SCEP Plan Overview

In this section, the district must describe the development of the plan, the degree to which the previous school year's SCEP was successfully implemented, overall improvement mission or guiding principles at the core of the strategy for executing the mission/guiding principles, the key design elements of the SCEP, and other unique characteristics of the plan (if any), and provide evidence of the district's capacity to effectively oversee and manage the improvement plan.

The SCEP must be made widely available through public means, such as posting on the Internet, by the district. The Overview will serve as the at-a-glance summary of how the district will use various funding sources to improve student achievement. A complete overview will address the following:

1. Rate the degree to which the School achieved the goals identified in the previous year's School Comprehensive Education Plan (Mark with an "X").

- Limited Degree (Fewer than 20% of goals were achieved.)
- Partial Degree (Fewer than 50% of goals were achieved.)
- Moderate Degree (At least 50% of goals were achieved.)
- Major Degree (At least 90% of goals were achieved.)

2. Rate the degree to which the School successfully implemented the activities identified in the previous year's SCEP (Mark with an "X").

- Limited Degree (Fewer than 20% of activities were carried out.)
- Partial Degree (Fewer than 50% of activities were carried out.)
- Moderate Degree (At least 50% of activities were carried out.)
- Major Degree (At least 90% of activities were carried out.)

3. Rate the degree to which the activities identified in the previous year's SCEP impacted academic achievement targets for identified subgroups (Mark with an "X").

- Limited Degree (No identified subgroups improved achievement.)
- Partial Degree (Some of the identified subgroups improved achievement.)
- Moderate Degree (A majority of identified subgroups improved achievement.)
- Major Degree (All identified subgroups improved achievement.)

4. Rate the degree to which the activities identified in the previous year's SCEP increased Parent Engagement (Mark with an "X").

- Limited Degree (There was no increase in the level of Parent Engagement.)
- Partial Degree (There was a minor increase in the level of Parent Engagement.)
- Moderate Degree (There was modest increase in the level of Parent Engagement.)
- Major Degree (There was a significant increase in the level of Parent Engagement.)

5. Rate the degree to which the activities identified in the previous year's SCEP received the funding necessary to achieve the corresponding goals (Mark with an "X").

- Limited Degree (Fewer than 20% of planned activities were funded.)
- Partial Degree (Fewer than 50% of planned activities were funded.)
- Moderate Degree (At least 50% of planned activities were funded.)
- Major Degree (At least 90% of planned activities were funded.)

6. Identify in which Tenet the school made the most growth during the previous year (Mark with an "X").

- Tenet 1: District Leadership and Capacity
- Tenet 2: School Leader Practices and Decisions
- Tenet 3: Curriculum Development and Support
- Tenet 4: Teacher Practices and Decisions
- Tenet 5: Student Social and Emotional Developmental Health
- Tenet 6: Family and Community Engagement

In reflecting on the PREVIOUS YEAR'S PLAN:

• Describe the most significant positive impact(s) that resulted from the previous year's plan (may include such examples as specific changes in adult behavior and/or measurable changes in student outcomes).

• Describe all mid-course corrections to the previous year's plan in response to data review and needed adjustment. Include details of current impact and expectations for sustainability moving forward.

In developing the CURRENT YEAR'S plan:

• List the highlights of the initiatives described in the current SCEP.

• List the identified needs in the school that will be targeted for improvement in this plan.

• State the mission or guiding principles of the school and describe the relationship between the mission or guiding principles and the identified needs of the school.

• List the student academic achievement targets for the identified subgroups in the current plan.

• Describe how school structures will drive strategic implementation of the mission/guiding principles.

• List anticipated barriers that may impact the ability to accomplish the mission or guiding principles and how those barriers will be addressed.

• Describe the professional development opportunities that will be provided to teachers and school leaders and the rationale for each opportunity.

• List all methods of dialogue that school leaders will implement to strengthen relationships with school staff and the community.

• List all the ways in which the current plan will be made widely available to the public.

