

Welcome to school! We are thrilled to have your child in our class. We are looking forward to getting to know you and your child. We have worked hard to plan many exciting projects and activities.

Pre-K is MESSY! We play outside, paint, use the water table, and explore every day. Please dress your child **in play clothes and sneakers**.

Young children learn best through play and exploration. As the children are ready we will work closely with them to guide some of their play toward academic learning.

To provide your child with limitless opportunities for academic and social success; **daily attendance is essential**. Of course, we understand there may be times when your child will need to be absent. Please extend that understanding by calling to inform us of your child's absence. Otherwise, your child will receive an unexcused absence for that day. We do worry when the children are absent.

Please send your child to school with one set of **labeled** extra clothes – for any accidents (spills in addition to toileting accidents) that sometimes happen. The extra clothes can stay in your child's cubbie. If you leave extra clothes in your child's cubbie please change them periodically to reflect the seasons.

Please inform us if your child has any medical conditions that we should be aware of, for example– allergies or asthma. If your child requires medication for their medical conditions; please leave the medication with the nurse.

If your phone number changes at any time please keep us updated. It is important for us to have working phone numbers in case of an emergency.

Thank you,
Ms. Sara Ann Devine
Mrs. Sue Buehner
