

## Receivership Schools ONLY

### Quarterly Report #1: *October 16, 2017 to January 12, 2018*

School Name	School BEDS Code	District	Lead Partner or EPO	Hyperlink to where this report will be posted on the district website: <a href="https://www.rcsdk12.org/Page/43520">https://www.rcsdk12.org/Page/43520</a>				
James Monroe High School	261600010066	Rochester City School District	n/a	Check which plan below applies:				
				SIG X and PSSG				SCEP
				Cohort (4, 5, 6, or 7?): 4.2				
				Model: Transformation				
Superintendent/EPO	School Principal	Additional District Staff working on Program Oversight		Grade Configuration	High School Graduation Rate (If applicable, please provide the most recent graduation rate data available.):	% ELL	% SWD	Total Enrollment
Barbara Deane-Williams, Superintendent	Sandra Chevalier-Blackman	Dr. Elizabeth Mascitti-Miller, Chief of Superintendent's Receivership Schools and Innovation Michele Alberti White, Executive Director of School Innovation		7 – 12	projected 49.5% as of 1/1/18	45.5% Internal SPA data, 1/3/18	22.9% Internal SPA data, 1/3/18	896 Internal SPA data, 1/3/18
	Appointment Date: August 2016	Carrie Pecor, Director of Program Accountability						

### Executive Summary

Please provide a plain-language summary of this quarter in terms of implementing key strategies, engaging the community, enacting Receivership, and assessing Level 1 and Level 2 indicator data. The summary should be written in terms easily understood by the community-at-large. Please avoid terms and acronyms that are unfamiliar to the public, and limit the summary to no more than 500 words.

James Monroe High School's plan for improvement continues to move forward under the theme of "Sharpening Our Effectiveness," and includes, but is not limited to, the following key strategies:

1. A multi-year shift toward standards based grading
2. Refinement of the co-teaching model for instruction for ELLs
3. Distribution of instructional leadership to a wider group of teacher leaders and administrative staff
4. Enhancement of the coordination and availability of social-emotional and mental health supports

Of particular note at this time is Monroe's provision of immediate academic, social-emotional and family supports for students and families recently arrived as a result of recent hurricanes in Puerto Rico. The school has embedded supplemental ENL supports for these students during their regular school day, and has established after school and Saturday programming to assist students in intensive English language acquisition and acculturation.

Coherent, high-quality professional learning is underway, with cohorts of staff participating in collegial learning focused on the school's instructional initiatives, including the Literacy for a Lifetime Initiative, collaboration and coteaching and standards-based grading. Since October, the school has also implemented Monroe Instructional Academy, which meets monthly to offer all staff additional support in implementing the aforementioned initiatives. Additionally, initial professional learning has begun around the community schools framework to develop and deepen staff knowledge during the school's infancy stages of implementing the community school model.

Provision of academic interventions continues to be led by the school's four (4) Intervention/Prevention Teachers, and analysis of intervention data results in follow-up conversations with counselors and teachers to ensure that student needs are met. Expanded learning opportunities for students, including intervention and enrichment, are offered on Saturdays, after school and during school breaks. The school recently expanded its additional learning opportunities to meet the academic needs of recently arrived bilingual Spanish speaking students from Puerto Rico.

An Attendance Team, an additional Social-Emotional Case Manager provided by the Center for Youth, and the school's "Lead Counselor," serve to support students' social-emotional well being. These entities work together to review data that includes attendance and social-emotional health data, and review and develop plans to link students and families with community resources to promote student achievement and graduation opportunities. This quarter notes an increased need for support of families recently arrived from Puerto Rico; the school, in partnership with IBERO and Center for Youth, has provided orientation, survival provisions and links to community resources to over 44 families.

James Monroe High School continues to reflect on its progress and make real-time adjustments to provide personalized supports to students.

