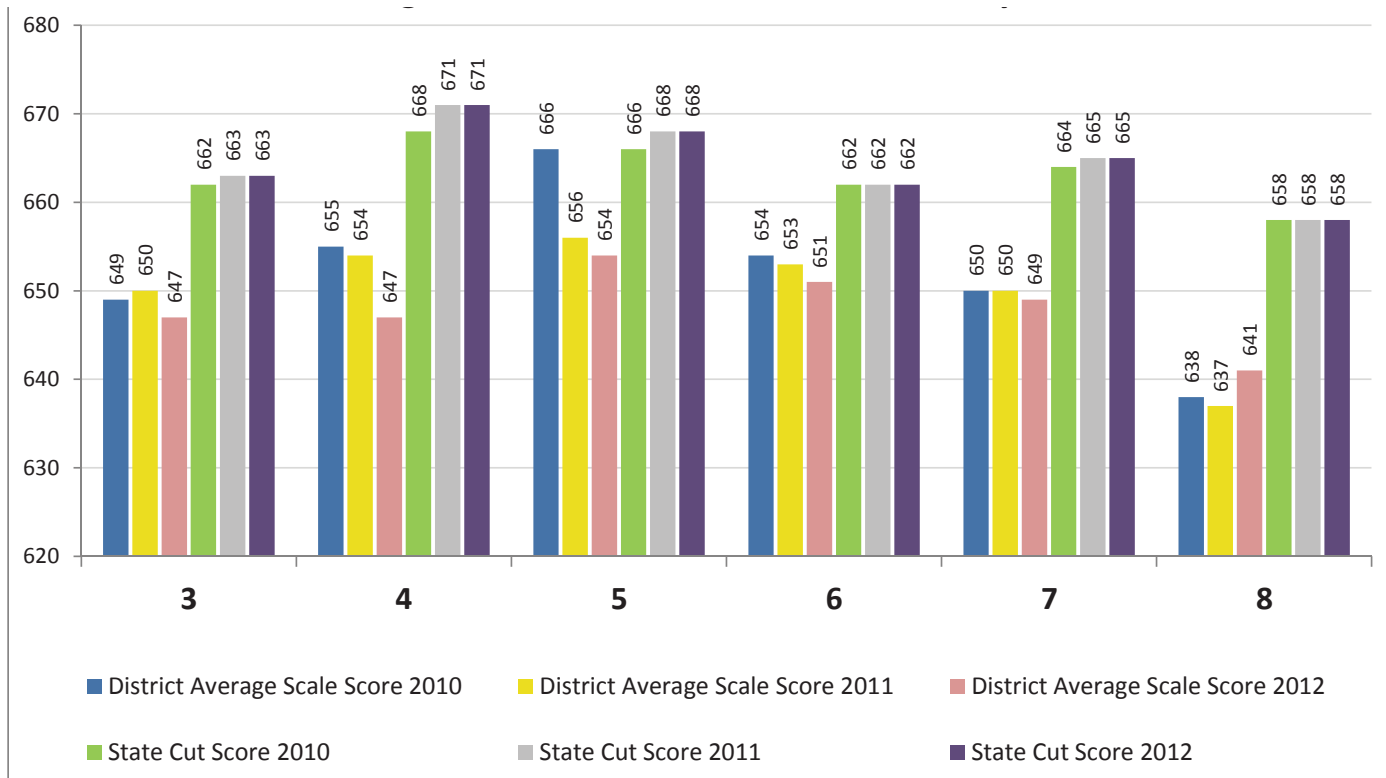

* Note: in 2010, the cut scores (performance level thresholds) changed for all grade levels.

The average ELA scale scores for grades 3-7 declined with the largest numerical change occurring at grade 4 where the average scale score dropped from 655 in 2010-11 to 647 in 2011-12. The average scale score at grade 8 increased by four points. The New York State thresholds for ELA proficiency (cut scores) did not change over the two most recent years, although the District performance changed as noted.

Chart 3: District Average Scale Scores in ELA by Grade Level Compared to New York State Cut Scores (Proficiency Thresholds)

There was a one percentage point increase in the number of students achieving proficiency on ELA assessments in grade 8, for 2012 compared to 2011. Percentages of students achieving proficiency at all other grade levels decreased, especially in grades 4 and 6. Combining all grade levels (3-8), the overall change was from 24% to 21%. These values are presented in Chart 4 and trends over time are shown in Chart 5.

The percentage of students identified as White and achieving proficiency on the ELA assessments in grades 3-8 remained at 39%. All other groups declined, therefore the “achievement gap” between race/ethnic groups widened. The percentage of Asian students meeting proficiency declined from 29% to 27%. The percentage of Black and Hispanic students meeting proficiency declined from 29% to 27%. The percentages for Black and Hispanic students reached 18%. The historical percentages in these categories are shown in Chart 6.

Chart 6: Percentage of Students Achieving ELA Proficiency by Race/Ethnic Group

The percentage of students with disabilities who met New York State ELA proficiency standards declined, in parallel with the percentage of all students. It changed from 6% to 4% by comparison with the non-disabled population changing from 24% to 21%. This is shown in Chart 7.

Chart 7: Percentage of Students Achieving ELA Proficiency by Disability Status

The percentage of English Language Learners who met New York State ELA proficiency standards declined, in parallel with the percentage of all students. It changed from 6% to 4% by comparison with the English-proficient population changing from 26% to 23%. This is shown in Chart 8.

GUIDE TO ASSESSMENTS

Acuity is a learning-based assessment program for mathematics in grades 3-8. Acuity aligns to New York State standards and delivers targeted instructional materials to help prepare students for the New York State Grades 3-8 Annual Assessments that comply with NCLB requirements.

Cumulative Benchmark Assessments are standards-based assessments in English Language Arts and mathematics given in grades 5-9 four times a year to monitor progress toward meeting grade-level standards taught through the unified Rochester Curriculum.

Developmental Reading Assessment (DRA) is a set of individually administered criterion-referenced diagnostic reading assessments administered to students in grades K-6 three times a year.

Dynamic Indicators of Basic Early Literacy Skills (DIBELS) is an assessment for 3 of the 5 Big Ideas of Early Literacy phonological awareness, alphabetic principle, and fluency with connected text. It is administered to students in grades K-3 who participate in the Reading First program.

New York State Assessments are given annually to students in grades 3 through 8. The New York State Assessments are based on New York State standards, which define what students should learn each year. The goal is for 90% of students to score at or above the state standard. Students pursuing a New York State Regents diploma must meet standards on five Regents exams Mathematics, Living Environment, Global Studies, ELA 11, and US History.

Northwest Evaluation Association's Measures of Academic Progress (MAP) for Primary Grades assessments combine diagnostic tests and survey assessments to provide insight into K-2 students' knowledge of core math and reading. This computer-based, adaptive assessment is being piloted in seven schools (Schools 9, 15, 19, 35, 50, 52, 58) in lieu of the Terra Nova assessment for grades 1-2.

NYSESLAT (New York State English as a Second Language Achievement Test) is a New York State test designed to measure the English language proficiency of K-12 students who have been identified as Limited English Proficient (LEP). LEP/ELL program students take the NYSESLAT until they achieve ELA standards that qualify them to exit the program. Students who have been in the country for less than 12 months only take the NYSESLAT. All other ELL/LEP students take both the NYSESLAT and New York State ELA Assessments grades 3-8.

Peabody Picture Vocabulary Test is an individually administered, norm-referenced, wide-range measure of listening comprehension for spoken words in standard English and a screening test of verbal ability used in grades K-2.

Scholastic Reading Inventory (SRI) Enterprise Edition provides immediate, actionable data on students' reading levels and growth over time to help educators differentiate instruction and make meaningful interventions.

SUPERA is a Spanish-language achievement test that measures a student's ELA progress in his/her primary language. It is a comprehensive assessment with results that are based on the same scale as English-language results so that a clear picture of student achievement is obtained regardless of the language of the test.

COLLECTIVE BARGAINING

Pursuant to New York’s Taylor Law (Public Employees’ Fair Employment Act, Civil Service Law, Article 14), all school district employees have certain organizational and representational rights. The law provides employees with the right to organize, to bargain collectively through representatives of their choosing with respect to wages, hours and other terms and conditions of employment, and to engage in lawful concerted activities that flow out of the right to organize. The Rochester City School District’s Office of Labor Relations represents the District’s Board of Education and Superintendent in collective bargaining with its employees.

Employees of the Rochester City School District are organized into five bargaining units. Managerial and confidential employees are not represented by the District’s bargaining units. These employees include those in the Superintendent’s Employee Group (SEG), the Board Employee Group (BEG), and other confidential Competitive Class civil service employees. The terms of employment for SEG and BEG employees are governed by the Rules and Regulations of the Superintendent’s Employee Group (SEG). Confidential civil service employees receive benefits equivalent to ASAR members pursuant to resolution of the Board of Education. Also, there are a number of part-time employees who work less than 20 hours that are not collectively represented and who do not receive contractual benefits.

Collective Bargaining Units and Contracts

Contract Unit	Term of Contract	Current Status

Per-Diem Substitute Teachers Unit	7/1/06 through 6/30/09	Under Negotiation

Financial Impact

The District’s FY 2013-14 Budget provides for salary increases and step increases resulting from existing bargaining agreements. A contract is currently being negotiated with the Per-Diem Substitute Teachers. Under Triborough, the starting rate for per-diem substitute teachers is 1/375 of Step 1 of the RTA salary schedule.

The FY 2013-14 Budget reflects salary adjustments for Unions that are governed by existing contracts. The negotiated salary increase under the RTA contract is benchmarked to other school districts. The District and RTA continue to monitor the resolution of contracts in other Monroe County school districts to determine the appropriate increase. The following table presents a historic salary schedule overview.

REVENUE SUMMARY ANALYSIS

STATE AID TO EDUCATION

General Fund State Aid shown below is based on the aid projections included in the adopted 2013-14 New York State Budget.

FOUNDATION AID **\$348,121,441**

Foundation Aid is unrestricted aid to support the district's general operations such as salaries, benefits, utilities and other operating costs. Beginning in 2007-08, NYS combined a number of separate aid categories into Foundation Aid. These aid categories included: Public Excess Cost, Sound Basic Education, Extraordinary Needs, Limited English Proficiency and several categorical grants.

SPECIAL SERVICES AID **\$12,371,141**

This aid supports certain occupational, marketing and business programs, in grades 10-12 and for approved data processing expenses pursuant to Regulations of the Commissioner.

SPECIAL EDUCATION – PUBLIC HIGH COST AID **\$6,043,370**

Public High Cost Aid is provided for students with disabilities placed in public settings in the Rochester City School District and at BOCES. This aid is based upon approved costs, attendance and level of service.

SPECIAL EDUCATION – PRIVATE EXCESS COST AID **\$10,135,833**

Excess Cost Aid is provided for students with disabilities placed in private special education settings such as St. Joseph's Villa and Crestwood Children's Center. This aid is based upon approved costs, attendance and level of service.

TRANSPORTATION AID **\$51,735,007**

This aid provides up to 90% of the district's approved transportation expenses. Non-allowable expenses include: the transportation of non-handicapped pupils who live 1 1/2 miles or less from the school attended, and transportation for extra activities such as field trips, athletic trips, etc.

HARDWARE AND TECHNOLOGY AID **\$722,940**

Computer Hardware and Technology Equipment Aid provides funding for the purchase and lease of micro and/or mini computer equipment; technology equipment; repair of equipment for instructional purposes; and training and staff development for instructional purposes.

SOFTWARE, TEXTBOOK AID AND LIBRARY MATERIALS **\$2,797,313**

This aid provides funding for the purchase of computer software, textbooks and library material. The amount of aid is based on a per-pupil dollar amount.

CHARTER SCHOOL TRANSITIONAL AID **\$10,902,762**

This aid partially offsets the cost of tuition that the district must provide for students attending Charter Schools.

DISTRICT - WIDE SUMMARY BUDGET 2013 - 14 PROPOSED BUDGET

REVENUE SUMMARY ANALYSIS – continued

BUILDING AID **\$31,611,217**

This aid supports expenses associated with the construction of new buildings, additions, and/or modifications of existing buildings. Building aid is provided for projects which have received prior approval from the State Education Department.

OTHER STATE REVENUES **\$2,895,000**

This category represents state funding that the local delegation in Albany has secured for the district. This category also contains aid for certain resident student placements including incarcerated youth detention centers.

