Dear Dr. Myers-Small:

The New York State Education Department's (NYSED) Office of Special Education has completed its review of the corrective actions required to complete Rochester City School District's compliance assurance plan (CAP). This CAP was a result of a 2020-21 Coordinated Intervention District Review.

This is to inform you that the documentation submitted to NYSED was accepted as verification that the District has resolved the identified noncompliance. For your records, a copy of the CAP is enclosed, which includes the dates the identified areas of noncompliance were resolved. No further action is required regarding this matter.

Thank you for your diligence in resolving these issues. If you have any questions pertaining to this correspondence, please contact me at the telephone number listed above.

Sincerely,

Anissa Lukowski  
Regional Associate