**Attention** – This document is intended to be completed by the School Receiver and/or its designee and submitted electronically to [OISR@NYSED.gov](mailto:OISR@NYSED.gov). It is a self-assessment of the implementation and outcomes of key strategies related to Receivership, and as such, should not be considered a formal evaluation on the part of the New York State Education Department. This document also serves as the Progress Review Report for Receivership schools receiving Persistently Struggling School (PSSG), School Improvement Grant (SIG), and Community School Grant (CSG) funds. Additionally, this document serves as the quarterly reporting instrument for Receivership schools with School Comprehensive Education Plans (SCEP). The Quarterly Report, in its entirety, must be posted on the district web-site.

**Directions for Parts I and II** - District and school staff should respond to the sections of this document by both analyzing and summarizing the key strategies of the first quarter in light of their realized level of implementation and their impact on student learning outcomes. The District should ensure the key strategies address the needs of all learners, particularly the needs of subgroups of students and those at risk for not meeting the challenging State academic standards. District and school staff should consider the impact of proposed key strategies on student learning, as well as the long-term sustainability and connectivity of those key strategies to diagnostic review feedback.

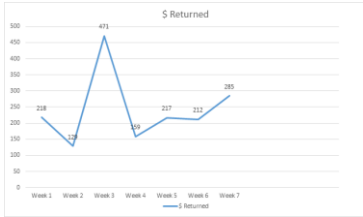

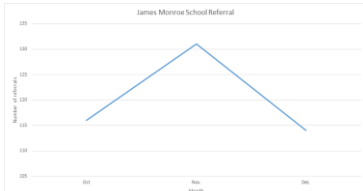

### **Part I – Demonstrable Improvement Indicators (Level 1)**

Identify Indicator # and Name	Baseline	2017-18 Progress Target	Status (R/Y/G)	Based on the current implementation status, does the school expect to meet the 2017-18 progress target for this indicator? For each Level 1 indicator, please answer yes or no below.	What are the SCEP/SIG goals and or key strategies that have supported progress made in meeting this indicator? Describe adjustments made to key strategies since the approval of the 17-18 continuation plan and a rationale as to why these adjustments were made.	List the formative data points being used to assess progress towards meeting the target for this indicator?	Based upon those formative data points, provide quantitative and/or qualitative statement(s) that demonstrate impact towards meeting the target.
#5 – School Safety	31	<5 or 20% decrease = 6.8		The school met the progress target for 2016-17 for this indicator.  The school expects to meet the progress target for this indicator for SY2017-2018.	<b><u>Red Jacket Help Zone:</u></b> Strategies in both Help Zones have shown impact. From October 2017 - November 2017, there was a 29% decrease in HelpZone visits, suggesting that teachers are able to prevent more social-emotional escalations. As a result, students are able to spend more time receiving instruction.  <b><u>Electronic Referral System:</u></b>	<ul style="list-style-type: none"><li>● Attendance data</li><li>● Suspension data</li><li>● Red Jacket Help Zone data</li><li>● Referral data</li></ul>	<b><u>Average Daily Attendance Data:</u></b>  85.6% as of 1/3/18, the highest in 5 years. The Attendance Team has completed over 90 home visits so far this year. As a result, the school has recorded an 11% drop in chronic absenteeism from November 2016 to November 2017.