STATE AID ADJUSTMENTS **(\$1,192,000)**

This category represents adjustments for prior year aid monies owed to the district, contingency for prior year aid claims owed to the State, and revenue to offset the district's debt service under the State's Prior Year Claims Financing Program. This category also contains aid deductions for certain resident student placements, including intermediate residential treatment programs, and State supported schools for the Blind and Deaf. The State assumes 100% of the tuition costs for these placements.

GRAND TOTAL STATE **\$476,144,024**

REVENUES FROM CITY **\$119,100,000**

The City of Rochester funding includes the State funded STAR program.

MEDICAID REVENUE **\$2,100,000**

The district receives partial reimbursement under Medicaid for support services provided to Medicaid eligible students with disabilities. The district receives a portion of the approved billable amount per service. The State recoups the remaining amount of federal Medicaid monies received by the district.

OTHER LOCAL REVENUES

INDIRECT COSTS **\$2,352,714**

Many grant-funded programs provide revenue to offset overhead costs, which the district incurs in the operation of grants. Overhead costs include supervision, accounting costs, etc.

NON-RESIDENT TUITION FROM OTHER DISTRICTS **\$600,000**

The district provides tutoring and other education services to non-resident students on a tuition/fee basis. The largest portion of these revenues is for tutoring services provided to non-resident students at several agencies in the area.

HEALTH SERVICES REVENUE **\$725,000**

The district provides health services to non-resident students attending private/parochial schools located within the district boundaries per NYS regulations. The district bills these costs back to the student's home districts.

DISTRICT - WIDE SUMMARY BUDGET 2013 - 14 PROPOSED BUDGET

RENTAL AND USE OF BUILDINGS **\$75,000**

This represents the fees charged to various groups for the use of buildings in accordance with district policy.

SALES OF OBSOLETE EQUIPMENT **\$25,000**

This is revenue from sales of obsolete equipment and vehicles, in accordance with district policy.

PRIOR YEARS REFUNDS **\$950,000**

This revenue is derived from several sources including federal E-Rate monies, BOCES refunds and refunds of prior year expense from vendors.

E-RATE REVENUE **\$970,000**

Federal E-rate revenue is provided to reimburse school district telecommunications and internet system expenditures.

STUDENT AND OTHER FEES **\$60,000**

This revenue is earned through fees charged for Adult Education, rental of musical instruments and other miscellaneous fees.

EARNINGS - CAPITAL FUND INVESTMENTS **\$4,645,152**

This revenue is earned through the following sources: interest earned on authorized capital funds which have not yet been expended, unused capital fund authorizations, and Facilities Modernization Program funding.

EARNINGS - GENERAL FUND INVESTMENTS **\$175,000**

This revenue from investments is earned by the district's cash management program.

PREMIUM – RAN **\$0**

This represents the premium associated with the issuance of a Revenue Anticipation Note (RAN).

MISCELLANEOUS REVENUE **\$250,000**

This represents revenues that do not fit in any other categories and are non-recurring.

CURRICULUM BASED PROGRAMS **\$50,000**

Revenue generated by student curriculum programs such as the Work Experience Program.

TOTAL LOCAL REVENUES **\$10,877,866**

APPROPRIATIONS FROM FUND BALANCE **\$8,328,941**

An Appropriation from Fund Balance represents the use of accumulated financial surplus that resulted from prior years' activity.

GRAND TOTAL GENERAL FUND REVENUE **\$616,550,831**

STATE GRANT DETAIL

UNIVERSAL PRE-KINDERGARTEN \$10,817,469

This grant supports the District's efforts to provide environments and experiences in socialization, early literacy and motor skill development to all eligible four-year old children, including those with disabilities and children whose home language is other than English at 29 Rochester City School District sites. It also provides the support for four-year old Rochester city residents who attend Pre-Kindergarten programs at 19 Community Based Organizations that are contracted and supervised by the District.

SCHOOL HEALTH SERVICES \$6,292,705

The purpose of the School Health Services grant is to provide the following:

- Mandated first aid
- Emergency services
- Screening
- Contagious disease management
- Services to children with special health concerns
- Documentation and State reporting

SPECIAL EDUCATION – EXTENDED SCHOOL YEAR (ESY) \$5,415,000

Extended School Year (ESY) services are designed to support a student with a disability as documented under the Individuals with Disabilities Education Act (IDEA) to maintain the academic, social/behavioral, communication, or other skills that they have learned as part of their Individualized Education Program (IEP). In order for a student to receive ESY services, the student must have evidenced substantial regression and recoupment issues during the previous IEP year. The focus of the services provided to the student as part of an ESY program are not upon learning new skills or "catching up" to grade level, but rather to provide practice to maintain previously acquired or learned skills. The cost of the ESY program is reimbursed by the State at 80% with the remaining 20% funded locally.

DISTRICT MANAGEMENT EFFICIENCY GRANT \$1,500,000

The School District Management Efficiency grant will be used to support a new pre-kindergarten program for three-year-old children at Audubon School No. 33; expanded-day learning for more students in 2013-14; a new textbook management system and other measures to continue improving the efficiency of District operations.

TEACHERS OF TOMORROW \$500,000

This grant provides a variety of incentives that encourage teachers to teach in a school district that is experiencing a teacher shortage or to teach in a subject area that is experiencing a teacher shortage.

TITLE I FEDERAL ESEA – NCLB GRANT \$27,692,986
Improving the Academic Achievement of the Disadvantaged

The purpose of Title 1, Part A is to "ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic achievement standards and State academic assessments." RCSD is a school-wide Title I Program and is required to deliver services to all students with a continued focus on students with the greatest need.

- Funds are generated based on poverty criteria of free and reduced lunch eligibility. Use of funds is determined by need.
- All Title I expenditures must be supplemental and not supplant required services and materials.
- The District is required to set aside a specified percentage of their Title I funds for School Improvement activities as defined by NYSED. In 2012/2013, Supplemental Academic Services was used to meet this requirement.

IDEA – INDIVIDUALS WITH DISABILITIES EDUCATION ACT \$10,182,964 **Assistance to States for the Education of School-Aged (Section 611) and** **Pre-School Students (Section 619) with Disabilities**

The Individuals with Disabilities Education Act (IDEA) is a United States federal law that governs how states and public agencies provide early intervention, special education and related services to children with disabilities. The purpose of IDEA is to provide students with disabilities a Free Appropriate Public Education (FAPE) that prepares them for further education, employment and independent living. These grants provide funding to assist with the additional costs to the District.

2013/2014 IDEA Sections 611 and 619 Proposed Budget will fund:

- Mandated Set-Asides and Pass-Through
 - Pass-Through to ASEPs, Charter Schools and BOCES
 - Parentally-placed Tuition
 - Indirect Costs @ 3.7%
- Early Intervening Services
 - Funds used to develop and implement coordinated, early intervening services for students in kindergarten through grade 12 who are not currently identified as needing special education or related services, but do need additional academic and behavioral support to succeed in general education environment.
- CPSE
 - Funds used to hold second committees needed at peak times when there is an increase to the number of students that are referred to the committee

RACE TO THE TOP GRANT \$2,317,897

The purpose of Race to the Top grant is to increase the college and career readiness of all students. The goal will be achieved through the adoption of benchmarked standards and assessments, improved instructional data systems, effective teachers and principals, and turning around low-achieving schools.

2013/2014 Race to the Top Proposed Budget will fund:

- Teacher and Principal Effectiveness
- Inquiry Team Support

Explanation of Changes to the Budget

The proposed 2013-14 Rochester City School District Budget increases to \$734.2M from the 2012-13 February Amended Budget of \$728.8M. This represents an increase of \$5.4M or 0.7%. The overall budget increase was funded by increases of \$4.2M increase in Local Other revenue and \$1.1M in School Food Service revenue, as a \$22.8M New York State Aid increase was offset by reductions of -\$14.1M in grant funding and -\$8.8M in Appropriate Fund Balance.

The District projects Salary and Other Compensation costs to decrease to \$325.0M from \$331.6M. This represents a decrease of -\$6.6M or -2.0%. Contractual salary increases were offset by a reduction of 169 FTEs and savings from Substitute Teacher and Teacher In-Service cost reductions.

Employee Benefits costs will moderate in 2013-14. Overall, benefit costs will decrease to \$155.0M from \$157.6M, which is a reduction of -\$2.6M or -1.6%. Retirement System costs are expected to increase by only \$0.2M as projected rate increases in both the New York State Retirement System and the Teachers Retirement System were offset by the pension smoothing plans adopted by New York State. Health and Dental Insurance is also projected to increase by \$1.1M due to rising insurance rates. These cost increases are offset by a -\$2.6M reduction in Social Security and Workers' Compensation due to projected salary and staffing decreases in 2013-14. The remaining items in this category show a net decrease of -\$1.3M.

Fixed Obligations with Variability will increase by \$9.9M to \$118.6M in 2013-14. Charter School Tuition costs will increase by \$6.1M to \$40.1M. This increase is attributable to projected enrollment growth of 460 students. The enrollment growth is due to grade level additions in six of the existing schools. Contract Transportation costs are projected to increase by \$3.0M due to increased needs related to school redesigns and expanded learning programs at a number of schools. The remaining budgets in this category show an increase of \$0.8M.

The Debt Service budget will increase by \$9.3M to \$35.6M to reflect changes in the District's debt schedule. This increase is driven largely by the impact of funding the Facilities Modernization project.

The District anticipates Cash Capital Outlays will remain relatively flat at \$10.8M in 2013-14.

Facilities and Related expenses will decrease by -\$3.8M to \$37.0M. Utility costs are decreasing by -\$0.9M to reflect savings due to conservation programs and favorable natural gas rates. Instructional Supplies and Supplies & Materials are decreasing by a total of -\$3.3M due largely to grant funding reductions. The remaining categories show a net increase of \$0.4M.

Technology expenses will decrease by -\$0.6M to \$1.7M. The District will be purchasing less Computer Software due to grant funding and other budget reductions.

All Other Variable Expenses will decrease by -\$4.2M to \$45.4M due largely to a -\$3.5M reduction in Professional & Technical Services. This reduction reflects a combination of both grant funding and other budget cuts. The remaining items in this budget category show a net decrease of -\$0.7M due largely to district-wide reduction efforts in Agency Clerical costs.

The 2013-14 Budget includes a \$5.0M Contingency Fund. This budget is reserved to support emergency needs that may arise in the coming budget year.

DISTRICT - WIDE SUMMARY BUDGET 2013 - 14 PROPOSED BUDGET

OVERVIEW

The multi-year projection represents a forecast of the District’s revenue and expenditures for the next three fiscal years. The projections shown allow the District to begin the planning process to solve for anticipated future deficit years.

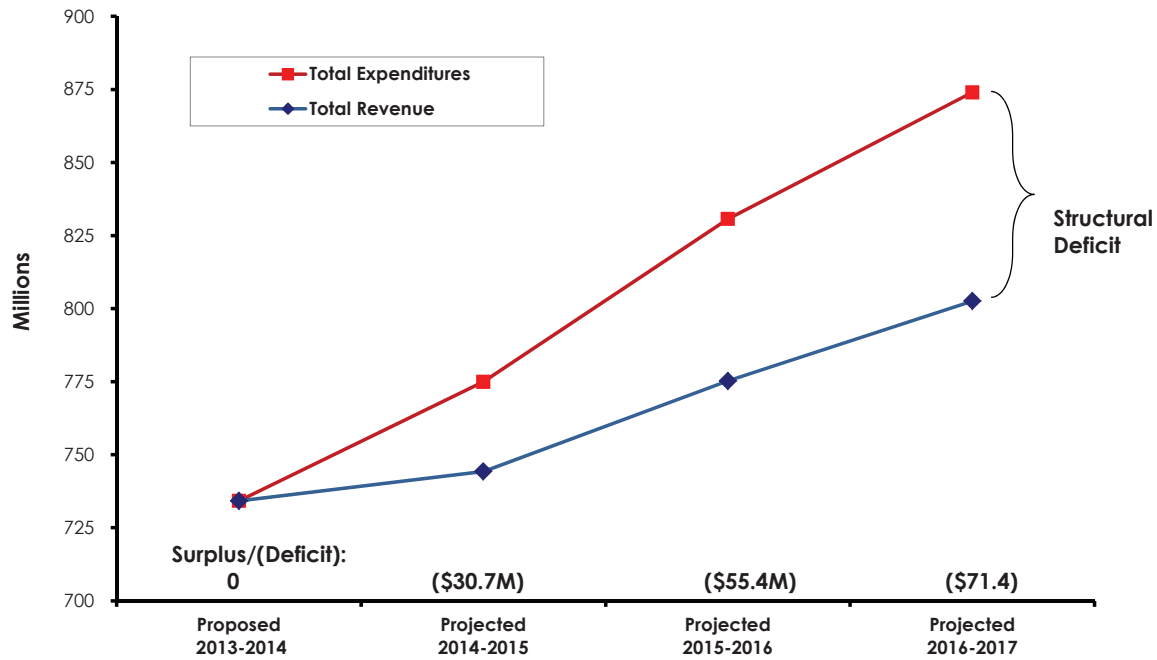

New York State educational funding, which accounts for 64.8% of revenue, is the primary factor determining revenue growth. As such, future revenue budget projections will be greatly influenced by the level of NYS Aid. Another important factor is grant funding. This analysis includes only known grant funding at the current time, and anticipates the known loss of competitive grants in future years. However, the District will continue to pursue new grant opportunities, which could potentially offset the anticipated loss of current grant funding.

