ROCHESTER CITY SCHOOL DISTRICT

2023 – 2024 BUDGET

Letter from Superintendent Peluso

I am pleased to provide our Rochester City School District community with the 2023-24 school year budget. As one of the largest urban school districts in New York, our commitment is to develop a budget that supports our programmatic efforts to improve student achievement. A well-balanced budget ensures our District's fiscal viability and maximizes the resources needed to create positive and equitable outcomes for Rochester City School District students.

In the 2023-24 school year, the District continues to align actions and work to the goals identified in collaboration with the Board of Education to:

- Improve the Financial Condition of the RCSD
- Increase Academic Achievement
- Increase Equity for All Students
- Ensure a Positive School Climate by Assuring School Safety in All Schools

This budget signals a commitment to our students, families, and staff. It focuses on high-quality instruction, English Language Learners, Students with Disabilities, Social-Emotional health, and wellness while authentically engaging our families.

I am committed to engaging in open and honest conversations about finances aligned with our District's specific needs.

Budget highlights include:

- **High-Quality Instruction:** The Department of Teaching and Learning is aligning the curriculum and resources to the Next Generation Standards, so our students are in continuous pursuit of being college and career ready. This also lends itself to improvements in Athletics and Career and Technical Education.
- **Students with Disabilities and English Language Learners:** The District is enhancing the programmatic experiences of Students with Disabilities and English Language Learners by allocating funds for staffing and resources. This will lead to the least restrictive settings for our Students with Disabilities and assist our English Language Learners in acquiring the Seal of Biliteracy.
- **Social-Emotional Wellness and Health:** Post-pandemic, we must continue to ensure that social-emotional health and wellness are optimal, which comes with the support of school counselors and social workers. Further enhancements include increasing the capacity of our ROC Restorative teams and improving and expanding school health clinics to support the various needs of students and families.

- **Parent Engagement:** Solid connections with our families are fundamental to student success. Funding has been allocated to support District services to schools with an increase in Parent Liaisons, Community Site Coordinators, and Home School Assistants. Additionally, special programming and support to families through Parent University, Community Schools, and other initiatives led by the Office of Parent Engagement will provide high-quality experiences and programming for our families.
- **School Safety:** We are committed to the safety and preparedness of our students, staff, and families. Our District-Wide School Safety Plan focuses on mitigation/prevention, preparedness, and response. This year, an in-depth review of security protocols, equipment, and staffing was conducted. The review of safety protocols is ongoing, and we have allocated funding to add equipment and staffing to enhance safety.

I am grateful for your feedback and your dedication to the students, staff, and families of the Rochester City School District.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Peluso', with a stylized flourish at the end.

Dr. Carmine Peluso
Superintendent of School

Introduction to the RCSD Budget

District Overview

The Rochester City School District is a component of the City of Rochester and is one of the largest urban school districts in New York State with over 22,000 Pre-Kindergarten to 12th grade students being served in 45 school locations and with over 7,000 charter school students. The District believes that education includes nurturing the whole student through classroom instruction, hands on experiences, and robust extra-curricular activities. Above all, safety and security of students during the school day and when getting to school in the morning and back home in the afternoon/evening is a priority.

Mission, Vision, and Core Beliefs

Developed in concert with the 2020-2023 Strategic Plan, the RCSD's Mission, Vision, and Core Beliefs guide the day-to-day operations of the District at all levels. The RCSD serves a diverse population of students, most of whom live in poverty and deserve a high quality elementary and secondary education that will prepare them for their post-secondary college and career choices. The Mission, Vision and Core Beliefs, in addition to the Strategic Plan, were developed in response to a very dynamic and challenging education landscape.

Mission

Foster students' individual talents and abilities in a nurturing environment of equity.

Vision

Ensure all students equitable access to a high-quality education and graduate each student as a productive member of society.

Core Beliefs

- Students are our first priority and will diverse each decision.
- Each student has recognizable and untapped potential that we strive to discover and fulfill.
- We embrace diversity and commit to the eradication of racism and all forms of discrimination and oppression.
- We provide students, families and staff with equitable access to resources for learning.
- We respect and honor the dignity of all individuals.
- Educating the whole child requires high-quality learning that is safe, loving and rigorous.
- Our work is centered in respect, trust, integrity and accountability.
- Education is a partnership of families, school, and the community.
- We make each fiscal and resource allocation decision equitably, transparently and in the best interest of our students.

Overview of Strategic Objectives and Priorities

The RCSD Strategic Plan provides the themes that guide budget priorities and the allocation of resources. While continuing to develop and take advantage of external grants and partnerships, the District will need to focus on the reallocation of existing resources to achieve its goals and objectives.

Objectives	Priorities
Engage Provide high-quality learning experiences	<p>Implement student-centered learning to improve academic success for all and to close the achievement gap of our students with disabilities, economically disadvantaged students, and Black, Latino and English Language Learners.</p> <p>Establish a uniform, clear and transparent procedure for curriculum development and implementation.</p> <p>Use data purposefully and collaboratively to drive decisions and to improve student outcomes.</p>
Lift Up Ensure an inclusive, caring and safe learning environment	<p>Use restorative practices to promote inclusiveness, relationship-building and problem-solving.</p> <p>Deliver trauma-informed practices through a culturally responsive lens to provide a safe, positive learning environment.</p> <p>Establish training norms for cultural responsiveness, anti-racism, diversity and inclusion.</p>
Collaborate Build strong community	<p>Create non-traditional, innovative opportunities for family engagement.</p> <p>Partner with businesses, higher education and other community organizations.</p>
Lead Foster dynamic leadership	<p>Manage school and district resources effectively.</p> <p>Develop leaders at the school and district levels to achieve each school's targeted outcomes.</p> <p>Highlight and communicate the great accomplishments in our schools and district.</p> <p>Build high-performing teams to drive implementation of our strategic priorities.</p>

About the Budget Book

The Rochester City School District's Budget Book for 2023-24 contains a wealth of financial and academic information. The budget book can be used as a resource document throughout the year. The budget builds upon the work done in 2022-23. It continues a move away from focusing on stabilizing the District's finances to a prioritization on improving upon teaching and learning outcomes, including reading and math assessment scores in grades 3 through 8. The allocation of resources is made in a transparent manner with consideration for equality and equity across schools and learning environments. The goal is to provide a robust and high-quality educational opportunity and experience for all students.

