We Will Treat Every Child
Like One of Our Own

Our Priorities

• Student achievement and growth
• Effective and efficient allocation of resources
• Communication and customer service
• Parent, family and community involvement
• Management systems

Supporting the District Action Plan
An Unprecedented New Era in District Budgeting

- Closed $136 million in budget gaps while increasing stability
  - $46 million in budget efficiencies
  - Minimal layoffs, eliminated phase-in phase-out schools
- Students no longer receive the least instructional time
  - No early dismissal Wednesdays, 10 expanded-learning schools
- Initiated or completed modernization of 12 school buildings ($325 million – met the budget target)

Provided More Support to Students

- **Music teachers**: 18%
- **Art teachers**: 43%
- **Reading teachers** (from 0): 16%
- **Sports programs**: 26%
- **Social workers**: 9%
- **Librarians**: 23%
We Are Closing the Opportunity Gap

No Monroe County District offers more:

• Full-Day Pre-Kindergarten
• Full-Day Kindergarten
• District summer learning programs
• Expanded Learning schools
• Books for student home libraries

If we continue on this path, achievement will improve for our students and suburban families will want to choose City Schools.
We Will Close the Opportunity Gap in Music and Art

We will continue to restore the arts education that engages our students and helps them learn

- 70% more art teachers in three years (43 → 73)
- 32% more music teachers (68 → 90)
- City-wide marching band and show choir
- We will add eight music teachers in 2015-16, plus $500,000 for instruments and art supplies ($1.2 million investment)

The arts cannot be viewed as a luxury that we cut to balance the budget. They are a priority that we fund to serve our students and families.
What Our Budget Will Achieve in 2015-16

• Sustain or add to music, art, sports and extracurricular activities
• At least one reading teacher for every school (+48 positions)
• Expanded learning at 13 schools (+3 schools)
• Support program enhancements for Edison Tech, Wilson IB, Leadership Academy for Young Men, East High School
• Increase summer learning opportunities by >20%
• Improve services for students with disabilities and English language learners
• Decrease use of part-time teachers at K-8 schools (+21 FTE)

We will close our $40.5 million gap with minimal layoffs through attrition and invest $25 million in our priorities
Our budget supports the education of 37,877 students

28,638 District Pre-K–12 students
- 1,014 students enrolled in District Pre-K programs
- 27,624 students enrolled in District K-12 schools and programs

9,239 Rochester students served in schools and programs outside the District
- 4,794 students enrolled in 13 charter schools
- 1,218 students currently transported to 58 private schools
- 1,183 Pre-K students in Community Based Organizations
- 910 students enrolled in adult education programs
- 583 students attending other Districts through the Urban Suburban program
- 551 students with disabilities in programs not offered by the District
Over the past 15 years, the number of K-12 students in District schools has decreased by 8,758 students (-24%).

- Student counts do not include private and parochial schools
- 2014-15 enrollment is based on preliminary NYSED BEDS data

How We Will Invest $25.3 Million In Our Priorities
More and Better Learning Time (+$4.9 million)

Expanded Learning (+$2.7 million)

• Total of $13.6 million for Expanded Learning - Year to year increase of $2.7 million to add three new schools and account for planned phase-out of grant funds
• Total of 13 elementary and K-8 schools serving more than 6,500 students
• These schools provide the most instructional time among districts in Monroe County

• Six secondary schools offer additional instructional time serving over 3,200 students in grades 7-12
More and Better Learning Time (+$4.9 million)

Address Summer Learning Loss (+$1.8 million)
• Total of $13.7 million – increase of 15% from current year
• Increase students served from 10,000 to 12,500
• Nationally recognized as a leader in programs to reduce summer learning loss

Summer Jobs for Students (+$0.4 million)
• Funding for summer work for up to 100 RCSD students ($0.4 million) in partnership with the City
Reading by Third Grade (+$3.2 million)

From Zero to 64 Reading Teachers in Four Years

• 36 more District reading teachers in 2015-16 – 52 total (+$3.2 million)
• Additional 12 reading teachers for East High School
• At least one reading teacher in each elementary and high school in 2015-16

Summer Literacy Support

• Increase funding for K-3 summer programs
  – Summer learning for some incoming Pre-K students at Schools #25 and #33
• Partner with City to develop literacy programs at City Recreation Centers
• All students will receive take-home books for summer reading
• Expand partnership with Rochester libraries – student literacy aides for summer-reading camps
• Expand successful programs like Horizons Summer Enrichment
Instructional Excellence (+$6.6 million)

• District-wide class size targets
  – 22 for Kindergarten through 3rd grade
  – 26 for 4th through 6th grade
  – 28 for 7th through 12th grade

• Reduce part-time teachers in K-8 schools to support consistency and improve instruction (+$2.0 million)

• Strengthen instruction for English language learners with 22 more ESOL teachers (+$1.8 million)

• Support Online Credit Recovery Program in each school (+$1.3 million)
  – 7 Teachers, 12 teaching assistants
Instructional Excellence ($6.6 million)

- Expand Wilson IB opportunities for high school students (+$0.7 million)
- Art, music, P.E., extra-curricular activities in every school (+$0.5 million)
  - New art and music equipment ($0.5 million)
  - At least one full-time music teacher in every school – 7.2 FTE increase (counted in part-time teacher addition)
  - City-wide marching band and show choir will expand

