

August 17, 2015

Dear Students, Parents and Guardians,

I would like to take the time to welcome you to the second grade! My name is Tammy Marshmon and I will be your child's second grade teacher this year. This is my third year at Mary McLeod Bethune and I am eager to begin another great year at an excellent school!

I just want to take a moment to let you know a little about myself. This is my sixth year of teaching in the Rochester City School District. I find that I thoroughly enjoy it more each year. I live with my husband and son. I spend most of my time running my son around, spending time with extended family, and attending church services.

Second grade is a very important year. The curriculum is both challenging and exciting. When the school year begins please take time to review the student handbook as well as any forms that will be sent home. During the first couple of days of school, I will be highlighting the classroom procedures and expectations. Students are expected to be respectful, work hard, and do their best every day.

Below is a list of classroom supplies that will be needed throughout the school year.

Supply Items:

48 Pencils

2 Boxes of Kleenex

Markers

Colored Pencils

Small plastic baggies

Glue Sticks

Highlighters

Large Lysol/Clorox wipes

Hand Sanitizer

Sincerely,

Mrs. Marshmon