The following input was used when developing the 2023-24 budget:

- Board of Education priorities
- Stakeholder feedback
- Strategic plan
- State Monitor Academic Plan
- State Monitor Fiscal Plan
- Consent Decree
- Corrective Action Plan – Special Education
- Correction Action Plan – Bilingual

The budget book is divided by tabs into major sections that focus on detail in specific areas. The Revenue, Financial Structure and District Budget Details section provides summary information by functional area by the three major funds of the District: General, Special Aid, and School Food Service. It also provides a summary of revenue by source (local, state and federal) by fund. The Position Summary section provides a summary of full-time equivalency (FTE) budget positions by various categories and sorts, including by functional areas and work locations by funding source.

A major section is School Management: School Profiles and Budgets, which starts with a summary of funding by school followed by a page with specific information on each school. The section ends with information on school programs, early childhood, school chiefs, and school support. School support consists of: health services, transportation, tuition, summer school, and school food service. The next section is information on Administration Management, with detail by specific departments. The two following tabs detail the departments under each of the two deputies' purviews. This is followed by a section on Debt Service, Districtwide Non-Program Services Budgets, and Employee Benefits.

A section is provided on federal stimulus funding provided through the American Rescue Plan Act (ARP). The District was awarded \$196,826,454 for the period of March 13, 2020 to September 30, 2024. Because of the unique nature and size of the ARP grant, it is accounted for separately from other funds.

A final section is Miscellaneous. The section includes enrollment data, the most recent student assessment participation and performance data for grades 3 through 8 for English Language Arts (reading) and Mathematics, graduation rate data, a list of employees paid over \$162,000 based on the state fiscal year of April 1, 2021 through March 31, 2022, and a glossary.

The budget book is available on the District website at www.rcsdk12.org/budget. The following supplemental information can be found on the District website, but is not included in the formal budget book: Glossary of Terms, Descriptions of Grants, and Grants by Organization.

Budget-at-a-Glance

Summarizes complex financial information and provides enhanced transparency and accessibility for all stakeholders. The 2023-24 budget is balanced, aligned, and targeted, and it moves the District closer to true fiscal stability. Most importantly, it continues a commitment to a process that is in the best interest of students, families, and staff.

Budget Adoption: On May 9, 2023, the Board of Education is expected to adopt a balanced operating budget for FY 2023 – 2024, that is comprised of \$873,164,079 revenues/appropriated fund Balance and \$873,149,079 in appropriations/expenditures for the General Fund. The District is utilizing \$5,000,000 in appropriated fund balance to close the budget gap for RCSD's 2023-24 Proposed Budget.

2023-24 Budget Changes: % Increase from 2022-2023 Original Budget (All Funds)

Program Initiatives: Included in this budget is a tremendous emphasis on providing an improved educational program for students. Many of these initiatives started in FY 2020 and were built upon the District's Strategic Plan, the State Monitor's Academic Plan and the State Monitor's Financial Plan.

2023-24 Major Budget Initiatives Include:

1. Increasing ELA and math proficiency in grades 3-8
2. Addressing chronic absenteeism
3. Increasing extended learning opportunities for students and staff
4. Updating Districtwide comprehensive programs, materials, textbooks, and assessment tools
5. Multi-Tiered System of Supports Initiative
6. Transformation of the District's Financial Management System
7. Enhancements to the CTE initiatives throughout the district
8. Systematizing MTSS supports through response to intervention to accelerate learning
9. Improving school leadership capacity through professional development
10. Providing opportunities for College and Career Readiness

Revenues & Appropriated Fund Balance

	2022-23 Adopted	2023-24 Proposed
General Fund Balance	\$ 836,335,316	\$ 873,149,079
Special Aid Fund	123,857,875	128,198,578
School Food Service Fund	23,405,858	26,501,689
Total	\$ 983,599,049	\$ 1,027,849,346

2023-2024 Balanced Budget by Funds Appropriations (Expenditures)

	2022-23 Adopted	2023-24 Proposed
General Fund	\$ 836,335,316	\$ 873,149,079
Special Aid Fund	123,857,875	128,198,578
School Food Service Fund	23,405,858	26,501,689
Total	\$ 983,599,049	\$ 1,027,849,346

Year-to-Year Budget Differences

Each year, the District realizes differences throughout the budget. That said, the 2023-24 Rochester City School District Proposed Budget increased to \$1,027.9M (Excluding CRRSA and ARP funds) from the 2022-23 Original Budget of \$983.6M; this represents an increase of \$44.3M, or 4.5%.

Revenue categories with material budget variances include:

- Other Local Revenues – these amounts are increasing due to an accounting change. In an attempt to record all monies received as revenue.
- Interest Earnings– RCSD financial situation has improved greatly in recent years and the interest earned on those funds has increased drastically. In Addition, interest rates are increasing. This has become a material funding source.
- Indirect Revenue– When a grant claims an “administrative cost”, the off-setting item is a revenue in the general fund. In 2022-23 there was a large amount budgeted for the CRRSA funds and the increase in 2023-24 will be for an even larger amount for ARP funding, which are both temporary funding and will discontinue beyond the 2023-24 fiscal year.
- Foundation Aid - Governor Hochul has reinstated the foundation aid formula this year. Net of a reduction is Special Services Aid – Includes Career Education Aid, Academic Improvement Aid, and Computer Admin, which are all enrollment driven and have been lowered for RCSD.
- Building Aid – Increased in line with our capital improvement plan.
- Transportation Aid – The District has greatly decreased transportation costs therefore decreasing transportation aid respectively. In addition, certain transportation aid items have been disallowed by the state.
- Excess Cost Aid – As the SWD enrollment for RCSD has decreases, so will the associated Excess Cost Aid.
- Charter School Transitional Aid – Aid provided to districts to adjust their costs for the change in enrollment due to charter school migration. This aid is driven off of the change in charter school enrollment.
- Basic Charter School Aid – Aid provided for students attended charter schools. RCSD charter school population continues to increase, as will basic Charter School Aid. This is aid is \$1,000/student.
- Other State Aid – Includes Transportation aid for disabled students/Homeless Student Aid/Incarcerated Youth Aid. These numbers fluctuate from year-to-year. Historical trend budgeting was used to budget these numbers.
- Increased funding for OACES program