$1.2 million additional investment in music
Instructional Excellence (+$6.6 million)

Career and Technical Education (+$0.3 million)

• Maintain Public Safety Training Program partnership with City Police, Fire, and 911 services as grant support phases out ($0.2 million)
• Additional operating support for unified Edison Tech ($0.1 million)
• Continue growth of P-TECH Grade 9-14 program

Professional Development

• Relevant learning opportunities for teachers and administrators to cultivate specific instructional strategies that increase student learning and success
Enhancing Special Education Services

Our goal is to increase graduation rates for students with disabilities until they match our rising General Education rates
Enhancing Special Education Services

• We are in year two of a five-year plan to improve special education services based on stakeholder input and audits

• Goals: Improve reading and math skills, graduation rates
  1. Offer more services to meet specific needs of students with disabilities
  2. Improve quality of individualized education programs (IEPs) through consistent, professional, parent-welcoming CSE process
  3. Offer high-quality career and technical education programs

• Continue 15 programs and services for students with 13 types of disability

• Expand services for students with autism and language delays

• Shift to more consultant teacher services to integrate special education students in general education classes
## Additional Priority Actions

Additional Priority Actions

**Community Task Force on School Climate (+$0.5 million)**
- Stakeholders from schools and the wider community
- Convened by the Rochester Area Community Foundation
- A key goal is to develop a code of conduct the entire community supports
- This work informs and supports our efforts to improve student behavior and discipline procedures internally
- $500,000 earmarked for Task Force recommendations

**Mayor’s Healthy Weight Leadership Council (+$0.3 million)**
- Partner with Mayor Warren to renovate 2 playgrounds
- Provide every Pre-K student with a take-home book that promotes healthy eating habits
**East High School (+$9.8 million*)**

- Projected enrollment of 1,524, targeted core class size of 22 students
- Increase of 38 staff per EPO request
  - Additional 13 positions transferred from District
  - Total increase of 51 FTEs, from 221 to 272
- Extended Day – 7.5 hour school day for most students
- Focus on literacy to dramatically improve ELA skills prior to 9th grade
- East Evening School
- Mandated professional development for 180 staff
- University of Rochester anticipates additional contracts with various community-based organizations and other outside agencies
  - Big Picture Learning, Expeditionary Learning, EnCompass, and others
- Yellow bus service for 6-8 graders instead of RTS
- Staggered start times for high school students
- Service shifted to grants ($0.3 million):
  - School Based Health Center ($191,000)
  - Contracts for family coordination and prevention services ($145,000)

*University of Rochester notes that some increased investment would be required without the EPO. The University is seeking grants that may offset some of these additional costs.*
How We Will Close the $40.5 Million Gap With Minimal Layoffs
Efficiencies and Reductions

Central Office and School Administration (-$7.0 million)
• Reduce 43 positions (including current vacancies) in Central Office departments and services (-$4.1 million)
• Continue disciplined position control (-$1.3 million)
• Reduce 5 school administrators (-$0.6 million)
• Further reduction in vacation cash-out (-$0.4 million)
• Reduce vendor contracts (-$0.3 million)
• Reduce two Board of Education support positions (-$0.2 million)
• Reduce travel (-$0.1 million)

Match Teaching Staff to Enrollment (-$8.7 million)
• Anticipated loss of students to charter schools
• 17-student minimum for AP classes in school; classes offered online
• Staff based on actual students in school vs. total enrollment

Implementation of Special Education Improvement Plan (-$2.9 million)
Efficiencies and Reductions

Defer Cash Capital (-$2.3 million)
• Delay IT investments pending Smart Schools Bond revenue
• One-time surge of textbook investment completed in 2014-15

Partner with Labor Unions to reduce growth in Health Insurance costs (-$2.2 million)

Redesign Alternative School Programs (-$2.0 million)

Reduce 18 instructional coaches due to reduction in TIF and Management Efficiency grant funding (-$1.6 million)
• 6 Math, 7 ELA, and 5 Technology coaching positions

Consolidate OACES GED Program with All City High School (-$0.8 million)
Match Staff to Student Enrollment

8% reduction in staffing since 1999-00; 24% decline in student enrollment

- **All Other Staff**
- **Teachers (certificated teaching staff, including librarians, social workers, counselors, psychologists and instructional coaches)**
Match Staff to Student Enrollment

Student enrollment loss is three times greater than staff reductions over the past 15 years
The school staffing projection is 833 students lower than the total K-12 enrollment projection.

The projected K-12 enrollment of 26,791 staffs for actual students in school by adjusting for the following parameters:

- No-show students
- Students who attend less than 20% of the time
- Students dual-enrolled in District programs
- Students who are enrolled in a partial course load
- Historic student attrition patterns

**Student achievement remains our top priority**

*Improved attendance is a key strategy to boost achievement*

*Based on a Five Year Average.

**We will reduce our workforce with minimal layoffs through attrition**

- We are proposing 117 position reductions versus 207 average annual retirements
- Displacements will be determined by job title and/or tenure area, and will be based on the vacancies and/or attrition in each title

**We are adding 136 new FTE positions in the 2015-16 budget—38 to support East HS, 36 reading teachers, 21 FTEs (including music) to reduce part-time teachers, 22 ESOL teachers, 19 instructional professionals to support OCR**