• Describe the transition plans to assist preschool children from early childhood programs to the elementary school program (e.g., aligned curriculum, joint PD & parent involvement activities, sharing of records/info, early intervention services, etc.). Applies to elementary schools ONLY.

Re-Identified Focus Schools

(Applicable to schools that were identified as Focus during the 2012-2016 identification period)

Focus Schools that were re-identified on the February 2016 list were required to implement more rigorous interventions focused on the needs identified through their DTSDE reviews. Focus Schools were required to implement at least one ESEA Flexibility Turnaround Principle (e.g., redesign the school day, week, or year; modify the instructional program to ensure it is research-based, rigorous, and aligned with State academic content standards; provide time for collaboration on the use of data) no later than the 2016-17 school year. The SCEP must describe the schools plan for intensive implementation of the selected Turnaround Principle and Districts must complete a school leader checklist for the re-identified Focus School, if the principal has been leader of school for more than two full academic years, in order to determine whether the school leader should be provided additional professional development and/or mentoring or replaced. Below provide an update on the implementation of the selected principle.

More information about the Turnaround Principles can be found at: https://www.ed.gov/sites/default/files/esea-flexibility-acc.doc

1. Describe the current stage of implementation of the Turnaround Principle the school chose to begin implementing in 2016-17?

2. Identify the method for evaluating implementation of the Principle and any adjustments that have been made based on the evaluation. Include of the data sources used and trends identified from analysis.

3. How will the school continue to monitor and make adjustments to implementation?

Priority Schools: Whole School Reform Model
(Applicable to schools that were identified as Priority during the 2012-2016 identification period)

Under New York State's approved ESEA Flexibility Waiver, all Priority Schools are required to implement a systematic whole school reform model for a period of 3 years. In support of this implementation the Department has committed to ensuring that leaders of Priority Schools that are engaged in implementing whole school reform models are selected and supported by districts through a process that ensures high leadership qualifications as well as a good match between the leader's skills and competencies and the identified needs of the school. All priority schools that are not current recipients of School Improvement Grant (SIG [G]) or School Innovation Fund (SIF) must complete and submit the principal checklist accessed by the hyperlink and provide full responses to the narrative questions below to demonstrate their plan for implementation of a whole school reform model.

http://www.p12.nysed.gov/accountability/forms.html

1. New School Design and Educational Plan

A. Curriculum and Instruction: Provide a description of the curriculum being used by the school and any adjustments made to the curriculum based on data analysis of the implementation of the 16-17 plan.

B. Professional Development: Provide an update on the coherent framework for professional development described in the 2016-17 plan, which includes extensive job-embedded professional development, and structures for collaboration that enable teachers and support staff to have common, regular, and frequent planning time. Discuss how curriculum and instructional needs are reflected in plans for professional development.

C. Use of Time: Provide an update on the daily calendar and schedule as described in the 2016-17 plan and articulate how the use of time will continue to provide for meaningful improvements in the quality of instruction, enrichment opportunities, and professional culture of teacher leadership and collaboration. Based on data analysis of the 2016-17 plan

D. Assessment: Provide an update to the school's approach to assessment as described in the 2016-17 plan.

E. School Climate and Discipline: **Describe the strategies the school will employ to continue to develop and sustain a safe and orderly school climate that supports fulfillment of the educational goals. Explain the school's approach to student behavior management and discipline for both the general student population and for students with special needs and if it has changed since evaluation of the 2016-17 plan. Explain how the school will encourage parent/family involvement and communication to support student learning and how it will gauge satisfaction with school climate.**

F. Meeting the Needs of Unique Populations: **Describe the population of students with disabilities, including those with moderate to severe disabilities, students who are English language learners, and students from households that are eligible for the federal free or reduced-priced lunch program, first generation college goers, students of color, and other young people underrepresented in higher education and the specific continuum of instructional and support strategies that will be employed to meet the needs of these populations.**

2. Organizational Plan

The Organizational Plan should provide an understanding of how the school will be operated, beginning with its governance and management. It should present a clear picture of the school's operating priorities, delegation of responsibilities, and relationships with key stakeholders.