In total, the District expenditure budget will increase by \$44.3 million, from \$983.6 million to \$1.028 billion. Spending categories with material budget variances include:

- Anticipated Charter school enrollment increase between 2022-2023 and 2023-24. The increase consists of a raise in state tuition rates, adding new grade levels at existing schools, and a new school opening.
- Health services increase for 2022-23 was built into the stimulus funds. That rate increase, along with the 2023-24 rate increase are both in the general fund. In addition, there is an increase in need for services for 2023-24.
- Debt increase is offset by current increase in building aid.
- Benefits on current salaries, includes but not limited to Health Insurance, Retirement Plans, FICA, and other contractual obligations.
- Lowered enrollment in BOCES programs for SWD.
- Lowered enrollment for private educational institutions.
- General Liability insurance increase in rates and coverage.
- The increases in utility costs for 2021-22 and 2022-23 were both recorded in the stimulus funds. Those increases, along with 2023-24's increases are being handled in the general fund moving forward.
- Cost previously recorded in stimulus funds for special education are returning to the General Fund.
- Anticipated increase in Home Hospital costs based on changes in legislation.
- Expansion of the OACES program

Below is a summary of the District's Full Time Equivalencies by Fund:

2023-2024 Full Time Equivalencies by Fund				
	2022-2023 Adopted	2023-2024 Proposed	FTE change	% Change
General Fund	4,529.10	4,546.40	17.30	0.4%
Special Aid Fund	781.33	866.66	85.33	10.5%
School Food Service Fund	259.33	266.29	6.96	2.7%
Total	*5,569.76	*5,679.35	109.59	1.9%

* Does not include CRRSA or ARP positions. See "positions" tab for detail of ARP positions.

RCSD Student Enrollment Historical Lookback (FY2023-28 Forecast)

With consistent declining enrollment over the past decade projected to continue into the future, the District is challenged to realign its footprint in the form of school buildings, services and employees.

Total Allocation Per Pupil Unit (TAPU) Calculation and Allocation Process

In developing the budget each year, the Budget Department calculates a total allocation per pupil unit (TAPU) for each school. A worksheet with prior year detail and the new allocation is distributed to each school principal. The principal based on the needs of their specific school then allocates the TAPU between functional categories and specific object codes. This process of each principal allocating funds results in differences between schools.

TAPU Calculation

The TAPU for each school is calculated as follows based on K-12 enrollment numbers provided by the Office of Accountability and Student Registration.

- A. Base Allocation
 - \$140 for each K-12 student
- B. Allocation for Special Education
 - \$40 for each K-12 student classified as special education
- C. Allocation for English Language Learners (ELL)
 - \$30 for each K-12 students classified as an English language learner

Total Allocation and Holdback

90 % of the total allocation of A, B and C calculated above is allocated to the individual schools in the budget process.

10% of the calculated allocation is held back by the Budget Department until the final enrollment for the school year is determined on the first Wednesday in October (known as BEDS day). The final enrollment is compared to the budgeted enrollment and used to calculate adjustments (up or down) for a final allocation.

TAPU Allocation by Schools

Once the TAPU allocation by school is determined, the amount is placed on a worksheet that is distributed to each school. The school principal is given the discretion to sub-allocate the total allocation among function codes and related object codes, based on the specific needs of their school.

Potential function categories and object codes used by school principals include:

Function Categories

Facilities
Supervision
Curriculum and Professional Development
Teaching Regular Schools
Programs for Students with Disabilities
Occupational Education
Computer Assisted Instruction
Attendance
Athletics
Transportation

Object Code Examples

Civil Service Overtime
Temporary Staff
Equipment
Computer Hardware
Computer Software
Contractual
Service Contracts
Printing and Advertising
Postage
BOCES
Textbooks (books)
Instructional Supplies
Office Supplies
Custodial Supplies

Note that equity is used in calculating the TAPU allocation. However, once each principal sub-allocates the funds based on the specific needs of their school, funding equity no longer can be compared precisely between schools. As an example, one principal may use funds for computer hardware and software and another principal for extra books for students and classroom materials. The sub-allocations vary between

schools and from year to year. Changes in sub-allocations by a school principal from year-to-year will show up as variances (increases or decreases) in the budget for the school. These increases and decreases between budget years were generated by the school principal and not the Budget Department.

Budget Changes from 2022-23 to 2023-24

To improve the budgeting process and equity in the allocation of TAPU funds, specific changes have been implemented for the 2023-24 budget as follows.

Schools no longer are responsible for:

- Purchasing pool supplies (if they have one) as that was not equitable among schools.
- Printing and postage expenditures incurred through the Print Shop and Mailroom.
- Paying for school lunch monitors.

All of these costs are being budgeted and incurred centrally.

Substitute allocations were partially decentralized into the school profiles per the State Monitor recommendation of lowering the number of transfers required each year.

School Profile Function Categories

Listed below are some staff positions and operating expenses that might be found in the following function categories on the School Profile pages in the budget book. Use this information as a guide for understanding how certain positions and operating expenses are classified and reside. This is not an all-inclusive list and it is possible that a position may have been placed another category for a specific school.

