Statement of Assurances

By signing this document, the Local Education Agency certifies that:

- 2. The SCEP has been formally approved by the school board and will be made widely available through public means, such as posting on the internet, distribution through the media, and distribution through public agencies.
- 3. The SCEP will be implemented no later than the beginning of the first day of regular student attendance.
- 4. The SCEP contains at least one evidence-based intervention.
- 5. Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Evidence-Based Intervention

Evidence-Based Intervention: All CSI and TSI schools must implement at least one evidence-based intervention as part of its SCEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. More information can be found at http://www.nysed.gov/accountability/evidence-based-interventions

Schools may choose one of three options for identifying their evidence-based intervention:

- 1) Selecting a strategy from the State-Supported Evidence Based Strategies located at: http://www.nysed.gov/accountability/state-supported-evidence-based-strategies
- 2) Selecting an evidence-based intervention identified through either the What Works Clearinghouse, Social Programs That Work, or Blueprints for Healthy Youth Development
- 3) Identifying an evidence-based intervention on its own that meets the criteria for Tier 1, Tier 2, or Tier 3.

Directions: Place an "X" in the box next to the path the school has chosen for identifying its evidence-based intervention and follow the corresponding directions for that path.

X State-Supported If selected, indicate below the specific strategy found at http://www.nysed.gov/accountability/state-supported-evidence-based-strategies that the school is implementing in 2019-20. Strategy the school will implement: Restorative Justice/Practices for PreK - 6

Clearinghouse-Identified If selected, indicate below the specific intervention or program to be implemented, the clearinghouse (What Works, Social Programs that Work, or Blueprints for Healthy Youth) that has concluded this strategy is effective, and the rating or score the clearinghouse has given this strategy.