				<p>With the establishment of Monroe’s electronic referral system, analysis of referral data is more consistent and allows for adjustments to behavioral plans to be made. Based on data collected through this structure, Monroe anticipates a suspension rate, overall, around 15% lower than last year.</p> <p><b><u>Mental Health Supports:</u></b> Various community agencies partner with the school to bolster provision of social-emotional supports to students. The school’s Expanded Learning Site Coordinator coordinates supports, and the school is currently finding success using a system in which administrators refer students to the Social-Emotional Case Managers, providing specific information so that unique student needs are met.</p> <p><b><u>Attendance Team:</u></b> The attendance team, comprised of various school- and district-based stakeholders, has conducted almost 100 home visits this school year, resulting in the school’s highest Average Daily Attendance rate in the past five (5) years.</p> <p><b><u>PBIS:</u></b></p>		<p><b><u>Suspension/Serious Incident Data:</u></b> The school has been steadfast in addressing behaviors and incidents, as indicated in the suspension data below. Monroe has had 13 serious incidents year-to-date.</p> <div><p>Suspensions by Month</p><table><caption>Suspensions by Month Data (Estimated)</caption><tr><th>Month</th><th>2013-2014</th><th>2014-2015</th><th>2015-2016</th><th>2016-2017</th><th>2017-2018</th></tr><tr><td>September</td><td>10</td><td>20</td><td>30</td><td>40</td><td>50</td></tr><tr><td>October</td><td>15</td><td>25</td><td>35</td><td>45</td><td>55</td></tr><tr><td>November</td><td>20</td><td>30</td><td>40</td><td>50</td><td>60</td></tr><tr><td>December</td><td>25</td><td>35</td><td>45</td><td>55</td><td>65</td></tr><tr><td>January</td><td>30</td><td>40</td><td>50</td><td>60</td><td>70</td></tr><tr><td>February</td><td>35</td><td>45</td><td>55</td><td>65</td><td>75</td></tr><tr><td>March</td><td>40</td><td>50</td><td>60</td><td>70</td><td>80</td></tr><tr><td>April</td><td>45</td><td>55</td><td>65</td><td>75</td><td>85</td></tr><tr><td>May</td><td>50</td><td>60</td><td>70</td><td>80</td><td>90</td></tr><tr><td>June</td><td>55</td><td>65</td><td>75</td><td>85</td><td>95</td></tr></table></div> <p><b><u>Red Jacket Help Zone:</u></b> The school reviews data collected out of the the Red Jacket Help Zone and subsequently coordinates conferences and plans for students.</p> <p><b><u>PBIS:</u></b> Teachers implementing this program have been tracking “tickets” provided to students to encourage and support behavioral competence. Students have returned a total of 1691 PBIS 'Buzz Bucks' tickets for rewards as of December. The number of electronic referrals</p>	Month	2013-2014	2014-2015	2015-2016	2016-2017	2017-2018	September	10	20	30	40	50	October	15	25	35	45	55	November	20	30	40	50	60	December	25	35	45	55	65	January	30	40	50	60	70	February	35	45	55	65	75	March	40	50	60	70	80	April	45	55	65	75	85	May	50	60	70	80	90	June	55	65	75	85	95

The majority of students are on track with lab minutes, with 22 students having accrued at least half of the required 1200 minutes.</p> <p><b><u>Logistics:</u></b> All middle school science classes will be offered in the same wing of the building, allowing for increased sharing of resources and collegial expertise.</p>	<ul style="list-style-type: none"><li>● Quarter 1 Interim Reports</li><li>● Student Survey</li><li>● Other Formative Assessments:<ul style="list-style-type: none"><li>-Teacher-developed assessments</li><li>-Administrator/Teacher Data Conversations</li></ul></li></ul>	<p><b><u>Administrator/Teacher Data Conversations:</u></b></p> <p>Administrator has met with two middle school science teachers and APs to review student data.</p> <ul style="list-style-type: none"><li>● Of the 90 students in the 8th grade cohort, 19 are enrolled in the monolingual LE course and 11 are enrolled in the bilingual LE course.</li><li>● Additional students have been scheduled for pull-out lab opportunities.</li></ul>
---	-----	----------------------------	--	---	---	---	--