Facilities - Custodial staff

Central Data Processing - District Processing Tech for technology help desk (East Upper School only)

Supervision - Principals, Vice Principals, Secretarial Staff, SSOs

Curriculum and Professional Development - Project Implementation Specialists, TAPU allocation, or grants

Psychological Services - School Psychologist (East Lower and East Upper only)

Teaching Regular Schools - Teachers, Non-Special Education Para-Professionals, Teachers on Assignment (TOA)

Teaching Special Schools - hourly pay from grants (Edison High School and Rochester Early College International High School only)

Programs for Students with Disabilities - Special Education staff including Teachers, Paraprofessionals and Teaching Assistants

English Language Learners- Bilingual staff excluding Bilingual Special Education staff who are placed under Programs for Students with Disabilities

Occupational Education - Technology and Career and Technical Education (CTE) Teachers

Library Services - Librarian Media Specialists

Computer Assisted Instruction - computer software and hardware funded through TAPU or grant

Attendance - Parent Liaisons and Home School Assistants

Guidance - Counselors

Social Services - Social Workers, Teacher Wellness Center Coordinator, Teachers-on-Assignment, Primary Project Paraprofessionals

Extracurricular Activities - Stipends for Club Advisors (decentralized funding in 2023-23 by allocation to school based on enrollment)

Athletics - Funds allocated by School Principal through TAPU (Monroe Upper in 2022-23 allocated \$5,000 of TAPU for uniforms)

Transportation - For student field trips and parent transportation to meetings (funded centrally, TAPU allocation, or grants)

**Movement of Positions
From Federal Stimulus to General Fund
Related to School Profiles
For 2023-24 Budget**

As part of balancing the budget for 2022-23, the funding source for a number of positions were shifted from the General Fund to federal stimulus funding. This was a temporary solution used to balance the budget in 2022-23. It is not a permanent solution and the funding source for the positions needs to be shifted back to the General Fund with the 2023-24 and 2024-25 budgets or the positions eliminated with the expiration of the federal stimulus funding at the end of the 2023-24 fiscal year on June 30, 2024.

The funding source for following positions at specific schools has been moved back to the General Fund for 2023-24. Note that these changes result in an increase in the school profile funding under the Facilities and Teaching Regular Schools categories.

EARLY CHILDHOOD

Division/Department Overview: The Universal Pre-K Program is a collaboration between the District and community-based agencies that enrolls approximately 3,000 three- and four-year-old students annually in 180 RCSD schools and community classrooms. The program is focused on the development of children's literacy, math, and socialization skills to enable students to become lifelong learners and be prepared for Kindergarten. The program is funded 100% through the New York State Universal Pre-kindergarten (UPK) grant.

SCHOOL CHIEFS

Division/Department Overview: The Chiefs of Schools Department is a School Support area that contains the expenses for the School Chiefs and their staff along with the centralized funds. A school chief's budget is used to support the administrative and educational functions of a school or network of schools within the district. The specific uses of the budget vary depending on the school's priorities found in the school's comprehensive education plan and the state designation of the school. Some ways the school chief's budget is used but not limited to such as substitute costs, curriculum development, professional development, technology, and administrative expenses.

Department of Student Health Services

HEALTH SERVICES

Division/Department Overview: The Health Services Department coordinates nursing services for all public, private and charter schools. Nursing services are contracted through Monroe I BOCES. In addition, the Health Services Department partners with community agencies to bring medical, dental and mental health services to students in need. The department also manages the Early Childhood Screening Department which screens Pre-K and Kindergarten students for vision, hearing, gross and fine motor skills, language skills, and learning cognition.

Department of School Food Services

FOOD SERVICE

Division/Department Overview: The School Food Services Department supports student achievement by providing healthy nutritious meals, which will help prepare our students for learning. The department administers the National School Lunch Program throughout the District. Approximately 16,000 breakfasts and 20,000 lunches are served daily. This program includes operational and support personnel, comprised of full and part-time employees. The elementary school food service program now operates in an upgraded hybrid kitchen and supported by the warehouse at Central Kitchen while the secondary food services personnel prepare meals on-site. All students qualify for free and reduced-price meals under the Community Eligibility Option, which was implemented 2012-13.

Department of Transportation Services

TRANSPORTATION

Division/Department Overview: The mission of the Rochester City School District Transportation Department is to support student achievement by efficiently providing high quality services. The Transportation Department is charged with providing safe, prompt, dependable service to students of the City of Rochester to public, private, parochial and charter schools. The department, along with its vendor partners, transports 28,000 students on more than 1,000 bus routes each day. In addition, the Transportation Department includes a bus garage where maintenance is performed on more than 200 district-owned vehicles including 60 school buses.

BOARD OF EDUCATION

Division/Department Overview: The Board is responsible for educating the children of Rochester. The Board sets the strategic direction of the District through policy development and adoption, and provides oversight and direction to the District. The Board works with members of the local legislative delegation and lobbying organizations to ensure that the interests of the District are represented. The Office of Auditor General (OAG) and the External Claims Auditors report directly to the Board in compliance with the Laws of New York. The OAG assists the Board with their oversight responsibility for audit, internal control, financial reporting, and compliance. Beginning with the 2020-21 fiscal year, the Board appointed Nawrocki Smith LLP to fulfill the Claims Audit function for the Board, ensuring that only legitimate claims against the District are paid.