ASSUMPTIONS

Based on historical trend analysis and contractual commitments, the District utilizes the following annual rates of increase to develop the projections:

Assumptions	Projected 2014-2015	Projected 2015-2016	Projected 2016-2017

Projected RCSD Deficit

Closing the Deficit

Based on the multi-year projection assumptions, the District anticipates a deficit situation in future years due to rising expenses that outpace projected revenue increases. New York State law mandates that the District maintain a balanced budget. As such, the projected deficits for each year are incremental rather than cumulative. For example, when the District balances the 2014-15 Budget as required, the resulting projected deficit for 2015-16 would drop to \$24.7 million (\$55.4M less \$30.7M).

Revenue

The Rochester City School District is a fiscally dependent school district and therefore cannot levy taxes. The District can impact revenue in the following ways:

- Lobbying state government officials to fully fund proposed Foundation Aid increases
- Lobbying state officials to increase other supports for education
- Lobbying local government officials to continue their support of the District’s needs
- Searching for and securing additional grant funding

Expenses

The District continues to focus on automating operations, partnering with other government entities and businesses and cost-cutting initiatives such as:

- Working with our union partners to develop innovative cost-savings labor agreements
- Leveraging the Facilities Modernization Program to develop cost-efficient school structures
- Negotiating agreements to minimize health insurance and other contractual services costs

Schools Management Financial Discussion and Analysis

Division/Department Overview

The District is comprised of elementary and secondary schools in two zones. The elementary and secondary school Chiefs provide supervision of the Principals to ensure the alignment and implementation of goals and objectives to District priorities and School Comprehensive Educational Plans. The school Chiefs' and Principals' responsibilities are to ensure the development of instructional and curriculum management systems relevant to the needs of students within the school setting, including the development of professional learning communities within each school designed to improve student achievement through research-based instructional practice and data driven decision-making.

Mission: It is our mission to educate, collaborate, and prepare. NRCS is a place for your child to grow from a young child to a young adult in an environment of caring. Students are part of a positive educational, social and emotional community where they can continually grow to be responsible and respectful. Our students, from age 4 to age 16, coexist in an atmosphere of support, encouragement and success.

Budget

Mission: Our mission is to engage our diverse student body in joyful, rigorous, meaningful, and fascinating learning experiences. We will use both traditional and technological tools, along with resources from our community, to inspire in our students an enduring and intrinsic drive for learning and service to others. Our students will work collaboratively, using creative and scientific thinking skills, technology, and positive habits of work and character. We will never give up in our quest to ensure that all students achieve. We will instill in them both perseverance and the sense of hope that will lead to success in secondary school. It is our ultimate goal to nurture life-long learners.

Mission: We believe that education must be child-centered, hands-on, and meaningful and must be provided in an environment of respect, understanding, and trust. We also believe that learning must be bonded with the child's home culture and that the school program must explicitly value and nurture this bond. We have a diverse population, in which approximately half of our students are English Language Learners and speak 35 different languages. We foster an environment in which parents, guardians, teachers, and staff work together as a team to ensure that every child will reach his or her full academic potential. Our goal is for students to be critical, literate thinkers and doers.

Mission: It is our mission to develop students who have a positive attitude toward learning and are committed to acquiring the skills necessary to become independent and responsible adults. Our students are provided with the necessary academic and social scaffolds so that they can learn, access information and apply knowledge in decision making and problem solving endeavors, both individually and cooperatively with others. We develop students who exhibit a strong sense of self and personal heritage, while acknowledging and appreciating cultural diversity and responsive citizenship.

Mission: World of Inquiry School #58 promotes inquiry based learning as our primary mode of instruction across the curriculum. We believe inquiry based learning is a dynamic approach, with the focus on a process that is interactive, experiential, and exploratory. It instills not only specific academic goals, but a personal framework for lifelong learning and the pursuit of knowledge. We also focus on our students' character development to ensure that our students become productive citizens. We expect all students to meet or exceed all State Standards and District Benchmarks. We are dedicated to academic excellence, innovation, creativity, inquiry, and discovery.

Mission: The mission of Charlotte High School is to provide every student with the opportunity to develop the necessary skills that will prepare them for post-secondary success in a competitive global economy. Students will be challenged academically and nurtured emotionally in a supportive environment where high standards are the norm, not the exception. Staff will work with students to make connections between the classroom and the real world through project-based learning experiences. Students will further enhance their educational experience through various work-based learning opportunities with the local business community. Students will graduate from Charlotte High School with a strong foundation of meaningful experiences and relevant skills that will support a seamless transition into college or the workplace.

Mission: Our mission is to graduate students who will have the knowledge, skills, and experience necessary to successfully complete college and be ready to select the career best suited to their talents, skills, and potential. We are committed to helping all students master the challenges of a rigorous college preparation curriculum in a supportive learning environment. We aim to develop students who can analyze situations, solve problems, and communicate through speaking and writing. Our desire is to produce individuals who are proactive, resourceful, positive, creative, and well-adjusted, and ready to make a meaningful contribution to our society.

Management Financial Discussion and Analysis**

Division/Department Overview

The Chiefs of Schools Department is a School Support area that contains the expenses for the School Zone Chiefs and their staff along with the centralized staff and funds. Examples of centralized staff are Teaching Coaches and Athletic Directors. Examples of centralized funds are textbooks, library books, substitute costs, and summer school. Summer school funds are allocated to the schools after the locations are determined. The Contingency Budget is also held in this area.

SCHOOL PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

**Food Service
Management Financial Discussion and Analysis**

Division/Department Overview

Food Service supports student achievement by providing healthy nutritious food which will help prepare our students for learning. The department administers the Nutritional School Lunch Program throughout the District. Approximately 16,000 breakfasts and 22,000 lunches are served daily. This program includes operational and support personnel, comprised of full and part-time employees. The elementary school food services program is operated through a centralized food production kitchen while the secondary food services personnel prepare meals on-site. All students qualify for free and reduced price meals under the Community Eligibility Option that was implemented in 2012-13.

Program Profiles & Budgets

PROGRAM-BASED BUDGETING (PBB)

Program-Based Budgeting (PBB) is a program-based format that supplements the traditional narrative and financial information in the Budget Book. PBB links programs to the Board of Education's and Superintendent's goals and objectives and provides measures of achievement to evaluate the program in meeting the district's Strategic Plan. The PBB format used to present each program or group is organized into the following sections: Program Description, Program's Alignment with Rochester City School District Strategic Goals, Program Objectives, Program Measures, Financial Information, and FTE Summary.

Program Description provides a brief description of the program or group of related programs.

Program's Alignment with Rochester City School District Strategic Goals identifies one of the five goals established in the district's Strategic Plan to ensure strong alignment between program objectives and the mission of the organization.

Program Objectives and Measures summarizes the objectives and corresponding program measures. The objectives should be aligned with the Board of Education's and Superintendent's goals, as well as student achievement and/or customer service outcomes whenever possible. The program measures section provides quantifiable measures to facilitate a multiple year assessment of the program's value toward achieving its stated objectives. This section provides statistics that measure student achievement and/or customer service outcomes against stated program objectives. Due to limited space on the PBB form and a need for a uniform measure, only program results year to year or total grade/school results year to year are reported on the form. More detailed measures/metrics are provided through systematic year end evaluation forms. Evaluation of programs is strengthened by relative comparisons to total district results and other comparable programs.

Financial Information goes beyond the traditional cost and FTE information provided in the current budget book format. It also lists program funding sources such as grants, local funds or user fees, as well as providing costs on a per student or service basis. This additional financial information shows a program's net cost on a per unit basis to provide a standard measure for comparison to other programs throughout the organization.

The programs included for presentation in the PBB format include:

Program Description:

The Career in Teaching Program (CIT) was established in 1987. The main goal of the CIT Program is to retain highly effective teachers through Peer Assistance and Review. This goal is accomplished by one-on-one mentoring provided to teachers by lead teacher mentors. It is an effective collaborative effort between the RTA and the District to develop a stronger instructional staff through teacher mentoring and support. The program focuses on providing teacher mentoring throughout each career stage: Intern, Resident, and Professional levels, both part and full time staff. The CIT program coordinates mentor and lead teacher positions throughout the District. In February 2004, New York State mandated that districts provide mentoring programs for teachers at the Intern level. The overall retention rate of teachers who remain in the district for at least five years has remained steady over the past 24 years at an average rate of 81%. This is considerably higher than the 54% national average rate of teachers who remain in urban districts.

Program's Alignment with Rochester City School District Strategic Goals:

Recruit, develop and retain highly effective, diverse people dedicated to student success

Program Objectives:

- 1) Increase the overall 5-year retention rate of teachers at or above 82%
- 2) Increase the 5 year retention rate of Special Education teachers at or above 86%
- 3) Increase the 5 year retention rate of Math teachers at or above 82%
- 4) Increase the 5 year retention rate of Bilingual teachers at or above 74%
- 5) Increase the 5 year retention rate of Science teachers at or above 76%

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name:	Commencement Summer School			
Program Director:	Caterina Leone-Mannino	Chief:	Beverly Burrell-Moore	
Program Category:	AIS / Response to Intervention			
Number of students served 2012-13:	3,618			
Location:	Various High School Campuses			
Grade level(s) of students served:	Grade 9-12	Funding:	General Fund	

Program Description:

The Commencement Summer School Program provides an opportunity for students in grades 9-12 who have failed a high school course to retake and pass the course during the summer, to take a Regents exam for the first time, retake and improve a previous Regents score or to take courses for credit recovery in order to graduate. It offers an opportunity for successful students to be promoted to the next grade level and an opportunity for eligible students to graduate in August. The summer program offer an opportunity for students to keep pace with their age appropriate peers and lessens the probability of dropping out of high school. The program is an intensive six-week program with strict rules for behavior, attendance, and participation.

Program's Alignment with Rochester City School District Strategic Goals:

Ensure each student is academically prepared to succeed in college, life and global economy.

Program Objectives:

- 1) Increase number of students graduating from summer school: Increase cohort students graduating
- 2) Increase percentage rate of students completing summer school

Program Name:	Elementary Long-Term Suspension	
Program Director:	Tanya Wilson	Chief: Juiliette Pennyman
Program Category:	Suspension	
Number of students served 2012-13:	56	
Location:	School #29 or student home	
Grade level(s) of students served:	Grade 2-6	Funding: General Fund

Program Description:
 A long-term (LT) suspension is initiated at the school level. It is designed to ensure that students are engaged and are in a learning environment during the period of their suspension. The student is initially placed in an in-school/short-term suspension room (within the same school). An LT suspension referral package is reviewed. If appropriate, a hearing is conducted and if found guilty the student finishes his/her long term suspension time in an alternative educational program at School #29, at the in-school suspension room or on home instruction. Students in grade 2 and all Special Education students are assigned to home instruction. Other LT students may be placed on home instruction. There are variables that may cause the student not to follow this path. The program at #29 has only 2 rooms: a 3-4 and a 5-7 classrooms.

Program's Alignment with Rochester City School District Strategic Goals:
 Create a culture in which we hold ourselves accountable for student success.