					<p><b><u>Expanded Learning Opportunities:</u></b> Tutoring and review sessions have an average attendance of 60 - 65 students during the week and 70 - 75 students on Saturdays.</p> <p><b><u>Field Trips:</u></b> 45 8th graders attended the Living Environment Genesee Valley Park Canoe trip at the end of October.</p>		
#88 – Total Cohort 5-Year Grad Rate – All Students (2013 Cohort as of August)	36% (2008 Cohort)	69% or +6%age points = 42%		<p>The school met the progress target for 2016-17 for this indicator.</p> <p>The school expects to meet the progress target for this indicator for SY2017-2018.</p>	<p><b><u>Data Meetings:</u></b> Monthly meetings are held with multiple stakeholders to discuss the progress of these students.</p> <p><b><u>Online Credit Recovery:</u></b> Personalized, adaptive software is used to maximize students’ abilities to recover credits.</p> <p><b><u>Expanded Learning Opportunities:</u></b> Tutoring and review sessions have an average attendance of 60 - 65 students during the week and 70 - 75 students on Saturdays.</p>	● Cohort Tracking	<p><b><u>Data Meetings:</u></b> Of the 28 students currently within this cohort, 11 are expected to graduate in January.</p>
Green	Expected results for this phase of the project are fully met, work is on budget, and the school is fully implementing this strategy <i>with impact</i> .			Yellow	Some barriers to implementation / outcomes / spending exist; with adaptation/correction school will be able to achieve desired results.	Red	Major barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

## **Part II – Demonstrable Improvement Indicators (Level 2)**

Identify Indicator # and Name	Baseline	2017-18 Progress Target	Status (R/Y/G)	Based on the current implementation status, does the school expect to meet the 2017-18 progress target for this indicator? For each Level 2 indicator, please answer yes or no below.	What are the SCEP/SIG goals and or key strategies which have supported progress made in meeting this indicator? Describe adjustments made to key strategies since the approval of the 17-18 continuation plan and a rationale as to why these adjustments were made.	List the formative data points being used to assess progress towards meeting the target for this indicator?	Based upon those formative data points, provide quantitative and/or qualitative statement(s) which demonstrate impact towards meeting the target.
#6 – Family and Community Engagement	N/A	Effective Rating or Movement Up One Level on HEDI Scale		<p>The school met the progress target for 2016-17 for this indicator.</p> <p>The school expects to meet the progress target for this indicator for SY2017-2018.</p>	<p><b><u>Staffing/Partnerships:</u></b></p> <ul style="list-style-type: none"> <li>● Monroe’s newly hired Community Schools Site Coordinator has begun to take inventory on school and community needs and assets, the first step in developing the school’s needs and asset assessment, integral in implementation of the community schools framework.</li> </ul> <p><b><u>Parent/Family Events and Communication:</u></b></p> <ul style="list-style-type: none"> <li>● Parent Ambassadors team was incepted, creating a group of parent advocates for the school. Their first meeting was 11/30.</li> <li>● The school hosted two family events in December - a Family Fun Night to develop and strengthen relationships and an orientation for families and students participating in the SOL program.</li> </ul>	<ul style="list-style-type: none"> <li>● Parent/Family Surveys</li> <li>● Data collection in Google</li> <li>● Meetings between Case Worker and ELRC</li> <li>● Documentation of home visits conducted by Home-School Assistant</li> </ul>	<p>Of most significance this quarter has been Monroe’s ability to support newly arrived families from Puerto Rico. In partnership with IBERO, the school has served 48 families, providing food, clothing, school information and connecting them with community agencies.</p>