A. Site-based Governance: **Provide an update to the organizational structure of the school and its day-to-day operation. Explain the rationale for any changes or lack thereof that have occurred since the 2016-17 plan.**

B. Staffing, Human Resources, and Work Conditions: **Provide an update to the staffing plan for the school including staffing needs and recruitment strategies and what changes the school has made since the implementation of the 16-17 plan.**

Priority Schools: Whole School Reform Model

(Applicable to schools that were newly identified as Priority in February 2016)

Newly identified Priority Schools are required to implement a whole school reform model by no later than the 2018-19 school year. Districts may meet this requirement through implementation of a 1003(g) School Improvement Grant intervention model, a School Innovation Fund model, or through implementation of a School Comprehensive Education Plan that includes a Whole School Reform Model aligned to the United States Department of Education's (USDE) Turnaround Principles. More information regarding the requirements of these models can be found on the Office of School Innovation and Reform's website at http://www.p12.nysed.gov/oisr/. In support of this implementation the Department has committed to ensuring that leaders of Priority Schools that are engaged in implementing whole school reform models are selected and supported by districts through a process that ensures high leadership qualifications as well as a good match between the leader's skills and competencies and the identified needs of the school. All priority schools that are not current recipients of School Improvement Grant (SIG [G]) or School Innovation Fund (SIF) must complete and submit the principal checklist accessed by the hyperlink and provide full responses to the narrative questions below to demonstrate their plan for implementation of a whole school reform model.

http://www.p12.nysed.gov/accountability/forms.html

1. Identify the whole school reform model the school will implement no later than the 2018-19 school year.

Priority Schools: Expanded Learning Time Plan

As per New York State's approved ESEA Flexibility Waiver, Priority schools implementing a whole school reform model in 2017-2018 must demonstrate that a minimum of 200 additional student contact hours are being offered as Expanded Learning Time in addition to the current mandated length of 900 hours per year of instruction in elementary school and 990 hours per year in high school.

A. Describe the target population of students to be served by the Expanded Learning Time program. Indicate whether students' participation in the additional hours will be mandatory or voluntary, and if voluntary, how are you ensuring that 50% or more of the students or of Academic Intervention Services students are participating?

B. Describe the unique academic, social, and emotional needs of targeted students that will be addressed through the components of the ELT program.

C. Describe how the school engaged representatives from multiple school and community stakeholder groups in thoughtful, data-driven needs assessment that address the holistic needs of students and teachers.

D. Describe the focused priorities, expressed as clearly articulated and measurable goals, that will guide the implementation and evaluation of all program partnerships and activities.

E. Describe how the school will foster a culture of safety, support, and social emotional growth where high expectations for students and staff are clearly articulated and supported through appropriate policies, procedures, and/or practices that adhere to NYSED's social/emotional learning guidelines.

F. Describe how the school will provide a consistently high-quality and rigorous core academic program, delivered by NYS certified teachers and qualified community educators (e.g., tutors, teaching artists, etc.), that directly aligns with Common Core Learning Standards.

G. Describe how the school will support personalized learning for all students through differentiated instruction, timely and targeted interventions for students who require additional support, and opportunities for acceleration.

H. Describe how the school will integrate high-quality and engaging enrichment programming that builds critical knowledge and skills and exposes students to potential college and career pathways.

I. Describe how the school will embed consistent and meaningful opportunities for all constituencies to collaborate with their peers, participate in professional development that improves instructional practices, and engage in self-reflection and evaluation.

J. Describe how the school will utilize data cycles that include baseline, progress monitoring, and summative evaluation measures for evaluating teaching and learning and informing appropriate supports, interventions, and/or services.

K. Describe how the school will allocate and integrate school, district, and community resources strategically to ensure that identified goals are achieved and critical program components can be sustained and/or scaled up over time.