- Program Objectives:**
- 1) Reduce the elementary long term suspension rate

Program Category:	Expanded Learning		
Number of students served 2012-13:	3,510		
Location:	Various School		
Grade level(s) of students served:	Students entering Grades 1-8	Funding:	General Fund

Program Description:

The Elementary Summer School Program is designed to provide academic intervention support in the areas of reading and mathematics for 20-25 days during the summer recess. The reading curriculum consists of utilizing informational texts to build concept knowledge for the upcoming school year while providing specific instruction in reading skill development. The mathematics curriculum is designed to repair gaps in skill knowledge from the previous school year. Pre/post assessments in reading and mathematics are utilized for baseline data comparison with end of program results. The following programs will be used for the pre/post assessments:

- Fluency – AIMSweb Progress Monitoring passages per grade
- Math – Voyager Vmath assessments
- Science – K-2 (National Geographic); 4-6 Millmark
- Comprehension Strategies – Grades 4-6 Millmark Company Blackline Master

Program's Alignment with Rochester City School District Strategic Goals:

Ensure each student is academically prepared to succeed in college, life and global economy.

Program Objectives:

- 1) Stem summer learning loss
- 2) Provide academic intervention in reading and mathematics using the AIMSweb and Voyager Vmath programs respectively
- 3) Improve student readiness for next grade level using the statement assessment programs stated in the description

Program Category: Attendance/Dropout Prevention

Number of students served 2012-13: 2,350

Location: All secondary schools

Grade level(s) of students served: Grade 7-12 **Funding:** General Fund

Program Description:
 HWSC began in 1987 to help at-risk students by providing long-term advocates, academic resources, life skills development, and job training in order to increase their graduation rates, reach their full academic potential, and conduct themselves responsibly. HWSC partners provide part-time employment at 35 different sites and 20 partners provide higher education scholarships. HWSC has worked with over 8000 students from 1987-88 through 2010-11. In 2006-07, the criteria for participation changed from a requirement that students have a GPA of 2.0 or higher to students who were failing 2 to 3 of their 4 core courses. Program participants must now meet two of the following: failing 2 or 3 core courses, history of suspensions, overage for grade, attendance between 71% and 85%, low income, or score in level 1 or 2 on NYS 8th Grade ELA or Math.

Program's Alignment with Rochester City School District Strategic Goals:
 Ensure each student is academically prepared to succeed in college, life and global economy.

- Program Objectives:**
- 1) Increase number/percentage rate of HWSC participants graduating in four years
 - 2) Increase high school graduation rate

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name:	Home Hospital Tutoring Program		
Program Director:	Marcia K. Pease	Chief:	Anne Brown Scott
Program Category:	Alternative School Programs		
Number of students served 2012-13:	414		
Location:	Home, hospital, public locales		
Grade level(s) of students served:	All Grades	Funding:	General Fund

Program Description:

Per NYS Commissioner's Regulations, Home/Hospital Tutoring provides continuity of academic instruction in core subjects to students who are homebound; unable to attend school, usually for reasons of illness, disability or discipline. Assignment to the program vary from ten days to one full year, depending on the severity of the medical condition or suspension. Home/Hospital teachers travel to various locations to meet the academic needs of District students and sometimes those of private and/or parochial school students (those with an IEP). Although a Home/Hospital teacher provides continuity of instruction for individual students, the student continues to remain directly connected to his/her home school. A review of all requests for Home/Hospital Tutoring must be made by the Program Administrator or a registered nurse to determine medical necessity.

Program's Alignment with Rochester City School District Strategic Goals:

Ensure each student is academically prepared to succeed in college, life and the global economy.

Program Objectives:

- 1) Provide at least 5 hours of instruction to homebound elementary students per week.
- 2) Provide at least 10 hours of instruction to homebound secondary students per week.

Program Name:	In-School Suspension (ISS)		
Program Director:	Lori Baldwin	Chief:	Bolgen Vargas
Program Category:	Alternative School Program		
Number of students served 2011-12:	2,254		
Location:	All school buildings		
Grade level(s) of students served:	Grade K-12	Funding:	General Fund

Program Description:

The In-School Suspension (ISS) program is designed to keep students who receive a suspension at school in a learning environment during the period of their suspension. Each school has an ISS Room that provides continued instruction to students during their period of suspension. Its purpose is to maintain instruction so that students can achieve academic success and remain engaged in the educational process. After completing their suspension, students return to their regular classrooms and instruction schedule. In-School Suspension (short term/in school) is a suspension of 5 or fewer days. The number of individual students suspended is not the same as the number of suspensions. An individual student may be suspended more than one time. In 2013-14, the ISS program has been re-designed and will also take the place of the Alternative to Suspension On Campus Intervention Program.

Program's Alignment with Rochester City School District Strategic Goals:

Create a culture in which we hold ourselves accountable for student success.

Program Objectives:

- 1) Reduce the percentage rate of individual students grades K-12 suspended for 5 or fewer days
- 2) Reduce the number of suspensions (instances) for 5 or fewer days
- 3) Increase the percentage rate of students scoring in Levels 3 & 4 on NYS ELA Grades 3-8

Location:	30 Hart Street, various locations		
Grade level(s) of students served:	G.E. K-12	Funding:	General Fund/Various Grants

Program Description:

- Adult Basic Education (ABE) classes enable students to improve their academic skills prior to entering the Adult Secondary Education (ASE) program, where instruction is focused on preparation for the General Education Development (GED) Exam. English for Speakers of Other Languages (ESOL) classes enable students to improve English language literacy leading to participation in Adult Basic Education classes.
 - The General Education Development Test Preparation Program provides the necessary academic skills required for the GED exam, which leads to a NYS Alternative High School Equivalency Diploma. ~ ~ Note: Per NYSED guidelines, Adult Education programs may only assign GED test/ Equivalency Diploma attainment as a goal for students who enter the program functioning above the grade equivalent of 10.9. All other students who are pursuing GED exam have an increase in the National Reporting System (NRS) level (academic performance measured by grade equivalent) as a goal.
- *General Fund operates High School Equivalency Program (HSEP) and Alternative High School Equivalency Program (AHSEP) (16-20yr old mandatory age enrollment SY1112 = 384 students)

Program's Alignment with Rochester City School District Strategic Goals:

Create safe, engaging and nurturing school environment to enable student success.

Program Name: On Campus Intervention Program (OCIP) - Combined with In-School Suspension Program

Program Director: School Principal/Center for Youth Services **Chief:** Beverly Burrell-Moore

Program Category: Alternative to Suspension

Number of students served 2012-13: 10,751

Location: Schools #3, 4, 5, 9, 16, 17, 19, 22, 28 33, 36, 39, 43, Edison, East and Monroe

Grade level(s) of students served: Grade K-12 **Funding:** General Fund, IDEA

Program Description:
The Center for Youth/RCSD Alternative to Suspension Program is based on a prevention/intervention framework and is designed to reduce short-term out of school suspensions and increase students time spent academically engaged. This is achieved by providing social emotional and academic support to students who are exhibiting challenging behaviors in school. Students' individual needs are assessed and intervention services are matched to address problem behavior, enhance life skills and increase positive coping mechanisms in order to reduce the likelihood of the reoccurrence of the identified problem behavior. Beginning in 2013-14, this program has been combined with the In-School Suspension program.

Program's Alignment with Rochester City School District Strategic Goals:
Create safe, engaging and nurturing school environments that enable student success.

- Program Objectives:**
- 1) Reduce percentage rate of students in program suspended
 - 2) Increase percentage rate of students passing NYS ELA 3-8

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name: PATHS - Promoting Alternative Thinking Strategies

Program Director: Marjorie Lefler **Chief:** Anita Murphy

Program Category: Behavior

Number of students served 2012-13: 1,662

Location: PreK Programs at #2; K-6 classes at #2, #8, #10, #25 and #39

Grade level(s) of students served: PreK-Grade 6 **Funding:** Violence Prevention

Program Description:

In 2008-09, the Children's Institute began to train and coach RCSD teachers to deliver PATHS by integrating it into the regular school curriculum. PATHS is a research-based program developed by Dr. Mark Greenberg, Penn State University and recognized as a Model Program by the US Dept. of Education, US Dept. of Justice OJJDP, and US Dept. of Health & Human Services SAMSHA. The Children's Institute is the only authorized trainer in New York state. Children learn skills to reduce aggressive behavior that can be incorporated in teaching Emotional Literacy, Self-Control, Social Competence, Positive Peer Relations, and Interpersonal Problem Solving. This program is directed to students in grades PreK – 6. Evaluation is based on the Teacher Child Rating Scale (TCRS) on all children (both Pre/Post curriculum) as planned and recommended by the program developers. We plan to reduce the PATHS program from 7 to 4 schools in order to complete more intensive program evaluations of the impact on student behavior.

Program's Alignment with Rochester City School District Strategic Goals:

Create safe, engaging and nurturing school environment to enable student success.

Program Objectives:

- 1) Increase number of students taught to use positive interpersonal problem solving
- 2) Reduce number of suspensions for students using the PATHS methodology

Program Description:

School-wide Positive Behavior Support (SWPBS), as an approach to student problem behavior, emphasizes school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors. These systems of support are based on a three tiered medical model. The first level is Universal (school-wide), the second is Targeted (classroom/groups) and the third is Individual support. These systems are based on a continuum of positive behavior support for all students within a school and they are implemented in all areas of the building utilizing a data-based and team problem solving process.

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name:	Special Education Extended School Year (ESY)			
Program Director:	Heather Malone	Chief:	Beverly Burrell-Moore	
Program Category:	AIS / Response to Intervention			
Number of students served 2012-13:	250			
Location:	School #29 and NorthSTAR			
Grade level(s) of students served:	K-12	Funding:	General Fund, Special Aid	

Program Description:

The Special Education Extended School Year (ESY) Program is mandated by NYS Regulations of the Commissioner of Education (Part 200). The Committee on Special Education (CSE) determines a student's eligibility and services. ESY programs and services are provided to support the maintenance of skills for students who have severe disabilities and are likely to regress during the summer months. Skill information is received from home schools and IEP goals are evaluated again at the end of the program. Progress is reported to schools and families. This in-District ESY program supports elementary and secondary students in a 30-day full day program. Participation in the program is not mandatory. Student attendance and collaboration between school and families are important factors. A recent review of the program and the eligibility requirements has led to improved procedures, documentation, and instructional practices.

Program's Alignment with Rochester City School District Strategic Goals:

Ensure each student is academically prepared to succeed in college, life and global economy.

Program Objectives:

- 1) Maintain skills students mastered during the previous school year per IEP
- 2) Increase attendance rate

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name: Student and Family Support Centers

Program Director: Marjorie Lefler **Chief:** Anita Murphy

Program Category: Behavior

Number of students served 2012-13: 6,150

Location: #2, 8, 10, 25, 30, 39, 50, 60, 61, 63, 65, 66, 68, 73, 89, Edison Campus, Franklin Campus

Grade level(s) of students served: Grade K-12 **Funding:** Various Grants

Program Description:

Provides social-emotional support services including immediate crisis intervention, mediation, clinical/emergency mental health services, and linkages to needed services in the community. Each year between 4,500 - 6,000 students are served; 83% are in General Education; most have grade point averages of 1.9 or lower. The largest source of referral are the students themselves - the support centers provide the emotional safety and support that students will seek out in order to stay in school and succeed. Student Support Centers serve 24 - 65% of the schools' entire enrollment. When students are supported for two consecutive years, their rate of promotion to next grade/graduation is 80%.

Program's Alignment with Rochester City School District Strategic Goals:

Create safe, engaging and nurturing school environment to enable student success.

Program Objectives:

- 1) Increase the percentage rate of students promoted to the next grade
- 2) Increase the percentage rate of self referrals by students

PROGRAM PROFILES AND BUDGETS

2013 - 14 PROPOSED BUDGET

Program Name:	Title 1 SAS Supplemental Academic Services		
Program Director:	Cheryl Wheeler	Chief:	Michael Schmidt
Program Category:	Academic Acceleration		
Number of students served 2012-13:	6,500		
Location:	Approximately 60 locations		
Grade level(s) of students served:	Grade K-12	Funding:	Title I

Program Description:

Under the ESEA Flexibility Waiver, districts are no longer required to offer NCLB-mandated SES tutoring. Instead, the District is required to set-aside a minimum of 15% of Title I, Part A to meet new Federal and NYS requirements for these funds. RCSD uses a portion to support supplemental academic services (SAS) for students enrolled in Priority and Focus schools in order to meet rigorous NYS Common Core Standards. SAS is offered in our schools before/after school, during school recess, and during-the-day to support instruction in core academic classes. Services are provided by RCSD teachers, per-diem substitutes i.e. retired teachers, and contract service providers who completed and were recommended through a Request for Proposal (RFP) process. An individualized learning plan is created for all enrolled students. Consistent pre and post-test assessments are given to help measure student progress. The learning plan and progress reports are shared with parents up to 3 times during the course of SAS. Schools do not invoice for these services, and the cost incurred are paid using RCSD protocols. Contract service providers receive payment based on the program negotiated that includes program provided, number of students, number of tutors, and number of days/hours each student will receive instruction. Funds are released only after review of required documentation. Under SAS, over 2,000 more students will receive services due to a lower cost per pupil than was previously allowed under SES.