					<ul style="list-style-type: none"> <li>● Monroe is currently in negotiation with Rochester’s central library, exploring opportunities to host parent activities at a more central location, allowing parent to attend more easily.</li> </ul>		
#14 – 3 – 8 ELA ED Students Level 2 and Above	14%	45% or +6%age points = 20%		<p>The school met the progress target for 2016-17 for this indicator.</p> <p>The school expects to meet the progress target for this indicator for SY2017-2018.</p>	<p>90.8% of the school’s student population is considered “Economically Disadvantaged.” This is a significant portion of the school’s All Student population.</p> <p><b>See Indicators #1 and #33.</b></p>		
#20 – 3 – 8 Math ED Students Level 2 and Above	16%	45% or +6%age points = 22%		<p>The school did not meet the progress target for 2016-17 for this indicator.</p> <p>The school is uncertain as to whether or not it will meet the progress target for this indicator for SY2017-2018.</p>	<p>88.3% of the school’s student population is considered “Economically Disadvantaged.” This is a significant portion of the school’s All Student population.</p> <p><b>See Indicators #1 and #39.</b></p>		
#65 – 2017 Total Cohort with 5 or More Credits	38%	77% or +6%age points = 44%		<p>The school met the progress target for 2016-17 for this indicator.</p> <p>The school expects to meet the progress target for this indicator for SY2017-2018.</p>	<p><b><u>Strive for Nine:</u></b>  In this school-wide initiative, students are encouraged to explore the advantages of obtaining an Advanced Regents Diploma. The school has identified students in both the junior and senior classes who are appropriate candidates for this diploma designation.</p> <p><b><u>Data Meetings/Cohort Tracking:</u></b>  Weekly meetings with counselors continue to address data and student success. Twenty-three (23) students</p>	<ul style="list-style-type: none"> <li>● Credit Accrual Status</li> <li>● Quarter 1 Interim Reports</li> <li>● Other Formative Assessments: -Administrator/Teacher/Counselor Data Conversations</li> </ul>	<p><b><u>Administrator/Teacher/Counselor Conversations:</u></b>  Administrator continues to have data conversations with two Cohort 2017 counselors and APs.</p> <p><b><u>Interim Report Data:</u></b>  57% of cohort passed all core classes MP1. For those students failing 1 or more classes, counselors have sent letters to</p>

				<p>have been identified as potential candidates for acceleration to date.</p> <p><b><u>Tier 2 Rtl:</u></b> Professional learning has been provided to train teachers on Rtl Frontline, the electronic data management system used by the school to track individual student progress. Teachers have begun to use this software to review and analyze data and adjust instruction accordingly.</p> <p><b><u>Expanded Learning Opportunities:</u></b> Tutoring and review sessions have an average attendance of 60 - 65 students during the week and 70 - 75 students on Saturdays.</p>		parents and had conferences with students.
#73 – Total Cohort 4-Year Grade Rate Hispanic Students (2014 Cohort as of August)	37%	56% or +4%age points = 41%		<p>The school met the progress target for 2016-17 for this indicator.</p> <p>The school expects to meet the progress target for this indicator for SY2017-2018.</p>	<p>61.4% of the school’s student population within this cohort is considered “Hispanic.” This is a significant portion of the school’s All Student population for the 2014 cohort.</p> <p><b>See Indicators #1 and #70.</b></p>	<p><b><u>Credit Accrual Status:</u></b> Accurate data is in the process of being collected, as the school obtains information pertaining to the newly arrived Spanish-speaking students.</p>

#75 – Total Cohort 4-Year Grade Rate ED Students (2014 Cohort as of August)	40%	60% or +4%age points = 44%		<p>The school met the progress target for 2016-17 for this indicator.</p> <p>The school expects to meet the progress target for this indicator for SY2017-2018.</p>	<p>88.3% of the school’s student population is considered “Economically Disadvantaged.” This is a significant portion of the school’s All Student population and 2014 cohort.</p> <p><b>See Indicators #1 and #70.</b></p>		
#83 – Post-Graduation Plans of Completers (4-Year College)	13%	36% or +3%age points = 16%		<p>The school met the progress target for 2016-17 for this indicator.</p> <p>The school expects to meet the progress target for this indicator for SY2017-2018.</p>	<p><b>Data Meetings:</b>  Counselor, students and families have collaborated to complete graduation plans for all relevant students.</p>	<ul style="list-style-type: none"> <li>Counselor and administrative review and monitoring of plans</li> </ul>	Progress monitoring of plans is underway.
<b>Green</b>	Expected results for this phase of the project are fully met, work is on budget, and the school is fully implementing this strategy <i>with impact</i> .		<b>Yellow</b>	Some barriers to implementation / outcomes / spending exist; with adaptation/correction school will be able to achieve desired results.		<b>Red</b>	Major barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

