Mr. Terry Dade	Camaron Clyburn	Michele Alberti White, Executive Director of School Innovation Dr. Shirley JA Green, Chief of School Brennen Colwell, OSI Ambassador		PreK - 6	3.7% as of January 22, 2020	17.6% as of January 22, 2020	324 as of January 22, 2020
	Appointment Date: July 2009						

Executive Summary

Please provide a *plain-language summary* of this quarter in terms of implementing key strategies, engaging the community, enacting Receivership, and assessing Level 1 and Level 2 indicator data. The summary should be written in terms easily understood by the community-at-large. Please avoid terms and acronyms that are unfamiliar to the public, and limit the summary to *no more than 500 words*.

The goal of Dr. Walter Cooper Academy (DWCA or School No. 10 henceforth) for this school year is to continue to provide all students with access to high quality instruction that is designed to close achievement gaps. This continues to be the goal even though the school has had some major changes to the instructional staff due to RCSD's budget reduction. The impact of staff reductions are heaviest in the intermediate classrooms. Due to RCSD's budget reduction, DWCA had reductions in force losing eight employees:

1. 6 Classroom teachers (one Prekindergarten teacher, two 4th grade teachers, two 6th grade teachers, and one 5th grade teacher)

2. 1 Reading Teacher

3. 1 district based Home School Assistant support

The Principal and Assistant Principal remained consistent during this change. In addition, DWCA was provided with another administrator, Community School Coordinator's position. This position is new to DWCA and will be helpful with lifting the work of establishing a community school and the continued promotion of parent engagement.

An integral piece of being an EL Education school is providing teachers with the foundational understandings of Expeditionary Learning. It is imperative that teachers new to DWCA have the opportunity to become familiarized with the school's instructional focus and practices. New staff members will be provided with morning training that provides a review of school philosophy, school-wide norms and consistencies, teaching practices, and cultural aspects of Dr. Walter Cooper Academy.

In addition to supporting new staff members and reinforcing the basic principles of DWCA, the second half of the school year will continue to be focused on data-driven instruction. Grade level meetings have been redesigned to allow for more in-depth conversations surrounding student achievement and instructional practices while staying rooted in the data. DWCA has embraced the Data Wise process for examining student data and teacher practices. Teachers meet with administrators monthly to discuss individual student achievement, interventions, and opportunities for acceleration.

Attention – This document is intended to be completed by the school receiver and/or its designee and submitted electronically to OISR@NYSED.gov. It is a self-assessment of the implementation and outcomes of key strategies related to receivership, and as such, should not be considered a formal evaluation on the part of the New York State Education Department. This document also serves as the Progress Review Report for receivership schools receiving Persistently Struggling School (PSSG), School Improvement Grant (SIG), and Community School Grant (CSG) funds. Additionally, this document serves as the quarterly reporting instrument for receivership schools with School Comprehensive Education Plans (SCEP). The Quarterly Report, in its entirety, must be posted on the district web-site.

Directions for Parts I and II - District and school staff should respond to the sections of this document by both analyzing and summarizing the key strategies of the first quarter in light of their realized level of implementation and their impact on student learning outcomes. The district should ensure the key strategies address the needs of all learners, particularly the needs of subgroups of students and those at risk for not meeting the challenging state academic standards. District and school staff should consider the impact of proposed key strategies on student learning, as well as the long-term sustainability and connectivity of those key strategies to diagnostic review feedback.

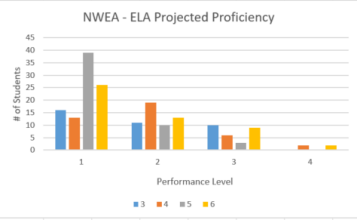

Part I – Demonstrable Improvement Indicators (Level 1)