Program's Alignment with Rochester City School District Strategic Goals:

Ensure that each of our students is academically prepared to succeed in college, life, and the global economy.

Program Objectives:

- 1) Increase percentage rate of served students receiving ≥ 15 hours of SAS tutoring
- 2) Increase percentage rate of served students showing accelerated growth on NYS ELA 3-8 and NYS Math 3-8, compared to non-participants
- 3) Increase percentage rate of served students meeting or exceeding NYS Common Core Standards as demonstrated on NYS Regents exams.

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name: Universal Pre-Kindergarten

Program Director: Robin Hooper **Chief:** Beverly Burrell-Moore

Program Category: Early Childhood

Number of students served 2012-13: 1,915

Location: 29 District and 27 Community Based Organization sites

Grade level(s) of students served: Pre-Kindergarten **Funding:** A Fund, UPK, IDEA, Mgt Effic.

Program Description:

The PreK Program is a collaboration of District and community-based programs in 29 RCSD elementary schools and 20 community agencies at 27 sites. Focus is on the development of children’s literacy, math, and socialization skills in order for students to become lifelong learners. This includes the Rochester Preschool Parent Program at 16 schools, Florence Brown Center at #33, and programs for three-year-old children at #6, #10, #33, and 41. Full-day Bilingual PreK programs are provided at #6, #9, #33, and Montessori #53. Integrated Special Education classrooms are located at # 8, #19, #33, and #57. Students with disabilities receive itinerant and related services at all sites. Transportation is provided for the 3 year olds at #53 Montessori. 2013-14 adds a 3 year old AM/PM classroom at #33 Florence Brown PreK through the District’s Management Efficiency Grant.

Program's Alignment with Rochester City School District Strategic Goals:

Ensure each student is academically prepared to succeed in college, life and global economy.

Program Objectives:

- 1) Increase the number of students served in a full-day Universal Prekindergarten setting
- 2) Reduce Hispanic males gap with general population as measured by Child Observation Record in literacy/math
- 3) Maintain 10 days between Committee on Preschool Special Education and classroom placement
- 4.) Increase total percentage of eligible four year old residents that attend Universal Prek

Program Name:	Work Experience Program		
Program Director:	Shannon Alvarado	Chief:	Anne Brown-Scott
Program Category:	Special Education Program		
Number of students served 2012-13:	210		
Location:	Work Experience Program at the Edison Campus		
Grade level(s) of students served:	9-12	Funding:	General Fund, IDEA Grant

Program Description:

The Work Experience Program(WEP) provides special education students an opportunity to participate in a Career and Technical Education program. Students have the opportunity to choose from a variety of vocational classes to gain real-world experiences before leaving high school. Opportunities include Construction Technology, Recycling, Horticulture, Edison Cafe, Small Engine Repair, and Career Exploratory. In addition to participation in the class, students have the opportunity to take part in job shadowings and unpaid and paid internships to further their understanding of possible future job opportunities. The Project Search and TPSID transition programs are also a part of WEP.

Program's Alignment with Rochester City School District Strategic Goals:

Create a culture in which we hold ourselves accountable for student success.

Program Objectives:

- 1) Increase the number of students who participate in unpaid and paid internships
- 2) Increase post-secondary student outcomes: Competitive Employment, Supported Employment, Sheltered Workshop and Day Habitation
- 3) Provide students with the necessary resources--social worker, behavior specialist--to be successful in the social-emotional area

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name:	Young Mothers & Interim Health Academy (YMIHA)		
Program Director:	Donna Gattelarо-Andersen	Chief:	Anne Brown Scott
Program Category:	Alternative School Programs		
Number of students served 2012-13:	115		
Location:	Young Mothers and Interim Health Academy		
Grade level(s) of students served:	Grade 7-12	Funding:	General Fund

Program Description:
 The Young Mothers and Interim Health Academy provides a safe, challenging, supportive, and student-centered educational setting for pregnant RCSD students and Interim Health Academy students who have exhibited school avoidant behaviors, which are often the result of Post Traumatic Stress Disorder, anxiety, depression, or adjustments in medications. Students are ages 12-21 and in grades 7-12. Students attend the YMIHA until the end of the school year in which they give birth or were enrolled. Students are transferred back to their original home school at the end of the year. The program develops responsible, respectful, and self-motivated students with a focus on improved student performance in the areas of critical thinking and problem solving across subject areas. Counseling is an integral part of the program and instruction includes reproductive health, parenting, life skills, problem solving, graduation, and career goals. The program partners with the YWCA, which offers YPSS and Case Management for all pregnant students.

Program's Alignment with Rochester City School District Strategic Goals:

Ensure each student is academically prepared to succeed in college, life and the global economy.

Program Objectives:

PROGRAM PROFILES AND BUDGETS 2013 - 14 PROPOSED BUDGET

Program Name:	Youth & Justice - Incarcerated Youth	
Program Director:	Margaret Porter	Chief: Juliette Pennyman
Program Category:	Alternative School Programs	
Number of students served 2012-13:	1,300	
Location:	Monroe County Jail and Monroe County Correctional Facility	
Grade level(s) of students served:	Grades 7-12	Funding: General Fund, Title 1

Program Description:

The focus of the Monroe County Incarcerated Youth Programs is to maintain continuity of core course instruction as well as Regents Science Labs, Spanish, and Technology with students in regular high school programs, and to provide instruction and administer the GED Examination to students who have dropped out of Monroe County schools. The program provides students with literacy initiatives, transition counseling, technology literacy, workforce preparation skills, vocational education programming and supports instructional curriculum. The Program partners with the County of Monroe to support jail programming and transitioning youth back into the community. Homelessness, continued education, health related concerns, drug use and abuse, gang violence, and individual concerns that students cite as barriers to success in the community are addressed individually, in groups, and in classrooms as appropriate. GED Diploma earned refers to the percentage of eligible student candidates.

Program's Alignment with Rochester City School District Strategic Goals:

Ensure each student is academically prepared to succeed in college, life and global economy.

Administration Profiles & Budgets

**Board of Education
Management Financial Discussion and Analysis**

Division/Department Overview

The Board is responsible for educating the children of Rochester. The Board sets the strategic direction of the District through policy development and adoption, and provides oversight and direction to the District. The Board works with members of the local legislative delegation and lobbying organizations to ensure that the interests of the District are represented. The Office of Auditor General (OAG) and the Claims Auditor report directly to the Board in compliance with the Laws of New York. The OAG assists the Board with their oversight responsibility for audit, internal control, financial reporting, and compliance. The Claims Auditor assumes the powers and duties of the Board to ensure that only legitimate claims against the District are paid.

**Superintendent
Management Financial Discussion and Analysis**

Division/Department Overview

The Superintendent of Schools leads the School District in fulfilling its primary mission: To provide a quality education that ensures every child is academically prepared to succeed in college, life and the global economy. The Office of the Superintendent is focused on five goals that support this mission, with metrics and targets to track progress. The goals are student achievement and growth; parental and family involvement; communication and customer service; effective and efficient allocation of resources; and management systems. The Superintendent has chief executive authority for all aspects of District operations and is accountable for achieving these goals.

**Human Capital Initiatives
Management Financial Discussion and Analysis**

Division/Department Overview

Human Capital Initiatives is responsible for the development and implementation of workforce strategies that align with business needs, address critical talent issues, drive higher performance, and ensure an investment in people to meet the district priorities. Areas of focus include workforce effectiveness, benefit program effectiveness, assistance with reorganizations, HR function design, service delivery and technology, employee communication, and change management. Beginning with the 2013-2014 school year, Human Capital Initiatives will include the Department of Professional Learning and will be responsible for the professional development for all staff. A major priority of Human Capital Initiatives is to develop, leverage, and retain high-performing and high-potential talent. Talent management as a critical function of the department includes: 1) employee performance evaluations; 2) development of competency models, 3) clearly defining roles and job scope, 4) forecasting workforce needs, 5) identifying current talent pools and future leaders, 6) recruiting talent, 7) developing leaders, and 8) executing diversity and inclusion practices and policies.

Division/Department Overview

Information Management & Technology (IM&T) provides the management and support for the District's network infrastructure, data and voice networks, as well as core enterprise application systems in the areas of student and business operations. In addition, technical guidance is provided for the planning and acquisition of all technology equipment in our schools/facilities. Software development, Helpdesk support, problem determination and resolution, training, customer service and preventive maintenance of systems software are core competencies of this Division. IM&T integrates closely with all key areas of the Organization to ensure that District systems and processes can successfully support APPR, common core, state requirements, as well as student & staff needs in the delivery of education to our students. In 2012-13, IM&T has begun the shift to digital learning; an area which is projected for continued growth in future years as we work to ensure that our students have access to high quality educational material delivered in a technologically advanced environment.

Division/Department Overview

District Operations is responsible for providing safe, comfortable learning environments for every child in the District by overseeing the departments of Educational Facilities, School Food Services, Office of Adult & Continuing Education Services, School Social Workers, and Title I Administration. The goal of Operations is to deliver efficient services to the schools and students in order to provide excellent learning environments, nutritional meals and safe transportation in a manner that is cost effective. The Chief of Operations also works collaboratively with our colleagues at City Hall and the Rochester Joint Schools Construction Board (RJSCB) to administer the Rochester Schools Modernization Project. Please note that the Food Service budgets are now shown in the School Support section of the Budget Book.

**School Safety
Management Financial Discussion and Analysis**

Division/Department Overview

School Safety and Security is committed to the safety of our students, staff and visitors, the security of all district facilities, and creating safe school environments. The Department collaborates with district staff and community partners to: reduce VADIR incidents (Violent and Disruptive Incident Reporting); and ensure district staff is prepared to plan for, respond to, and recover from critical incidents. School Safety supports the district’s goals in creating safe, engaging and nurturing school environments that enable student success. Relevant training, professional development, data analysis, safety assessments, incident reviews, exploration, and enhancement opportunities show commitment to this initiative. The department conducts thorough and impartial internal investigations to ensure the integrity of the district and the professionalism demonstrated by district employees.

**General Counsel
Management Financial Discussion and Analysis**

Division/Department Overview

The General Counsel's mission is to advance the cause of urban education, render legal advice to the Superintendent of Schools, Board of Education and various departments, and zealously represent the District in matters relating to State and Federal laws, regulations and policies. The General Counsel serves as the District's advocate in legal and quasi-legal proceedings involving students, employees, governmental entities, and private citizens. The legal staff also provide counsel on a daily basis to schools and District administrators.

Division/Department Overview

Specialized Services is responsible for the implementation and oversight of all regulations as they pertain to students with disabilities. This department offers a full continuum of special education services and programs and is committed to providing appropriate high quality education for students with disabilities in the least restrictive environment. The District's committees and subcommittees on Special Education determine eligibility for special education services and the development of Individual Education Plans, assuring due process to parents and students, and providing technical support to staff. This Office is also responsible for the administration and oversight of related services such as school psychology, speech and language therapy, state mandated screening, audiology, occupational and physical therapy, extended school year program, tuition expenses and management of the IDEA grant.

**Debt Service
Management Financial Discussion and Analysis**

The City of Rochester (“the City”), on behalf of the District, contracts indebtedness in accordance with terms outlined in the City’s Charter. The limitation of 9% for indebtedness, as set forth in Chapter 4 of Article VIII of the Constitution of the State of New York, is allocated by the City’s Charter on the basis of 5.5% for municipal indebtedness as determined by City Council and 3.5% for indebtedness for educational purposes as determined by the Board of Education.

The District utilizes the Debt Service Fund to account for the accumulation of resources and the payment of general long-term debt principal, interest, and related costs.

Taxable Build America Bond (Bonds) is a federally subsidized bond used for qualified capital expenditures designed to stimulate the economy and it matures in February 2019.

American Recovery and Reinvestment Act (ARRA) Tax Exempt Municipal Bond (Bonds) matures in February 2024.

General Obligation Bonds (Bonds) are long-term debt instruments used to fund capital projects associated with the District’s Capital Improvement Program and the Facilities Modernization Plan, with maturity dates that vary through February 2029.