Office of the Superintendent

SUPERINTENDENT

Division/Department Overview: The Superintendent of Schools leads the School District in fulfilling its primary mission and vision: To foster students' individual talents and abilities in a nurturing environment of equity, to ensure all students equitable access to a high-quality education and to graduate each student as a productive member of society. The Superintendent and his Executive team are focused on six goals that support this mission, with metrics and targets to track progress. The goals are 1. Student achievement– Accelerate the academic performance of all students. 2. Accountability – Establish a systematic program of work for executive team leaders that evaluates and improves the academic, operational, and fiscal performance of the entire District. 3. Parent & Community Engagement – Build and strengthen family and community partnerships to support the academic development, personal growth and responsibility of parents and students. 4. Healthy Youth Development – Create a school and district-wide culture that listens to student input and promotes student leadership, emphasizes the whole child and healthy youth development. 5. Safety and Discipline – Maintain a positive, safe, and respectful environment for all students. 6. Diversity, Equity and Antiracism – Create a school community that is sensitive and responsive to the needs of an increasingly diverse population, and that strives to achieve curriculum equity and access to high quality educational experiences for all students, across all schools. The Superintendent is the chief executive officer, and has authority for all aspects of District operations and is accountable to the Board of Education for achieving these goals.

EPO ADMINISTRATION

Division/Department Overview: The East Upper and Lower School Educational Partnership Organization (EPO) is an Agreement among the Board of Education of the Rochester City School District, the New York State Education Department, and the University of Rochester (U of R) Warner School of Education to provide services at the District's East Upper and Lower Schools. The role of the EPO Administration at East is to provide services in the role of superintendent consistent with Education Law 211-e, and with the objective to create and institute a comprehensive school intervention plan that will lead to marked increase in student achievement.

CHIEF OF STAFF

Division/Department Overview: The Chief of Staff is responsible for the management and operation of the Superintendent's Office and is assigned special projects by the Superintendent of Schools including the oversight for the Independent Monitor's academic and financial plans. The Chief of Staff is the official liaison to all departments from the Superintendent and the assigned person for information, questions, and communication that directly involves the superintendent. The Chief of Staff serves, at the request of the Superintendent, as the liaison to the Board of Education policy committee. The Chief of Staff directs strategic planning efforts for the district and coordinates development and updating of the district strategic plan consistent with district priorities. In addition, the Chief of Staff serves as liaison for various agencies and organizations.

COMMUNICATIONS

The Chief of Communications and Intergovernmental Affairs is responsible for the management and operation of the Department of Communications and oversees the messaging for the District and its schools to provide clear, accurate information to the public. This work is intended to raise awareness of school and student successes; build parent and community support through effective communication in a variety of media; and strengthen public confidence in the District and its schools through media outreach and public relations. In addition, this position works closely with the Superintendent and provides assistance with special projects.

The Chief of Communications and Intergovernmental Affairs serves as the liaison to the Board of Education. This position also serves as the main conduit between the Superintendent/District and Local, State, and Federal elected officials on a variety of issues including legislation, funding, and academic success.

Department of Finance

FINANCE

The goals set before the Finance Department are to utilize, safeguard, and protect the resources of the District while striving to move forward with the equitable distribution of funds to accomplish the District's vision and mission statement. Through proper budgeting, the Finance Department is striving to meet the social emotional, health, and academic needs of students.

The Finance Department is responsible for fiscal oversight of the District. These departments include Accounting, Accounts Payable, Budget and Revenue, Financial Management and Grants, Payroll, Medicaid, and Procurement. The team works to communicate and develop business processes and procedures to comply with board policies, regulations, and law, which were developed to deliver a sound and affordable educational structure.

GENERAL COUNSEL

Division/Department Overview: The General Counsel's mission is to advance the cause of urban education, render legal advice to the Superintendent of Schools, Board of Education and various departments, and zealously represent the District in matters relating to State and Federal laws, regulations and policies. The General Counsel serves as the District's advocate in legal and quasi-legal proceedings involving students, employees, governmental entities, and private citizens. The legal staff also provides a variety of legal services, support, and counsel on a daily basis to schools and District administrators.

Office of Human Capital

HUMAN CAPITAL

Division/Department Overview: The Office of Human Capital is responsible for the development and implementation of workforce strategies that align with instructional and operational needs, address critical talent issues, drive higher performance, and ensure an investment in people to meet the District priorities. In short, we are working to recruit, develop, support, and retain the most effective, diverse staff. Areas of focus include workforce effectiveness, benefit program effectiveness, assistance with reorganizations, human capital function design, service delivery and technology, employee communication, and change management. A major priority of the Office of Human Capital is to develop, leverage, and retain high-performing and high-potential talent. Talent management, a critical function of the department, includes: 1) employee performance evaluations, 2) development of competency models, 3) clearly defining roles and job scope, 4) forecasting workforce needs, 5) identifying current talent pools and future leaders, 6) recruiting talent, 7) developing leaders, and 8) executing diversity and inclusion practices and policies.

Department Teaching and Learning

DEPUTY SUPERINTENDENT OF TEACHING AND LEARNING

Division/Department Overview: The Division of Teaching and Learning is responsible for the core work of the District - teaching and learning. The division's primary role is to implement the NYS Next Generation Standards and Core Instructional Program as the major component of the New York State Standards. Through this curriculum framework and corresponding pedagogical work, we prepare our students to be career and college ready. Teaching and Learning encompasses all subject areas and support areas. The following departments fall under the division of Teaching and Learning: Athletics, Physical Education, and Health; Bilingual Education and World Languages (BEWL); Chief Academic Officer, which includes the Department of Mathematics, English Language Arts, Science, Social Studies, Library Media Studies, Visual and Performing Arts, Career and Technical Education, and the Virtual Academy of Rochester; The Department of Equity, Inclusion, and Curriculum Audit; Office of Professional Learning; School Innovation; and Special Education Department (Specialized Services); and the Office of School Chiefs.