### **Part III – Additional Key Strategies – (As applicable)**

<u>Key Strategies</u> <ul style="list-style-type: none"><li>Do not repeat strategies described in Parts I and II.</li><li>If the school has selected the SIG 6 or SIG 7 Innovation Framework model, include an analysis of the evidence of the impact of the required lead partner.</li><li>Every school must discuss the use of technology in the classroom to deliver instruction.</li></ul>					
List the Key Strategy from your approved intervention plan (SIG or SCEP).		Status (R/Y/G)	Analysis/Report Out		
1.	EPO (lead partner) for SIG 6 and SIG 7 ONLY	N/A	N/A		
2.	Use of technology in the classroom to deliver instruction		Most teachers are using Google Apps. Google forms are used to collect student data to help with emotional and academic support and student behavior. Monthly technology focused PDs provide support on effective ways of using technology in the classroom: giving students a voice, creative projects, multiple types of formative assessment, direct feedback. CIT LT IT and the IT technology resources teachers are facilitating collegial circle on ways to integrate technology to help students be successful in their learning. Technology committee meets monthly to discuss implementation process. Technology committee also publishes a newsletter showcasing best practices of Monroe teachers. The school is exploring opportunities to support its large bilingual population with software in Spanish.		
3.	See “Key Strategies” as outlined in Executive Summary and as referred to within Indicator descriptions.				
4.					
Green	Expected results for this phase of the project are fully met, work is on budget, and the school is fully implementing this strategy <u>with impact</u> .	Yellow	Some barriers to implementation / outcomes / spending exist; with adaptation/correction school will be able to achieve desired results.	Red	Major barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

## **Part IV – Community Engagement Team and Receivership Powers**

<u>Community Engagement Team (CET)</u> <p>Describe the type, nature, frequency and outcomes of meetings conducted this quarter by the CET. Describe the same for sub-committees. Describe specific outcomes of the CET plan implementation; school support provided; and dissemination of information to whom and for what purpose. <b>If the 17-18 CET plan and/or the 17-18 CET membership changed, please attach copies of those updated documents to this report.</b></p>	
Status (R/Y/G)	Analysis/Report Out
	Monroe’s Community Engagement Team is comprised of representatives from the school, parents and all partner organizations of the school. The school’s CET roster can be found <a href="#">here</a> .

	Meetings have taken place 9/28/17, 10/26/18, 11/30/18, 12/21/18 and 1/18/18. Meetings typically take place on the last Thursday of the month.			
	The team has designed a mechanism for data sharing amongst the school and its partners, and meetings include data-grounded discussions focused on effectiveness of provision of services to students. As the school prepares to return to its home campus in SY1819, meetings also include brainstorms on future initiatives as aligned with the RCSD’s Path Forward, and ways in which to continue to engage the Monroe community upon return to its home building.			
<b><i>Powers of the Receiver</i></b>				
Describe the use of the School Receiver’s powers (pursuant to CR §100.19) during this reporting period. Discuss the goal of each power and its expected impact.				
Status (R/Y/G)	Analysis/Report Out			
	The Superintendent Receiver Authority continues to be utilized in multiple ways for the 17-18 school year: <div><div>1. Election to Work Agreements (EWA) continue to ensure that teachers at Receivership schools committed to the priorities of each school. Additionally, the EWA allowed Principals to involuntarily transfer teachers out of the school who were not aligned to the priorities of the school or hold teachers who were being recruited by other schools.</div><div>2. Staffing continues to be a priority for all Receivership schools by the Department of Human Capital Initiatives. Flexible opportunities for hiring teachers and Receivership schools are given first access to available teachers.</div><div>3. Student Placement procedures at the District level were reorganized for Receivership schools by allowing minimal new placements in the schools. All placements are reviewed by the School Chief before any decisions were made.</div><div>4. The Chief of Superintendent’s Receivership Schools holds weekly team phone calls to focus on short-term needs and monthly professional learning/team meetings to focus on additional professional development opportunities and long range planning.</div><div>5. Curricular and master scheduling flexibility was a priority for the Receivership schools allowing flexibility for the Receivership Principals to focus on their student needs that other comprehensive schools in the District were not allowed.</div></div>			
Green	Expected results for this phase of the project are fully met, work is on budget, and the school is fully implementing this strategy with impact.	Yellow	Some barriers to implementation / outcomes / spending exist; with adaptation/correction school will be able to achieve desired results.	RedMajor barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