Bond Anticipation Notes (BAN) are short-term debt instruments that are periodically converted into bonds and mature one year from the date of issuance or renewal. All BANs are converted into bonds as of February 2013.

Taxable Qualified School Construction Bond (Bonds) is a federally subsidized bond issued by the County of Monroe Industrial Development Agency (COMIDA) to finance the renovation of certain school facilities in accordance with the Facilities Modernization Program.

Energy Performance Contracts (Capital Leases) are long-term debt instruments used to finance energy savings projects in schools and maturity dates vary through July 2018.

Revenue Anticipation Note (RAN) is a short-term debt instrument similar to a temporary line of credit, which is used to cover anticipated cash deficits while ensuring continuity in operations and educational services and matures within one year from date of issuance. Anticipated interest for 2013-14 is \$166,666.

DISTRICT-WIDE NON-PROGRAM EXPENSE

The District-Wide Non-Program Expense cost center includes major expense budgets related to the organization, but not directly tied to a specific program or department. Examples include: indirect cost support for grants, funds to support the District's long-term capital plan, and grant disallowances.

Salary Compensation

The Non-Program Expenses salary budget includes staffing turnover and vacancy savings that occur throughout the year.

Other Major Activities

- Insurance Non-Employees - This budget covers Property and Liability Insurance, as well as School Board Liability Insurance.
- Cash Capital Expenditures - These expenditures are funded with cash rather than Debt Service. Under Governmental Accounting Rules, the District must include Cash Capital as a single cost item in the General Fund budget. In effect, it is treated as an inter-fund expense.
- Agency Clerical - This budget represents temporary labor costs. Paraprofessional, clerical, and other civil service substitutes are funded from this central budget.
- Judgments and Claims - These funds defray the costs of legal claims against the District that are not covered by insurance.
- Grant Disallowances – This budget includes costs of programs accounted for in the Special Aid Fund that are not reimbursed by the funding organization. This includes program costs, such as Pre-School Special Education services, whose reimbursement rates are not sufficient to fully fund the program.
- Indirect Costs - The District is allowed to charge overhead cost allocations to grants for reimbursement purposes. These costs are not specifically identified. They are, instead, a percentage of grant dollars to be used as an offset to District administrative costs. They are included in the Non-Program Expense group as they do not represent offsets to specific expenditures.

EMPLOYEE BENEFITS

The District provides employee benefits based on collective bargaining agreements and New York State (NYS) Labor Laws. The expenditures in this area cover health insurance, retirement plans, Social Security, illness leave, and other insurance and contractual benefits.

- Health and Dental Group Insurance Plans – The District provides health insurance coverage to active employees and retirees; active employees and some retirees are eligible to enroll in group dental plans. The District is self-insured, and utilizes a Third Party Administrator to manage the claims for District employees.
- Retirement Plans – This budget provides contributions to the NYS Teachers' Retirement System and the NYS Employees' Retirement System for active employees. The Teachers Retirement System Board of Directors and the New York State Comptroller determine the employer rate of contribution required each year to maintain the fiscal integrity of each plan. The rates are based upon actuarial cost projections, anticipated retirement fund investment earnings, and projected employer and employee contributions.
- Social Security – The Federal Insurance Contribution Act (FICA) requires employers and employees to contribute 6.2% of salary towards retirement, and an additional 1.45% towards Medicare.
- Unemployment Insurance – The District is self-insured for unemployment and provides a quarterly payment to the NYS Unemployment Office based on actual claims paid.
- Workers' Compensation – The District is self-insured, and utilizes a Third Party Administrator to manage the workers' compensation claims for District employees.
- Employee Assistance Program (EAP) – The District provides free and confidential counseling services through a formal EAP plan, accessible to all employees and their families.
- Life and Disability Insurance – These group plans provide insurance coverage available to employees in accordance with collective bargaining agreements.
- Paid Illness Leave – The District's employees are provided with contractual long term illness benefits (catastrophic illness leave) for unexpected health-related absences. Civil Service employees are also eligible for a short-term disability leave (Extended Sick Leave at half-pay). Teachers are eligible to apply for PAB (paid absence bank) days through the RTA but funded by the District.
- Flexible Spending Accounts (Section 125 Plans) – FSAs are tax-advantaged financial accounts that allow employees to set aside a portion of their pre-tax earnings to cover dependent or medical expenses, with administrative expenses borne by the District. Medical Reimbursement Accounts (Section 105 Plans) are available to ASAR members who qualify for the Attendance Incentive, upon retirement.

Other Contractual Benefits – additional benefits include early retirement and attendance incentives, tuition reimbursement, moving costs, and vacation pay in lieu of vacation time.

CAPITAL IMPROVEMENT PROGRAM

2013-2014 to 2017-2018 Capital Improvement Program

Proposed Facility Renovations

Capital renovations for school district facilities are typically completed on a three-year rotation. The funding is allocated to the schools eligible within a specific year based on the results of the building audit and an annual review of building needs. Building Principals are also contacted to determine specific renovations to meet program needs. Annual project funding comes primarily from bond funding but is supplemented from other sources, when available. Cash capital is the primary source of supplemental funding consisting of annual inspection project funding and the District’s replacement program.

In any fiscal year, projects at each school are at various stages of funding: construction or design. The District configures its proposed borrowing schedule for future projects so that the total project costs are borrowed over a two-year period, with 20 percent being borrowed to cover preliminary design and development costs; the remaining 80 percent of the project costs being borrowed in the subsequent year to cover the proposed construction costs.

GLOSSARY

Accrual Basis of Accounting

The accounting policies of the Rochester City School District conform to generally accepted accounting principles. The basis of accounting is the modified accrual method, wherein revenues are recognized in the period in which they become available and measurable and expenditures are recognized at the time a liability is incurred, except for principal and interest on long-term debt, which are recorded when due.

Actuals

The amount the District has spent in a given period as opposed to original budget estimates.

Advanced Placement (AP)

A program developed by College Board that offers college level courses and end-of-course college credit eligible exams to high school students.

Amended Budget

A budget with adjustments to the original budget that has been adopted by the Board of Education.

Adopted Budget

The annual financial plan, listing estimated revenues and expenditures for a fiscal year, and is formally adopted by the Board of Education. Before the budget is adopted, it is known as the Proposed Budget.

Annual Professional Performance Review (APPR)

School Administrator and Teacher performance reviews based on student achievement as measured by a combination of student growth on state assessments and locally selected student performance indicators.

Appropriation

An authorization to expend funds for stated purposes.

Assessment

Each year the District assesses student performance for identifying areas to target for improvement. The assessment is the cornerstone for the District's planning process and the development and implementation of initiatives.

Attrition

The difference between actual expenditure requirements for personnel resources and expenditure requirements that would be required if all positions were filled at all times. The attrition factor accounts for position vacancies, which result from routine employee turnover.

Average Daily Attendance (ADA)

The total days of attendance for a period divided by the number of days in which school is in session.

Balanced Budget

A budget in which income/revenues equal expenses.

GLOSSARY – continued

Basic Educational Data System (BEDS)

System for collecting district/school student enrollment and staff counts. The data is then submitted to the State Education Department.

Bilingual Education

Programs designed to help students who have limited English proficiency (primarily geared towards Spanish and/or Latin American dialects).

Bond Anticipation Note

A note which may be redeemed using the proceeds from the future sale of a serial bond. A note is a short-term borrowing instrument, usually requiring repayment within one year of issuance.

Capital Improvement Plan

The Rochester City School District's Capital Improvement Plan and Cash Capital Plan is a five-year financing strategy for the construction and reconstruction of facilities, the acquisition and replacement of vehicles and equipment, and the completion of other long-term capital projects.

Cash Capital

The cash capital expenditures are for the purchase of equipment, textbooks, library books, and building renovations. Cash capital appropriations exclude those renovation projects that require the use of borrowing. The cash capital expenditures are distributed in each program and departmental budget.

Career Technical Education (CTE)

A program of study involving a multiyear sequence of courses that integrates core academic knowledge with technical and occupational knowledge (I.e. trade skills) to provide students with a pathway to postsecondary education and careers.

Categorical Grants/Funds

Funds the District receives from another entity earmarked for use exclusively for specific programs, such as Special Education, or activities such as transportation. Categorical funds are also referred to as restricted funds because they cannot be used for purposes other than to cover the expenses of a specific program/activity set by the funding agency.

Certificated Employee

A District employee whose position requires certification by the State of New York. Teachers and most administrators must meet New York requirements for certification issued by the State Commission on Teacher Credentialing. Teachers operating under an emergency permit are included in this category. Examples of staff that are credentialed for a specific function include teachers, counselors, psychologists, social workers, librarians, principals and assistant principals, certificated central office managers, resource teachers, content administrators and peer coach/staff developers.

Common Core Learning Standards

The New York State P-12 Common Core Learning Standards (CCLS) are internationally-benchmarked and evidence-based standards. These standards serve as a consistent set of expectations for what students should learn and be able to do, to ensure that every student across New York State is on track for college and career readiness.

GLOSSARY – continued

Data Driven Instruction (DDI)

Data Driven Instruction and Inquiry (DDI) is a precise and systematic approach to improving student learning throughout the year. The inquiry cycle of data-driven instruction includes assessment, analysis, and action and is a key framework for school-wide support of all student success.

Debt Service

The District's debt service is maintained in the Debt Service Fund which resources for the payment of general long-term debt principal, interest and related costs. Debt service includes taxable bond principal and interest, Revenue Anticipation Note interest, Bond Anticipation Note principal and interest, and capital leases.

Deficit

The amount by which expenses exceed revenues in a fiscal year.

Departmental Credits

A charge from one department to another for services rendered (e.g. printing, rental costs and automotive repairs).

Employee Benefits

The direct expenditures, other than salaries, associated with employee compensation. In the budget, employee benefits **are not** distributed by programs or departments. Benefits include retirement system contributions, social security contributions, medical and dental insurance, workers' compensation, unemployment payments and life insurance.

Enrollment

The total number of students enrolled, whether resident or non-resident, at a site or home-bound or in a qualifying alternative program. Enrollment is not the same as Average Daily Attendance (ADA). Enrollment will exceed ADA, since not every student achieves perfect attendance.

Fiscal Year

RCSD operates on a fiscal year beginning on July 1st and ending on June 30th.

Full-Time Equivalent (FTE)

Classified employees who work an average of 35-40 hours per week are categorized as 1.0 FTE. For example, an employee who works 20 hours per week is counted as 0.5 FTE.

Generally Accepted Accounting Principles (GAAP)

Accounting standards such as conventions, broad guidelines, rules, procedures, and detailed practices that pertain to universally accepted financial accounting and reporting practices.

Government Accounting Standards Board (GASB)

A federal organization that promulgates standards of financial accounting and reporting with respect to state and local government entities.

Government Finance Officers Association (GFOA)

A national association whose purpose is to enhance and promote the professional management of governments for the public benefit by identifying and developing financial policies and practices and promoting them through education, training and leadership. The GFAO rates outstanding budget documents according to highly specific criteria, honoring organizations who meet these criteria with the annual GFOA Distinguished Budget Presentation Award.

GLOSSARY – continued

Individualized Education Program (IEP)

Individual Education Program designed for students with special needs.

Mentor Teachers

Specially selected teachers who receive a stipend to work with inexperienced teachers on improving curriculum and instructional practices.

No Child Left Behind (NCLB) Act

The No Child Left Behind Act of 2001 became law in January 2002, effecting extensive changes to the Elementary and Secondary Education Act of 1965. Under NCLB: 1. All states and school districts are required to develop accountability systems based on student performance and to test students in grades 3-8 on reading, math and (eventually) science; 2. Every school is expected to make Adequate Yearly Progress (AYP) in meeting state standards; 3. Parents of children in failing schools are allowed to transfer the child to a better performing school. The law also gives states and school districts increased local control and flexibility in the use of federal education funds.

Performance Indicators

Measures of performance because of a specific activity, program initiative, or service rendered.

Persistently Lowest Achieving (PLA)

This is a school in the Restructuring Phase of New York’s Differentiated Accountability System. PLA status applies if the 2008-09 school year results reveal an average Performance Index for the “All Students” group in English Language Arts and Mathematics of 146.5 or less; AND a school fails to make at least a 25 point gain on each ELA and mathematics measure for which the school was accountable between SY 2005-06 and SY 2008-09 OR the graduation rate is below 60 percent for the All Students group on its 2002, 2003, and 2004 graduation rate cohort.