Identify Indicator # and Name	Baseline	2019-20 Progress Target	Status (R/Y/G)	Based on the current implementation status, does the school expect to meet the 2019-20 progress target for this indicator? For each Level 1 indicator, please answer yes or no below.	What are the SCEP/SIG goals and or key strategies that have supported progress made in meeting this indicator? Describe adjustments made to key strategies since the approval of the 19-20 continuation plan and a rationale as to why these adjustments were made.	List the formative data points being used to assess progress towards meeting the target for this indicator?	Based upon those formative data points, provide quantitative and/or qualitative statement(s) that demonstrate impact towards meeting the target.
5 - School Safety	.4	.2	R	yes	<p><u>School Culture</u> School culture, routines, rituals and expectations are being reinforced with new staff members and stressed in areas where there have been classroom changes. This is directly addressed in monthly staff meetings and PD.</p> <p>Weekly, the entire school gathers for “Cooper Circle” which reinforces the “Cooper Code” and student behavior.</p> <p><u>Behavior Interventions</u> In addition to reinforcing expectations for student behavior through school culture initiatives, several interventions have been put in place to mediate conflict. Center For Youth provides a Crisis Interventionist to assist with de-escalation and restorative practices. The school is formalizing a</p>	<ul style="list-style-type: none"> ● Monthly review of disciplinary referrals ● Crisis Interventions provided by CFY YTD are 220. DWCA will begin to implement a Community Partner Log to help monitor the number of interventions and assist with the progressive discipline plan 	<p>YTD: In School Suspensions - 6 Out of School Suspensions - 2</p> <p>VADIR - 0 incidents</p> <p>Implementation of MTSS began in the month of January. There have been three behavior referrals so far.</p> <p>Progressive Discipline Plan is being implemented to identify tiers of support and interventions to expand upon the restorative practice already being utilized school-wide.</p>

					<p>process to allow for teachers to more efficiently utilized this resource.</p> <p>Implementation of MTSS (multi-tiered student support) referral process to support teacher interventions for both behavioral and academic needs. The MTSS Team will meet weekly to formulate intervention plans to address each referral made.</p>												
33 - 3-8 ELA All Students MGP	44.1	46.1		no	<p>Based on the school’s quarter 2 data, DWCA is not on target to meet the target for this indicator. Therefore, the following adjustments have been made:</p> <p>Weekly Grade Level Meetings:</p> <ul style="list-style-type: none"> ● Grade level meetings have been adjusted to follow the Data Wise Process starting with identifying a priority question at each grade level. Grade level meetings then move to the learner centered problem. Grade levels then meet with the EL/ELA instructional coach to identify the problem of practice and create an action plan, ending with an assessment of the impact the plan had on academic performance. ● At DWCA, this process begins with: <ul style="list-style-type: none"> ○ administrators meeting with grade level teams using the Question Formulation Technique Protocol from Data Wise. Grade levels generate a list of issues affecting a lack of academic progress in ELA. Grade levels 	<ul style="list-style-type: none"> ● NYS Assessments ● NWEA <ul style="list-style-type: none"> ○ Goal Setting Student Conferences ● Common Formative Assessments (CFA) <ul style="list-style-type: none"> ○ RtI/AIS progress monitoring assessments ○ RtI/AIS End-of-Cycle Assessments ○ ELA Module Mid-Unit Assessments ● Running Reading Records ● ILT Observational Data ● Administrative Data Conversations 	<p>Weekly Grade Level Meetings: Classroom teachers meet with administrators to engage in data conversations looking at all students, their growth or lack of.</p> <div style="text-align: center;"> <table border="1" style="margin: 0 auto;"> <caption>NWEA - Growth Target</caption> <thead> <tr> <th>Grade Level</th> <th># Students Meeting Growth Target</th> </tr> </thead> <tbody> <tr> <td>3</td> <td>20</td> </tr> <tr> <td>4</td> <td>14</td> </tr> <tr> <td>5</td> <td>23</td> </tr> <tr> <td>6</td> <td>21</td> </tr> </tbody> </table> </div> <p>A review of NWEA data shows 78 students have demonstrated growth in ELA. Part II – Demonstrable Improvement Indicators (Level 2)

Identify Indicator # and Name	Baseline	2019-20 Progress Target	Status (R/Y/G)	Based on the current implementation status, does the school expect to meet the 2019-20 progress target for this indicator? For each Level 2 indicator, please answer yes or no below.	What are the SCEP/SIG goals and or key strategies which have supported progress made in meeting this indicator? Describe adjustments made to key strategies since the approval of the 19-20 continuation plan and a rationale as to why these adjustments were made.	List the formative data points being used to assess progress towards meeting the target for this indicator?	Based upon those formative data points, provide quantitative and/or qualitative statement(s) which demonstrate impact towards meeting the target.
2 - Plan for and implement Community School Model	n/a	See the Community School Implementation Rubric	Y	Yes	In the month of January, a Community School Site Coordinator (CSSC) was assigned to School #10. This CSSC has past experience with implementing the community school model and aligning resources to meet the needs of the school.	<ul style="list-style-type: none"> ● Needs assessment survey data collected from various stakeholder groups (parents, staff, and students) ● Reevaluation of the existing CET to ensure representation of all stakeholders and current partners ● Alignment of current and potential partners to potential parent workshops to be offered in the spring ● Establishment of new partnerships to support both students and staff 	<ul style="list-style-type: none"> ● CSSC and CET will work to align indicators with the resources gathered and evaluate the data gathered from the needs assessment ● Reevaluation of current partner supports and contacts in place to be sure they are best serving the needs of the students and the school community ● CET meetings take place monthly with an average of 15 members in attendance. Members on CET include teachers, parents, community advocates, community partners, building level administrators, and district level administrators. ● Needs assessment survey deadlines for parents at the