## **Part V – Community Schools Grant (CSG)**

*(This section needs to be completed by every Receivership school receiving CSG funds during the 8/1/17 – 6/30/18 budget period.)*

<b><i>Community Schools Grant (CSG)</i></b> As per CR §100.19, Receivership schools receiving CSG funds will submit quarterly written reports to the Commissioner containing specific information about the progress of the planning, implementation, and operations of the CSG and the requirements of the regulations.	
Required Activities	Provide updates to each activity with regard to its planning, implementation, or operations.

Community-Wide Needs Assessment (if one is being conducted in 17-18)	Multiple, ongoing Community-wide Needs Assessments are occurring at each of the struggling and persistently struggling schools, as part of and in preparation for Continuation (SIG/PSSG) plans, as well as specifically targeted at and as part of the Community School Strategy, and also for creating applications for new grant opportunities. Each of these assessment that involves Monroe High School reflects the school's unique characteristics and needs. The District continues to move its Path Forward process, including holding active, ongoing public engagement forums to inform, generate new ideas, and build upon the knowledge, creativity, and goals of each school community.
To ensure substantial parent, teacher, and community engagement at this school, provide specific details about these three areas for this reporting period:	As Monroe High School begins implementation as a Community School, they are integrating the communication and understanding of the community school strategy into existing structures and events during the first semester. As the year progresses, and the school builds internal capacity to design and implement an appropriate needs and asset assessment process, the public forums and active surveying will occur. Monroe's Site Coordinator has just been hired, and is working diligently to get up to speed. Further information on Monroe's CET is above.
1. public meetings held with parents, teachers, and community members to provide information and solicit input (CR §100.19: held at least quarterly during the school year)	
2. written notices and communications provided to parents, teachers, other school personnel, and community members (emails, postings, translated into recipients' native language)	The District continues to centrally support timely communication to all stakeholders through the District Office of Communications, utilizing the two recently added staff positions (Assistant to the Superintendent for Communication and Community Outreach), and a Communications Assistant to support social media use centrally and at schools. The District also has a Spanish translator on staff. This follows with the nature of Community School strategy being local and holding relationships central, requiring the bulk of communication as close to the school as possible. All communication is provided, minimally, in English and Spanish, with Arabic, Somali, and Nepali as needed.
3. parents, teachers, and community members' access to Community School Site Coordinator and Steering Committee	Monroe's Site Coordinator has just been hired, and she is working diligently as part of the school leadership team, the CET, and additional community and building team roles as the principal assigns. She will begin receiving ongoing professional development, beginning in mid January, at a CS conference in NYC being attended by District principals, site coordinators, and the Superintendent's Chief of Receivership Schools. This will assist her understanding of the Community Schools strategy, align her role to Monroe, and align her role as communicator with all stakeholders.
Steering Committee (challenges, meetings held, accomplishments)	Monroe's Site Coordinator was just hired, and she is poised to begin assembling and scheduling teams.
Feeder School Services (specific services offered and impact)	N/A
Community School Site Coordinator (accomplishments and challenges)	Monroe's Site Coordinator has just begun her position and training.
Programmatic Costs (accomplishments and challenges based on the approved activities on the Attachment C school plan)	The Community Schools Grant was approved on November 15, 2017, and runs through June 30, 2018. To date accomplishments include: Code 15: <ul style="list-style-type: none"> <li>Hiring CS Site Coordinator</li> </ul> Code 45: <ul style="list-style-type: none"> <li>Ordering laptops for site coordinator and home school assistants</li> </ul>