Program Based Budgeting (PBB)

Program Based Budgeting is a program-based format that supplements the traditional Budget Book report format. PBB is a format that links programs to the Board of Education/Superintendent goals and objectives and provides measures of achievement to evaluate the program. This information supplements the traditional program narrative and financial information.

Program Initiatives

Based on an assessment, program initiatives are developed to target resources for addressing specific problems related to student performance, attainment, attendance, and behavior.

Revenue Anticipation Note (RAN)

A RAN is a short-term borrowing instrument issued in anticipation of a known and quantifiable future revenue source (i.e., a RAN may be issued in anticipation of the collection of revenue sources later in the fiscal year).

School and District Accountability Continuum

At the end of the 2011-12 school year, NY will sunset the current accountability continuum of schools and districts in improvement, corrective action and restructuring based on failure to make AYP. Instead, five percent of the schools in the state will be identified as “Priority” and ten percent as “Focus” schools. Priority schools are among the lowest performing schools in the state based on combined ELA and math performance that are not showing progress or that have had graduation rates below 60% for the last several years. These schools must no later than the 2014-

GLOSSARY – continued

15 school year implement a whole school reform model that fully incorporates federal requirements for school turnaround. “Focus” schools are located in “Focus Districts,” which are those districts that either have the lowest achieving students or the lowest graduation rates for a particular student group. Districts with one or more “Priority” schools are automatically designated as “Focus” districts. Within these districts, “Focus” Schools are those that are lowest performing or have the lowest graduation rates for the subgroups for which the districts are identified. Reward Schools, in contrast, are among those in the state that are the highest achieving or are making the most progress.

Reward Schools

High performance or high progress schools that are among those in the state that are the highest achieving or are making the most progress.

Schools in Good Standing

Schools that are not classified as Priority, Focus or Local Assistance Plan Schools

Local Assistance Plan School

School that is not a Priority or Focus School that has large gaps in student achievement among subgroups of students, or has failed to make AYP for three consecutive years with same subgroup on same measure, or is located in a non-Focus District but is among the lowest in the state for the performance of one or more subgroups and for which the school is not showing progress.

Focus Schools

Schools that have either the greatest numbers or greatest percentage of non-proficient student results and non-graduate student results in the group(s) for which a district is identified as a Focus District.

Priority Schools

Schools that have had graduation rates below 60% for the 2004, 2005 and 2006 4 year Graduation Cohorts, or are among the lowest performing in ELA and math combined and have failed to show progress.

Schools of Choice

RCSD offers student an opportunity to attend a school that is not their neighborhood school.

Special Education (SPED)

Special Education is a category of programs that deliver educational services to students with diverse special needs. These programs provide instruction and services specially designed to meet each special education student’s unique needs. Programs include classroom instruction, home instruction, instruction in hospitals and institutions, or other settings.

The Federal Law that supports special education and related services is the Individuals with Disabilities Education Act (IDEA). The department currently provides services to approximately 5,200 students with disabilities. Types of disabilities include learning disabilities, emotional disturbance, speech and language impairments, orthopedic impairments, hearing and vision impairments, cognitive impairments, autism and medical fragility.

State Aid

The primary type of State Aid is provided through Foundation Aid, which can be used for any purpose or program.

GLOSSARY – continued

Title I

This federal program provides funds for educationally disadvantaged (low-income) students. Title I monies are intended to supplement state and District funds, with schools involving parents in deciding and monitoring how funds are spent. Title I is the largest federal program included in the No Child Left Behind (NCLB) Act. Funds are generated based on poverty. The use of the funds is determined by need.

The District was reviewed by the New York State Education Department (NYSED). Changes implemented by this visit included establishing an objective and consistent method for allocating funds to schools in keeping with the intent of Title I and to provide equitable distribution of the funds. The allocation to schools will hold schools to a higher level of accountability for results, give parents greater choices and opportunity for input, and promote teaching methods that work.

The New York State Report Card is an important part of the Board of Regents' effort to raise learning standards for all students. It provides information to the public on school/district enrollment and staff, student performance, and other measures of school and district performance. Knowledge gained from the report card on a school's or district's strengths and weaknesses can be used to improve instruction and services to students.

State assessments are designed to help ensure that all students reach high learning standards. They show whether students are getting the knowledge and skills they need to succeed at the elementary, middle, and commencement levels and beyond. The State requires that students who are not making appropriate progress toward the standards receive academic supports.

Enrollment Information

Enrollment counts are as of Basic Educational Data System (BEDS) day, which is typically the first Wednesday of October of the school year. Students who attend BOCES programs on a part-time basis are included in a school's and district's enrollment. Students who attend BOCES on a full-time basis or who are placed full time by the district in an out-of-district placement are not included in a school's or district's enrollment. The state public enrollment includes public school districts, charter schools, and NYSED-operated programs. Students classified by districts as "pre-first" are included in first grade counts. Kindergarten and Pre-K counts include half- and full-day students.

Average Class Size Information

Average Class Size is the total registration in specified classes divided by the number of those classes with registration. Common Branch refers to self-contained classes in Grades 1-6.

Demographic Factors Information

Eligible for Free Lunch and Reduced-Price Lunch percentages are determined by dividing the number of approved lunch applicants by the Basic Educational Data System (BEDS) enrollment in full-day Kindergarten through Grade 12.

Attendance and Suspensions Information

Annual Attendance Rate is determined by dividing the school's (or district's) total actual attendance by the total possible attendance for a school year. A school's (or district's) actual attendance is the sum of the number of students in attendance on each day the school (or district's schools) was open during the school year. Possible attendance is the sum of the number of enrolled students who should have been in attendance on each day the school (or schools) was open during the school year. The state's *Annual Attendance Rate* is a weighted average of all district-level attendance rates.

Student Suspension rate is determined by dividing the number of students who were suspended from school (not including in-school suspensions) for one full day or longer anytime during the school year by the Basic Educational Data System (BEDS) day enrollments for that school year. A student is counted only once, regardless of whether the student was suspended one or more times during the school year.

Teacher Qualifications Information

The *Percent Teaching Out of Certification* for public schools is the percent doing so on more than an incidental basis; that is, the percent teaching for more than five periods per week outside certification.

Core Classes are primarily K-6 common branch, English, mathematics, science, social studies, art, music, and foreign languages. To be *Highly Qualified*, a teacher must have at least a Bachelor's degree, be certified to teach in the subject area or otherwise in accordance with state standards, and show subject matter competency.

In public schools, a teacher who taught one class outside of the certification area(s) is counted as *Highly Qualified* provided that 1) the teacher had been determined by the school or district through the HOUSS process or other state-accepted methods to have demonstrated acceptable subject knowledge and teaching skills and 2) the class in question was not the sole assignment reported. Credit for incidental teaching does not extend beyond a single assignment. Independent of *Highly Qualified Teacher* status, any assignment for which a teacher did not hold a valid certificate still registers as teaching out of certification.

In charter schools, a teacher is counted as *Highly Qualified* if the teacher has at least a Bachelor's degree, is certified to teach, and shows subject matter competency. Enabling legislation considers charter school teachers to be certified if they hold any valid teaching certificate. Enabling legislation also permits up to 30 percent (with a maximum of five) of charter school teachers to be without certification and to be considered *Highly Qualified* if they meet all remaining criteria.

High-poverty and *low-poverty* schools are those schools in the upper and lower quartiles, respectively, for percentage of students eligible for a free or reduced-price lunch.

Teacher Turnover Rate Information

Teacher Turnover Rate for a specified school year is the number of teachers in that school year who were not teaching in the following school year divided by the number of teachers in the specified school year, expressed as a percentage.

Staff Counts Information

Other Professionals includes administrators, guidance counselors, school nurses, psychologists, and other professionals who devote more than half of their time to non-teaching duties.

2 Student Performance

District ROCHESTER CITY SCHOOL DISTRICT

District ID 26-16-00-01-0000

This section contains annual assessment data for students at the elementary, middle, and commencement levels as well as the performance of secondary-level cohorts on standardized achievement assessments.

New York State Testing Program (NYSTP) Assessments

The New York State Testing Program assessments are administered in English language arts (ELA) and mathematics in grades 3 through 8. The Performance Level Descriptors for these assessments are provided below:

English Language Arts

Level 1: Below Standard

Student performance does not demonstrate an understanding of the English language arts knowledge and skills expected at this grade level.

Level 2: Meets Basic Standard

Student performance demonstrates a partial understanding of the English language arts knowledge and skills expected at this grade level.

Level 3: Meets Proficiency Standard

Student performance demonstrates an understanding of the English language arts knowledge and skills expected at this grade level.

Level 4: Exceeds Proficiency Standard

Student performance demonstrates a thorough understanding of the English language arts knowledge and skills expected at this grade level.

Mathematics

Level 1: Below Standard

Student performance does not demonstrate an understanding of the mathematics content expected at this grade level.

Level 2: Meets Basic Standard

Student performance demonstrates a partial understanding of the mathematics content expected at this grade level.

Level 3: Meets Proficiency Standard

Student performance demonstrates an understanding of the mathematics content expected at this grade level.

Level 4: Exceeds Proficiency Standard

Student performance demonstrates a thorough understanding of the mathematics content expected at this grade level.

New York State Alternate Assessment (NYSAA)

The New York State Alternate Assessments are administered in English language arts (ELA) and mathematics to ungraded students with severe cognitive disabilities whose ages are equivalent to graded students in grades 3 through 8 and secondary level. They are administered in science to students with disabilities age equivalent to graded students in grades 4, 8, and secondary level. And they are administered in social studies at the secondary level only.

New York State English as a Second Language Achievement Tests (NYSESLAT)

The New York State English as a Second Language Achievement Tests are administered in grades K through 12 to limited English proficient students.

Secondary-Level Cohorts

A secondary-level cohort consists of all students who first entered grade 9 anywhere or, in the case of ungraded students with disabilities, reached their seventeenth birthday in a particular year. The 2008 cohort consists of all students who first entered grade 9 anywhere or, in the case of ungraded students with disabilities, reached their seventeenth birthday between July 1, 2008 and June 30, 2009. The 2007 cohort consists of all students who first entered grade 9 anywhere or, in the case of ungraded students with disabilities, reached their seventeenth birthday between July 1, 2007 and June 30, 2008. For more detailed information on cohort definitions, see *Secondary-Level Cohort Definitions* at <http://www.p12.nysed.gov/irs/sirs/>.

NOTE

The National Assessment of Educational Progress (NAEP), developed in 1969, is a nationally representative assessment of the performance of United States' students in mathematics, reading, science, writing, the arts, civics, economics, geography, and U.S. history. The NAEP assessment is administered to a sampling of schools across New York State. Teachers, principals, parents, policymakers, and researchers use NAEP results to assess progress and develop ways to improve education in the United States. As part of a federal requirement, NYSED is publishing these statewide results on NAEP. There are no consequences for schools, teachers, or students based on NAEP results.

The New York State Accountability Report 2011-12

DISTRICT: ROCHESTER CITY SCHOOL DISTRICT
DISTRICT ID: 261600010000
SUPERINTENDENT: BOLGEN VARGAS
PHONE: 585-262-8378

Data in this report are those reported by districts in the Student Information Repository System as of August 24, 2012.

On May 29, 2012, the United States Department of Education (USDE) approved New York's Elementary and Secondary Education Act (ESEA) waiver. This waiver provides New York with increased flexibility to help close the achievement gap and assist students in becoming college and career ready. New York's waiver introduced a system of identifying districts and/or schools as **Reward, Focus, or Priority**, based on performance in English language arts (ELA), mathematics, and science at the elementary/middle level and in ELA, mathematics, and graduation rate at the secondary level. More information on the waiver is available at <http://www.p12.nysed.gov/esea-waiver/>.

Data in The New York State Accountability Report are those used to determine **Performance Indices (PIs)** and make **Adequate Yearly Progress (AYP)** determinations which, in turn, are used to assist in identifying districts and schools as Reward, Focus, and Priority. Explanations of how the data are used to make the determinations are available at <http://www.p12.nysed.gov/accountability/ESEAMaterials.html>.

