Implementation is required no later than the first day of regular student attendance.

SIGNATURES

DIRECTIONS: The SCEP must be submitted with the signatures of those who participated in the development of the SCEP. The individuals identified in the "Stakeholder Participation" tab shall provide their signatures in the space below.

If the school is unable to secure the signatures of an individual in the space below, the school shall write "Addendum Attached," in the space for the signature and provide, in a separate document, a brief written explanation as to why it was unable to secure that individual's signature along with the most recent contact information for that individual. In addition, that member must be provided the opportunity to submit in writing the reason he/she did not sign.

If an individual identified below has objections or concerns related to the SCEP, that team member shall note "Addendum Attached," next to his or her signature and provide, in a separate document, an explanation of the specific objections or concerns.

Statement of Assurances

By signing this document, the Local Education Agency certifies that:

- 2. The SCEP has been formally approved by the school board and will be made widely available through public means, such as posting on the internet, distribution through the media, and distribution through public agencies.
- 3. The SCEP will be implemented no later than the beginning of the first day of regular student attendance.
- 4. The SCEP contains at least one evidence-based intervention.
- 5. Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Evidence-Based Intervention

Evidence-Based Intervention: All CSI and TSI schools must implement at least one evidence-based intervention as part of its SCEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. More information can be found at http://www.nysed.gov/accountability/evidence-based-interventions

Schools may choose one of three options for identifying their evidence-based intervention:

- 1) Selecting a strategy from the State-Supported Evidence Based Strategies located at: http://www.nysed.gov/accountability/state-supported-evidence-based-strategies
- 2) Selecting an evidence-based intervention identified through either the What Works Clearinghouse, Social Programs That Work, or Blueprints for Healthy Youth Development
- 3) Identifying an evidence-based intervention on its own that meets the criteria for Tier 1, Tier 2, or Tier 3.

Directions: Place an "X" in the box next to the path the school has chosen for identifying its evidence-based intervention and follow the corresponding directions for that path.

State-Supported If selected, indicate below the specific strategy found at http://www.nysed.gov/accountability/state-supported-evidence-based-strategies that the school is implementing in 2019-20. Strategy the school will implement: Professional Learning Communities

Clearinghouse-Identified If selected, indicate below the specific intervention or program to be implemented, the clearinghouse (What Works, Social Programs that Work, or Blueprints for Healthy Youth) that has concluded this strategy is effective, and the rating or score the clearinghouse has given this strategy. Strategy the school will implement: Clearinghouse

Meaningful Stakeholder Participation

Meaningful Stakeholder Participation: The SCEP must be developed in consultation with parents, school staff, and in secondary schools, students, and in accordance with §100.11 of Commissioner's Regulations. All schools are expected to follow the guidelines outlined in the "Requirements for Meaningful Stakeholder Participation" section of the SCEP Completion Guide.

Instructions: List the stakeholders who participated in developing the SCEP. Boxes should be added as necessary. The school shall obtain the signatures of the individuals identified below on the SCEP Cover Page tab.