Department Teaching and Learning

TEACHING AND LEARNING

Division/Department Overview: The Division of Teaching and Learning is responsible for the core work of the District - teaching and learning. The division's primary role is to implement the NYS Next Generation Standards and Core Instructional Program as the major component of the New York State Standards. Through this curriculum framework and corresponding pedagogical work, we prepare our students to be career and college ready. Teaching and Learning encompasses all subject areas and support areas. The following departments fall under the division of Teaching and Learning: Athletics, Physical Education, and Health; Bilingual Education and World Languages (BEWL); Chief Academic Officer, which includes the Department of Mathematics, English Language Arts, Science, Social Studies, Library Media Studies, Visual and Performing Arts, Career and Technical Education, and the Virtual Academy of Rochester; The Department of Equity, Inclusion, and Curriculum Audit; Office of Professional Learning; School Innovation; and Special Education Department (Specialized Services); and the Office of School Chiefs.

Department of Special Education

SPECIALIZED SERVICES

Division/Department Overview: Specialized Services is responsible for the implementation and oversight of all regulations as they pertain to students with disabilities. This department offers a full continuum of special education services and programs and is committed to providing appropriate high quality education for students with disabilities in the least restrictive environment. The District's committees and subcommittees on Special Education determine eligibility for special education services and the development of Individual Education Plans, assuring due process to parents and students, and providing technical support to staff. This Office is also responsible for the administration and oversight of related services such as school psychology, speech and language therapy, State mandated screening, audiology, occupational and physical therapy, extended school year program, tuition expenses, and management of the IDEA grant.

Department of Bilingual Education and World Languages

BILINGUAL EDUCATION AND WORLD LANGUAGES

Division/Department Overview: The Department of Bilingual Education and World Languages provides technical support to other departments in identifying best practices for ELL education; as well as, ensuring compliance with Commissioner's Regulation Part 154. BEWL provides program organization and instructional support to the District's English as a New language programs, Bilingual programs, and World Language programs. The Department works very closely supporting parent groups, Bilingual Educational Council and Multilingual Parent Advisory Committee. In addition to offering professional development on instructional and cultural topics at the District level, team members respond to multilingual families concerns to help bridge cultural or language barriers. BEWL coordinates interpretation services for District or school events, parent meetings, ELL State assessments, and provides home language supports to students at schools with the largest multilingual populations. In 2022-23 teaching positions were moved to specific school resulting in a decrease in 2023-24.

Office of Professional Learning

PROFESSIONAL LEARNING

Division/Department Overview: The Office of Professional Learning is dedicated to the development of educators so they may gain the skills and knowledge necessary to provide high quality educational experiences for all students of the Rochester City School District. We strive to develop meaningful learning opportunities through collaborative experiences and embedded professional growth opportunities. Educators can then engage students in rigorous instructional activities evident in increased student understanding and achievement.

Office of Innovation

SCHOOL INNOVATION

Division/Department Overview: The Office of School Innovation provides a comprehensive system of support for school innovation and the turnaround of low achieving schools. These supports include Expanded Learning time throughout the school year, Summer Learning, and guiding district-wide school improvement planning through the Data Wise Improvement Process. Additionally, the Office of School Innovation supports program models such as AVID, Innovation Academy, Tutoring, and functions as a liaison with the New York State Department of Education.

Department of Administration and Supports

DEPUTY SUPERINTENDENT DEPARTMENT OF ADMINISTRATION & SUPPORT

Division/Department Overview: The Division of Administration and Supports, utilizing the whole child approach, is committed to ensuring students have access to safe and welcoming learning environments and rich learning experiences in and out of school. These goals are achieved through offering social-emotional support, equity in placement, upgraded modernized facilities, and aligning and monitoring grant funds to impact student achievement. The Division oversees the departments of IM&T, Operations, Accountability & Student Registration, Student Support Services, Grants, and Family & Community Engagement.

FACILITIES

Division/Department Overview: The Educational Facilities Department consists of Facilities, Design Group, Plant Maintenance and Plant Operations. All of these departments collectively oversee the usage and upkeep of District-owned buildings and grounds which consists of (45) School Buildings, (5) Administration & Support Facilities and one leased building. Facilities also manages the utility usage for the entire district and executes rental agreements. The Design Group optimizes the utilization of space to best serve our students and works with the Joint Schools Construction Board to implement the District's Facility Modernization Program.

FACILITIES BY EXPENSE CATEGORY

EXPENSE CATEGORY BUDGET	2022-23 Adopted	2023-24 Adopted	Increase/ (Decrease)	% Change

SCHOOL SAFETY

Division/Department Overview: School Safety and Security is committed to the safety of our students, staff and visitors, the security of all District facilities, and establish and maintain safe school environments. The department collaborates with District staff and community partners to: reduce violent and disruptive incidents; and ensure District staff is prepared to plan for, respond to, and recover from critical incidents. School Safety supports the district's goals in creating safe, engaging and nurturing school environments that enable student success. Relevant training, professional development, data analysis, safety assessments, incident reviews, exploration, and enhancement opportunities show commitment to this initiative. The department conducts thorough and impartial internal investigations to ensure the integrity of the District and maintain the professionalism demonstrated by District employees.

Department of Information Management & Technology

INFORMATION TECHNOLOGY

Division/Department Overview: Information Management & Technology (IM&T) provides the management and support for the District's network infrastructure, data and voice networks, as well as core enterprise application systems in the areas of student and business operations. In addition, technical guidance is provided for the planning and acquisition of all technology equipment in our schools/facilities. Software development, Helpdesk support, problem determination and resolution, training, customer service and preventive maintenance of systems software are core competencies of this Division. IM&T integrates closely with all key areas of the organization to ensure that District systems and processes can successfully support APPR, Common Core, State Requirements, as well as student and staff needs in the delivery of education to our students. In 2012-13, IM&T began the shift to digital learning; an area which is projected for continued growth in future years as we work to ensure that our students have access to high quality educational material delivered in a technologically-advanced environment.

Department of Strategic and Community Partnerships

STRATEGIC & COMMUNITY PARTNERSHIPS

Division/Department Overview: The Strategic & Community Partnerships Department's vision is to be a bridge that connects resources, supports, and programs through partnerships for schools, students, and families. Our mission is to collaborate with stakeholders through a four-pillar approach to develop and sustain comprehensive partnerships that support and accelerate student achievement from Pre-K to post-secondary success. We use a 4-pillar approach to align all school partnerships using the Community School Pillars: integrated student support, expanded and enriched learning time and opportunities, active family and community engagement, and collaborative leadership and practices.