							<p>end of January - currently 49 parent surveys have been collected which is 15% of total population</p> <ul style="list-style-type: none"> Needs assessments to students and staff to begin in February Asset mapping of the area surrounding the school building will be compiled as well as a city-wide asset map to provide to students who do not live in close proximity to the school building
6 - Family and Community Engagement (DTSDE Tenet 6)	n/a	50% of the Tenet 6 Phase 2 indicators at least four Tenet 6 Phase 3 indicators **In addition, the school must have 90% of the Phase 1		Yes	<p>The CSSC and the parent liaison are working to actively engage all stakeholders by implementing the following:</p> <ul style="list-style-type: none"> Monthly coffee with the principal Monthly staff meetings Monthly staff breakfast sponsored by community partners Including all stakeholder representatives on the CET “Grandparents” are volunteering in kindergarten classrooms 	<ul style="list-style-type: none"> Currently, 49 family surveys have been collected for the Needs Assessment 	<p>The most significant difference this quarter has been the addition of a CSSC to assist with the effort of aligning resources. Systems will be implemented for monitoring communication in an effort to be more reciprocal and to garner more family engagement as the school works to build relationships.</p> <p>Systems will also be implemented to monitor the effectiveness of community partnerships and how</p>

		common across the district.			<ul style="list-style-type: none"> ● 90% of all Tenet 6 Phase 1 has been implemented ● Parent and Staff workshops to be scheduled as more partnerships are developed with local organizations and businesses ● Personalized phone calls are made to families ● The principal shares data with staff, community advocates, and families during monthly meetings ● Materials sent home are in appropriate languages 		<p>those partnerships best support school initiatives.</p> <p>After the initial findings of the needs assessment are analyzed at the end of January, a more targeted effort to implement and monitor these systems will be put into place in the spring.</p>
94 - Providing 200 Hours of Extended Day Learning Time	n/a	See the ELT Implementation rubric		Yes	<p>The school is on target to reach 200 hours of ELT.</p> <p>DWCA is continuing to implement their process for adding additional programming for students and will hold before school and recess programming to help support students in their preparation for NYS assessments as well as social-emotional support. The Cooper After School Program (CAP) will be held after school twice a week for 3 hours. DWCA will begin in October 2019 and end in May 2020. The purpose of the CAP program is to provide students additional support in both math and ELA. The program will also include 30 minutes of physical activity, along with a snack. Students will be progressed monitored to inform instruction. Also, DWCA partners with YMCA afterschool program</p>	<p>177 additional hours are already embedded in the school day (9am - 3:30pm). The additional 23 hours needed will be offered outside of the school day March - June through the Cooper Learning Institute.</p>	<p>During the additional school hours that are allocated to ELT, teachers are providing students with instruction that allows for both additional AIS and acceleration opportunities to maximize student achievement.</p>

					providing 40 students with 3 hours of academic and physical learning. This begins in October and concludes in June. Once the program begins it takes place 5 days a week.

Red	Major barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

Part IV – Community Engagement Team and Receivership Powers

<u>Community Engagement Team (CET)</u>	
Describe the type, nature, frequency and outcomes of meetings conducted this quarter by the CET. Describe the same for sub-committees. Describe specific outcomes of the CET plan implementation; school support provided; and dissemination of information to whom and for what purpose. If the 19-20 CET plan and/or the 19-20 CET membership changed, please attach copies of those updated documents to this report.	
Status (R/Y/G)	Analysis/Report Out
	<p>The CET is comprised of administrators, teachers, parents and various representatives from school-based partners and community advocates. CET meets monthly to collectively review actions being implemented to address the school’s needs and related data, all in alignment with the school’s instructional priorities, Receivership targets and areas of need as identified through the Community Schools Needs Assessment.</p> <p>CET membership has changed and can be found here: https://www.rcsdk12.org/Page/52287</p>
<u>Powers of the Receiver</u>	