Adequate Yearly Progress and Performance Indices

Performance Indices (PIs) and Unweighted Combined PIs are used to determine if a district or school is Priority or Focus. Adequate Yearly Progress (AYP) for accountability groups (all students, racial/ethnic groups, students with disabilities, limited English proficient students, and economically disadvantaged students) and PIs for accountability groups and non-AYP groups (non-racial/ethnic groups, general-education students, English proficient students, not economically disadvantaged students, male and female students, and migrant and non-migrant students) are used to determine if a district or school is Reward or a school requires a Local Assistance Plan. For more information, see http://www.p12.nysed.gov/accountability/documents/NYSESEAFlexibilityWaiver_REVISED.pdf

Adequate Yearly Progress

In accordance with federal and State laws, the New York State Education Department must determine and report on the performance of students in the following areas:

- 1) Elementary/middle-level (grades 3 - 8) English Language Arts (ELA)
- 2) Elementary/middle-level (grades 3 - 8) Mathematics
- 3) Elementary/middle-level (grades 4 and 8) Science
- 4) Secondary-level (grades 9-12) ELA
- 5) Secondary-level (grades 9-12) Mathematics
- 6) Graduation Rate

This performance is determined by identifying whether or not a district or school made "**Adequate Yearly Progress**" (AYP). AYP indicates satisfactory progress by a district or a school toward the goal of proficiency for all students. In ELA, mathematics, and science, AYP is determined by comparing the percentage of students tested and the performance of tested students against defined standards. In graduation rate, AYP is determined by comparing the percentage of students graduating against defined standards.

Standards for English Language Arts, Mathematics, and Science

Participation: In ELA and mathematics, 95% of students in each accountability group with 40 or more members must be tested to meet the participation criterion. In science, 80% must be tested.

Performance: In ELA and mathematics, a calculated measure of performance called the "**Performance Index**" (PI) for each accountability group with 30 or more members must equal or exceed a preset objective called an "**Effective Annual Measurable Objective**" (EAMO) or a safety net objective called a "**Safe Harbor Target**." In science, the criterion for performance is the same but the safety net is referred to as a "**Progress Target**."

Districts and schools must meet both the participation and performance criteria for all groups with sufficient numbers to make AYP.

Standards for Graduation Rate

Districts and schools with secondary-level grades are also held to certain standards for the percentage of students who graduated. To make AYP in graduation rate, every accountability group with 30 or more members must make AYP. For a group to make AYP, the graduation rate of the 4-year graduation-rate total cohort or the 5-year graduation-rate total cohort must equal or exceed the Graduation-Rate Standard of 80% or the group's Progress Target. A cohort is a group of students who entered grade 9 anywhere in a particular school year. Graduation rates for these cohorts are then determined 4 and 5 years after the students first enter grade 9.

For more information on how AYP and PIs are determined, see "Determining AYP in 2011-12" under Understanding Accountability in New York State at <http://www.p12.nysed.gov/irs/accountability/>.

DISTRICT: ROCHESTER CITY SCHOOL DISTRICT

DISTRICT ID: 261600010000

Adequate Yearly Progress: In elementary/middle-level (grades 3 - 8) English language arts (ELA), districts and schools must meet both the participation and performance criteria to make Adequate Yearly Progress (AYP).

Participation: To meet the participation criterion, at least 95% of students in each accountability group with 40 or more members must be tested on an appropriate ELA assessment.

Performance: To meet the performance criterion, the Performance Index (PI) of students in each accountability group with 30 or more members must be equal to or greater than the Effective Annual Measurable Objective (EAMO) or the Safe Harbor Target.

All accountability groups met the participation and performance criteria (made AYP): NO

BEDS Day (Basic Educational Data System Day): BEDS Day is the first Wednesday in October of the school year.

On/Off Track Performance: Students who score at Level 1 or 2 and are on track to proficiency are those who have shown significant growth over their performance the previous year. Those not on track to proficiency have not shown significant growth.

Performance Index (PI): A PI is a value from 0 to 200 that is assigned to an accountability group, indicating how that group performed on a required State test (or approved alternative). Student scores on the tests are converted to six performance levels: Level 1 On Track, Level 1 Not On Track, Level 2 On Track, Level 2 Not On Track, Level 3, and Level 4. A PI is calculated using the levels and the following equation: $[(2(\text{Count at Level 1 On Track}) + \text{Count at Level 2 Not On Track} + 2(\text{Count at Level 2 On Track}) + 2(\text{Count at Level 3}) + 2(\text{Count at Level 4})) \div (\text{Count of Tested Students})] \times 100$

Effective Annual Measurable Objective (EAMO): The EAMO is the PI value that each accountability group of a given size within a district or school is expected to achieve to meet the performance criterion. The EAMO table is available at <http://www.p12.nysed.gov/irs/accountability/> under the header "Annual Measurable Objectives."

Safe Harbor Target: Safe Harbor provides an alternate means to meet the performance criterion for accountability groups whose PIs are less than their EAMOs. The 2011-12 Safe Harbor Target is calculated using the following formula: $2010-11 \text{ PI} + (200 - \text{the } 2010-11 \text{ PI}) \times 0.10$.

Unweighted Combined ELA and Math Performance Indices (PIs)

The unweighted combined ELA and math Performance Index (PI) is the sum of the PIs for all measures for which the school/district has 30 or more students in the group divided by the number of measures for which the school/district has 30 or more students in the group. For example, EM ELA = 150, EM Math = 180, HS ELA = 140, HS Math = 160: $(150 + 180 + 140 + 160) \div 4 = 157.5 = 158$.

Graduation Rate: AYP

DISTRICT: ROCHESTER CITY SCHOOL DISTRICT

DISTRICT ID: 261600010000

Adequate Yearly Progress: To make AYP in graduation rate, every accountability group with 30 or more members must make AYP. For a group to make AYP, the graduation rate of the 4-year graduation-rate total cohort **OR** the 5-year graduation-rate total cohort must equal or exceed the Graduation-Rate Standard of 80% or the group's Progress Target.

All accountability groups made AYP: NO

2007 Four-Year Graduation-Rate Total Cohort

The 2007 four-year graduation-rate total cohort consists of all students who first entered grade 9 anywhere between July 1, 2007 and June 30, 2008. Four-year graduation-rate results for these students are captured as of August 31, 2011.

Graduation Rate

The graduate rate for the 2007 four-year graduation-rate total cohort is the percentage of cohort members who earned a local or Regents diploma by August 31, 2011.

Progress Target

The Progress Target for the 2007 four-year graduation-rate total cohort is a 10% gap reduction in the graduation rate of the 2006 four-year graduation-rate total cohort as of August 31, 2010. The following equation is used to determine the 2007 four-year graduation-rate total cohort progress target:

$$[(80 - \text{the graduation rate of the 2006 four-year graduation-rate total cohort}) \times 0.1] + \text{the graduation rate of the 2006 four-year graduation-rate total cohort}$$

2006 Five-Year Graduation-Rate Total Cohort

The 2006 five-year graduation-rate total cohort consists of all students who first entered grade 9 anywhere between July 1, 2006 and June 30, 2007. Five-year graduation-rate results for these students are captured as of August 31, 2011.

Graduation Rate

The graduate rate for the 2006 five-year graduation-rate total cohort is the percentage of cohort members who earned a local or Regents diploma by August 31, 2011.

Progress Target

The Progress Target for the 2006 five-year graduation-rate total cohort is a 20% gap reduction in the graduation rate of the 2005 five-year graduation-rate total cohort as of June 30, 2010. The following equation is used to determine the 2006 five-year graduation-rate total cohort progress target:

$[(80 - \text{the graduation rate of the 2005 five-year graduation-rate total cohort}) \times 0.2] + \text{the graduation rate of the 2005 five-year graduation-rate total cohort}$

The New York State School Report Card
 Fiscal Accountability Supplement
 for
 Rochester City School District

New York State Education Law and the Commissioner's Regulations require the attachment of the NYS School Report Card to the public school district budget proposal. The regulations require that certain expenditure ratios for general education and special education students be reported and compared with ratios for similar districts and all public schools. The required ratios for this district are reported below.

2010-2011 School Year		General Education	Special Education
This School District	Instructional Expenditures	\$316,067,177	\$169,624,308
	Pupils	32,945	6,371
	Expenditures Per Pupil	\$9,594	\$26,624
Similar District Group	Instructional Expenditures	\$1,208,281,201	\$527,491,962
	Pupils	117,278	22,662
	Expenditures Per Pupil	\$10,303	\$23,276
Total of All School Districts in NY State	Instructional Expenditures	\$29,473,160,406	\$12,260,104,540
	Pupils	2,688,528	412,226
	Expenditures Per Pupil	\$10,963	\$29,741
Similar District Group Description: Large City (Buffalo, Rochester, Syracuse, Yonkers)			

Instructional Expenditures for General Education are K-12 expenditures for classroom instruction (excluding Special Education) plus a proration of building level administrative and instructional support expenditures. These expenditures include amounts for instruction of students with disabilities in a general-education setting. District expenditures, such as transportation, debt service and district-wide administration are not included.

The pupil count for General Education is K-12 average daily membership plus K-12 pupils for whom the district pays tuition to another school district. This number represents all pupils, including those classified as having disabilities and those not classified, excluding only students with disabilities placed out of district. For districts in which a county jail is located, this number includes incarcerated youth to whom the district must provide an education program.

Instructional Expenditures for Special Education are K-12 expenditures for students with disabilities (including summer special education expenditures) plus a proration of building-level administrative and instructional support expenditures. District expenditures, such as transportation, debt service and district-wide administration are not included.

The pupil count for Special Education is a count of K-12 students with disabilities for the 2010-11 school year plus students for whom the district receives tuition from another district plus students for whom the district pays tuition to another district. Students attending the State schools at Rome and Batavia, private placements and out-of-state placements are included.

Instructional Expenditures Per Pupil is the simple arithmetic ratio of Instructional Expenditures to Pupils. The total cost of instruction for students with disabilities may include both general- and special-education expenditures. Special-education services provided in the general-education classroom may benefit students not classified as having disabilities.

2010-2011 School Year	This School District	Similar District Group	Total of All School Districts in NY State
Total Expenditures Per Pupil	\$19,485	\$19,492	\$20,410

Total Expenditures Per Pupil is the simple arithmetic ratio of Total Expenditures to Pupils. Total Expenditures include district expenditures for classroom instruction, as well as expenditures for transportation, debt service, community service and district-wide administration that are not included in the Instructional Expenditure values for General Education and Special Education. As such, the sum of General Education and Special Education Instructional Expenditures does not equal the Total Expenditures.

The numbers used to compute the statistics on this page were collected on the State Aid Form A, the State Aid Form F, the School District Annual Financial Report (ST-3), and from the Student Information Repository System (SIRS).

 Information about Students with Disabilities
 for
 Rochester City School District

New York State Education Law and the Commissioner's Regulations require the attachment of the NYS School Report Card to the public school district budget proposal. The regulations require reporting students with disabilities by the percent of time they are in general education classrooms and the classification rate of students with disabilities. These data are to be compared with percentages for similar districts and all public schools. The required percentages for this district are reported below.

Student Counts as of October 4, 2011	This School District		Similar District Group	Total of All School Districts in NY State
Student Placement -- Percent of Time Inside Regular Classroom	Count of Students with Disabilities	Percentage of Students with Disabilities	Percentage of Students with Disabilities	Percentage of Students with Disabilities
80% or more	3323	56.0%	58.0%	57.3%
40% to 79%	790	13.3%	10.4%	11.7%
Less than 40%	1338	22.5%	22.9%	22.1%
Separate Settings	420	7.1%	7.5%	6.1%
Other Settings	63	1.1%	1.2%	2.8%

The source data for the statistics in this table were reported through the Student Information Repository System (SIRS) and verified in Verification Report 5. The counts are numbers of students reported in the least restrictive environment categories for school-age programs (ages 6-21) on October 4, 2011. The percentages represent the amount of time students with disabilities are in general-education classrooms, regardless of the amount and cost of special education services they receive. Rounding of percentage values may cause them to sum to a number slightly different from 100%.

School-age Students with Disabilities Classification Rate

2011-12 School Year	This School District	Similar District Group	Total of All School Districts in NY State
Special Ed Classification Rate	17.7%	16.1%	12.8%

This rate is a ratio of the count of school-age students with disabilities (ages 4-21) to the total enrollment of all school-age students in the school district, including students who are parentally placed in nonpublic schools located in the school district. The numerator includes all school-age students for whom a district has Committee on Special Education (CSE) responsibility to ensure the provision of special education services. The denominator includes all school-age students who reside in the district. In the case of parentally placed students in nonpublic schools, it includes the number of students who attend the nonpublic schools located in the school district. Source data are drawn from the SIRS and from the Basic Education Data System (BEDS).