* - Increase in funding of unfunded mandates from 2022-23

** - Increase in debt service in line with the capital plan schedule and offset by building aid.

*** - Increase in benefits due to increase rates and health insurance costs.

BENEFITS

The District provides employee benefits based on collective bargaining agreements and New York State (NYS) Labor Laws. The expenditures in this area cover health insurance, retirement plans, Social Security, illness leave, and other insurance and contractual benefits.

- **Health and Dental Group Insurance Plans** –The District provides health insurance coverage to active employees and retirees; active employees and some retirees are eligible to enroll in group dental plans. The District is self-insured, and utilizes a Third Party Administrator to manage the claims for District employees.
- **Retirement Plans** –This budget provides contributions to the NYS Teachers’ Retirement System and the NYS Employees’ Retirement System for active employees. The Teachers Retirement System Board of Directors and the New York State Comptroller determine the employer rate of contribution required each year to maintain the fiscal integrity of each plan. The rates are based upon actuarial cost projections, anticipated retirement fund investment earnings, and projected employer and employee contributions.
- **Social Security** –The Federal Insurance Contribution Act (FICA) requires employers and employees to contribute 6.2% of salary towards retirement, and an additional 1.45% towards Medicare.
- **Unemployment Insurance** –The District is self-insured for unemployment and provides a quarterly payment to the NYS Unemployment Office based on actual claims paid.
- **Workers’ Compensation** –The District is self-insured, and utilizes a Third Party Administrator to manage the workers’ compensation claims for District employees.
- **Employee Assistance Program (EAP)** –The District provides free and confidential counseling services through a formal EAP plan, accessible to all employees and their families.

ROCHESTER CITY SCHOOL DISTRICT - NEW YORK STATE REPORT CARD [2021 - 22]

The New York State Report Card is an important part of the Board of Regents' effort to create educational equity and raise learning outcomes for all students. Knowledge gained from the report card about a school or district can be used to improve instruction and inform services to students. The report card provides information to the public on school/district staff, students, and measures of school and district performance as required by the Every Student Succeeds Act (ESSA). Fundamentally, New York State's ESSA plan is about creating a set of interlocking strategies to promote educational equity by providing support to districts and schools as they work to ensure that every student succeeds. New York State is committed to ensuring that all students succeed and thrive in school no matter who they are, where they live, where they go to school, or where they come from.

GRADES 3-8 ENGLISH LANGUAGE ARTS RESULTS (2021-22)

Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2021-22 NYS standardized assessment results with results from prior years.

SUMMARY RESULTS

ANNUAL REGENTS EXAMINATIONS (2021 - 22)

Annual Regents examination results are those administered in August, January, and June of the reporting year. All administrations of Regents examinations in August 2021 and January 2022 as well as the June 2022 administration of the Regents U.S. History and Government (Framework) exam were canceled. Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2021-22 NYS standardized assessment results with results from prior years.

TOTAL COHORT REGENTS EXAMINATION RESULTS

A High School Cohort consists of all students who first enter grade 9 anywhere or, in the case of ungraded students with disabilities, reach their seventeenth birthday in a particular school year (July 1 - June 30). The "year" used to identify the cohort is the year in which the July 1 - December 31 dates fall. Results are reported four years after these students first enter grade 9.

Due to COVID-19 and changes to New York State testing requirements, Regents examinations in June 2020 through January 2022 were canceled, with the exception of the June 2021 Regents Examinations in ELA, Algebra I, Living Environment, and Physical Setting/Earth Science. The U.S. History & Government (Framework) June 2022 examination was also canceled. Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2018 Total Cohort Regents Examinations results with results from prior years.

NEW YORK STATE ENGLISH AS A SECOND LANGUAGE ACHIEVEMENT TEST (2021-22)

New York State English as a Second Language Achievement Tests (NYSESLAT) are administered in grades K through 12 to all English Language Learners (ELLs). ELLs are students who, by reason of foreign birth or ancestry, speak or understand a language other than English and speak or understand little or no English, and require support to become proficient in English and are identified pursuant to Section 154.3 of Commissioner's Regulations.

Due to the ongoing impacts of COVID-19, it may not be appropriate to compare 2021-22 NYS standardized assessment results with results from prior years.

NEW YORK STATE ALTERNATE ASSESSMENT (2021-22)

New York State Alternate Assessments (NYSAA) are administered to ungraded students with severe cognitive disabilities whose ages are equivalent to graded students in grades 3 through 8 and high school level.

Due to ongoing impacts of COVID-19, it may not be appropriate to compare 2021-22 NYS standardized assessment results with results from prior years.

Glossary of Useful Terms and Acronyms

Actuals

The amount the District has spent in a given period as opposed to original budget estimates.

ADA

Average Daily Attendance

Adopted Budget

The annual financial plan, listing estimated revenues and expenditures for a fiscal year, and is formally adopted by the Board of Education. Before the budget is adopted, it is known as the Proposed Budget.

Advanced Course Access

New York Equity Coalition that invests in infrastructure that supports more access to advanced coursework.

Amended Budget

A budget with adjustments to the original budget that has been adopted by the Board of Education.

Appropriation

A sum of money or total of assets devoted to a special purpose.

ARP

American Rescue Plan Act of 2021

Average Daily Attendance (ADA)

The total days of attendance for a period divided by the number of days in which school is in session.

Balanced Budget

A budget in which income/revenues equal expenses.

Balancing Act

Online budget simulator designed to give members of the community a voice in the District's decision-making process.

Basic Educational Data System (BEDS)

System for collecting district/school student enrollment and staff counts set up by the New York State Education Department. The data is then submitted to the State Education Department.