Describe the use of the school receiver’s powers (pursuant to CR §100.19) during this reporting period. Discuss the goal of each power and its expected impact.					
Status (R/Y/G)	Analysis/Report Out				
	<p>The Superintendent Receiver Authority continues to be utilized in multiple ways for the 19-20 school year:</p> <ul style="list-style-type: none"> · Election to Work Agreements (EWA) continue to ensure that teachers at Receivership schools committed to the priorities of each school. Additionally, the EWA allowed Principals to involuntarily transfer teachers out of the school who were not aligned to the priorities of the school or hold teachers who were being recruited by other schools. · Staffing continues to be a priority for all Receivership schools by the Department of Human Capital Initiatives. Flexible opportunities for hiring teachers and Receivership schools are given first access to available teachers. · The Office of School Innovation holds monthly professional learning/team meetings to focus on additional professional development opportunities and long range planning. · Curricular and master scheduling flexibility was a priority for the Receivership schools allowing flexibility for the Receivership Principals to focus on their student needs that other comprehensive schools in the District were not allowed. 				
Green	Expected results for this phase of the project are fully met, work is on budget, and the school is fully implementing this strategy <i>with impact</i> .	Yellow	Some barriers to implementation / outcomes / spending exist; with adaptation/correction school will be able to achieve desired results.	Red	Major barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

Part V – Community Schools Grant (CSG)

(This section needs to be completed by every receivership school receiving CSG funds during the 8/1/17 – 6/30/20 budget period.)

<u>Community Schools Grant (CSG)</u>	
As per CR §100.19, receivership schools receiving CSG funds will submit quarterly written reports to the Commissioner containing specific information about the progress of the planning, implementation, and operations of the CSG and the requirements of the regulations.	
Required Activities	Provide updates to each activity with regard to its planning, implementation, or operations.
Community-Wide Needs Assessment (if one is being conducted in 19-20)	
To ensure substantial parent, teacher, and community engagement at this school, provide specific details about these three areas for this reporting period:	

1. public meetings held with parents, teachers, and community members to provide information and solicit input (CR §100.19: held at least quarterly during the school year)	
2. written notices and communications provided to parents, teachers, other school personnel, and community members (emails, postings, translated into recipients’ native language)	
3. parents, teachers, and community members’ access to Community School Site Coordinator and Steering Committee	
Steering Committee (challenges, meetings held, accomplishments)	
Feeder School Services (specific services offered and impact)	
Community School Site Coordinator (accomplishments and challenges)	
Programmatic Costs (accomplishments and challenges based on the approved activities on the Attachment C school plan)	
Capital Cost Project(s) (accomplishments and challenges based on the approved activities on the Attachment C school plan)	

Green	Expected results for this phase of the project are fully met, work is on budget, and the school is fully implementing this strategy <i>with impact</i> .	Yellow	Some barriers to implementation / outcomes / spending exist; with adaptation/correction school will be able to achieve desired results.	Red	Major barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

Part VI – Budget

(This section should be completed by all schools funded by the Persistently Struggling Schools Grant (PSSG), the School Improvement Grant (SIG), and the Community Schools Grant (CSG). Add rows as needed.)

<u>Budget Analysis</u>

Identify the grant.	Status(R/Y/G)	If expenditures from the approved 2017-20 (PSSG, CSG) or 2019-20 (SIG 1003(g) FS-10 are on target, describe their impact. If there are challenges describe the course correction to be put in place for Quarter 2.
PSSG:		
SIG:		<p>Code 15</p> <ul style="list-style-type: none"> ● 1.0 FTE EL Instructional Coach - Instructional Coach will support delivery of the EL model with fidelity. ● 2.0 FTE Intervention/Prevention Teachers ● 0.4 FTE Teacher to Support Interdisciplinary Work of Expeditions ● Hourly Pay / After School Tutoring / Break Programming <p>Code 16</p> <ul style="list-style-type: none"> ● Paraprofessional - Provision of an additional paraprofessional to support social-emotional & developmental health in the classroom. <p>Code 40</p> <ul style="list-style-type: none"> ● A 1.0 FTE Intervention/Prevention Specialist from the Center for Youth (CFY) will support School #10's shift to embedded classroom support for restorative practices. CFY is a community-based agency dedicated to helping Rochester's most vulnerable and disenfranchised youth. [Per Contract] ● EL Education Contract <p>Code 45</p> <ul style="list-style-type: none"> ● Supplies and Materials to support Expeditionary Learning curriculum and align with the school's EL Workplan. In order to be in alignment to the curricular trajectory of the 2019/20 school.
CSG:		

Part VII: Best Practices (Optional)

<u>Best Practices</u> The New York State Education Department recognizes the importance of sharing best practices within schools and districts. Please take this opportunity to share one or more best practices currently being implemented in the school. It is the intention of the Department to share these best practices with schools and districts in receivership.	
List the best practice currently being implemented in the school.	Describe the significant improvements in student performance, instructional practice, student/family engagement, and/or school climate that the best practice has had. Discuss the analysis of data/evidence to determine the impact. Describe the possibility of replication in other schools.