Bilingual Education

Programs designed to help students who have limited English proficiency (primarily geared towards Spanish and/or Latin American dialects).

Bond Anticipation Note

A note which may be redeemed using the proceeds from the future sale of a serial bond. A note is a short-term borrowing instrument, usually requiring repayment within one year of issuance.

Board of Regents

New York State Education Established body that is responsible for the general supervision of all educational activities within the State.

Budget Adoption

Proposal and acceptance of an operating budget.

Cash Capital

The cash capital expenditures are for the purchase of equipment, textbooks, library books, and building renovations. Cash capital appropriations exclude those renovation projects that require the use of borrowing. The cash capital expenditures are distributed in each program and departmental budget.

CFC Career Pathways

Catholic Charities Family and Community Services Pathways. Had programs to enhance employment skills of those struggling with recovery from various hardships.

Chapter 47 Tuition

Group Home tuition costs, both public and private.

Chapter 66 Tuition

Rochester City School District staff member involved in implementing strategies to increase the levels of parent involvement, provide and connect parents to resources that are available to their child, assist in the communication from school-to-home/home-to-school, and empower parents and guardians to be leaders in school. All to support their child's education.

IDEA

Individuals with Disabilities Education Act

Interfund Transfers

An accounting transaction which moves fund balances (reserves) from one fund to another fund. By definition, transfers cannot occur within the same fund. Interfund transfers as a source of budget represent District funding through different fund sources than those specific to a program.

Maintenance of Effort (MOE)

Required review within Rochester City School District, specifically the Special Education Department, required in order to validate whether or not the district has maintained a specified level of financial effort in the health area for which Federal funds will be provided. The review is mandatory in order to receive Federal Grant Funds.

Management System

A set of policies, processes, and procedures used within Rochester City School District to ensure that it can fulfill the tasks required to achieve its objectives.

McKinney-Vento Act

The McKinney-Vento Act states that children and youth who lack “a fixed, regular, and adequate nighttime residence” will be considered homeless. McKinney-Vento eligible students have the right to receive a free, appropriate public education; enroll in school immediately, even if lacking documents normally required for enrollment, or having missed application or enrollment deadlines during any period of homelessness; enroll in school and attend classes while the school gathers needed documents; continue attending the school of origin, or enroll in the local attendance area school if attending the school of origin is not in the best interest of the student or is contrary to the request of the parent, guardian, or unaccompanied youth; receive transportation to and from the school of origin, if requested by the parent or guardian, or by the local liaison on behalf of an unaccompanied youth; and receive educational services comparable to those provided to other students, according to each student’s need.

Mentor Teachers

Specially selected teachers who receive a stipend to work with inexperienced teachers on improving curriculum and instructional practices.

Multi-Tiered System

Systematic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students.

My Brother’s Keeper (MBK)

New York State Education Department initiative aimed to “Change the Narrative” of boys and young men that are minorities, by closing and eliminating the opportunity gaps that they face and helping them reach their full potential.

New York State Comptroller

State Chief Fiscal Officer (CFO) empowered to ensure that Rochester City School District uses taxpayer money effectively and efficiently to promote the common good.

Office of Parent Engagement = Serves our district parents, students, and school in support of academic success for all students.

Parent Liaison

A Rochester City School District staff member (opposed to a volunteer), who works to bridge the communication between the school environment and home by helping parents get the information, help, and support they need to ensure their child's academic and social success in school.

Parent University

Collaboration of resources and course offerings to help parents become full partners in their children's education.

Primary Project

A national evidence-based program that helps children in Pre-K through third grade who show emerging school adjustment difficulties and provides them with one-on-one time with a specifically training and supervised paraprofessional adjust to school, gain confidence and social skills.

Program Initiatives

Program emphasizing the opportunity to act or take charge to improve education for students.

QSCB

Qualified School Construction Bonds.

Rochester Joint Schools Construction Board (RJSCB) Subsidies

Created by the New York State Legislation in 2007 in order to provide the City of Rochester and the Rochester City School District greater capability to meet the educational needs of its school children.

Special Education (SPED)

Special Education is a category of programs that deliver educational services to students with diverse special needs. These programs provide instruction and services specially designed to meet each special education student's unique needs. Programs include classroom instruction, home instruction, instruction in hospitals and institutions, or other settings. The Federal Law that supports special education and related services is the Individuals with Disabilities Education Act (IDEA). Types of disabilities include learning disabilities, emotional disturbance, speech and language impairments, orthopedic impairments, hearing and vision impairments, cognitive impairments, autism and medical fragility. State Aid The primary type of State Aid is provided through Foundation Aid, which can be used for any purpose or program.

SWD

Students with Disabilities

Teacher Centers Rochester

Professional learning center in the Greater Rochester Area. New York State. Teacher Centers are the largest professional learning communities in New York State, working towards the implementation support for NYS and federal education initiatives dedicated to high quality, job-embedded and student focused professional learning experiences.

Teachers of Tomorrow

Alternative certification program provider.

Title I

This federal program provides funds for educationally disadvantaged (low-income) students. Title I monies are intended to supplement state and District funds, with schools involving parents in deciding and monitoring how funds are spent. Title I is the largest federal program included in the No Child Left Behind (NCLB) Act. Funds are generated based on poverty. The use of the funds is determined by need. The District was reviewed by the New York State Education Department (NYSED). Changes implemented by this visit included establishing an objective and consistent method for allocating funds to schools in keeping with the intent of Title I and to provide equitable distribution of the funds. The allocation to schools will hold schools to a higher level of accountability for results, give parents greater choices and opportunity for input, and promote teaching methods that work.

21st Century Community Learning

Program established by Congress to award grants to rural and inner-city public schools. Program supports the creation of community learning centers that provide academic enrichment opportunities during non-school hours for children, particularly students who attend high-poverty and low-performing schools. The program helps students meet state and local student standards in core academic subjects.