	<ul style="list-style-type: none"><li>Order being completed for sports uniforms</li><li>Purchase order underway for emergency funds for immigrant/refugee families fleeing recent natural disasters</li></ul> <p>Code 46:</p> <ul style="list-style-type: none"><li>Site coordinator, principal and RTA representative attended January CS PD in NYC</li><li>Parent transportation (bus passes) being purchased.</li></ul> <p>Challenges are primarily calendar based: some budget line item amounts will be adjusted due to the lateness of the award, and therefore lateness of implementation, any amounts remaining is hoped to be repurposed, with programmatic approval requested from NYSED.</p>
Capital Cost Project(s) (accomplishments and challenges based on the approved activities on the Attachment C school plan)	The Community Schools Grant was approved on November 15, 2017, and runs through June 30, 2018.

<b>Green</b>	Expected results for this phase of the project are fully met, work is on budget, and the school is fully implementing this strategy <i>with impact</i> .	<b>Yellow</b>	Some barriers to implementation / outcomes / spending exist; with adaptation/correction school will be able to achieve desired results.	<b>Red</b>	Major barriers to implementation / outcomes / spending encountered; results are at-risk of not being realized; major strategy adjustment is required.

## Part VI – Budget

(This section should be completed by all schools funded by the Persistently Struggling Schools Grant (PSSG), the School Improvement Grant (SIG), and the Community Schools Grant (CSG). Add rows as needed.)

<u>Budget Analysis</u>		
Identify the grant.	Status(R/Y/G)	If expenditures from the approved 17-18 FS-10 are on target, describe their impact. If there are challenges describe the course correction to be put in place for Quarter 2.

PSSG:		<p>Expenditures are supporting programming at the school, and an amendment will be submitted to include, but not be limited to, the items described below.</p> <p><b>Code 15</b> - Teacher hourly pay, substitute pay and FTEs focused on provision of interventions and ELT, teacher hourly pay for participation in professional development aligned to the school's initiatives and subsequent curricular planning. Amendment will be submitted to increase additional hourly pay to support the school's robust ELT programming.</p> <p><b>Code 16</b> - Civil service hourly pay to support ELT, community schools implementation, parent outreach.</p> <p>Code 40 - Contracted services with community partners, including IBERO, MK Ghandi, SYFR, Center for Youth, ICLE, Standards-Based Grading Consulting Services, MCC, SUNY Geneseo and TES.</p> <p><b>Code 45</b> - Supplies as related to PBIS launch in grades 7 and 8, RtI materials, supports for parent/family outreach, supplies and materials to support instructional priorities, and supplies and materials to support ELT and the provision of supplemental instruction to newly arrived bilingual students.</p> <p><b>Code 46</b> - Content-based field trips and enrichments for students, professional learning aligned to the school's initiatives, student transportation for ELT. Amendment will be submitted to shift use of funds to support staff travel to AVID training, which the school will begin to implement to target achievement of specific group of 9th grade students.</p>
SIG:		<p>Expenditures will largely support provision of a summer learning program to targeted groups of students during Summer 2018.</p> <p><b>Code 15</b> - Teacher hourly pay to provide expanded learning opportunities to targeted groups of students during Summer 2018.</p> <p><b>Code 16</b> - Civil service hourly pay for support staff for expanded learning opportunities to targeted groups of students during Summer 2018.</p> <p><b>Code 46</b> - Transportation expenditures for students for expanded learning opportunities during Summer 2018.</p>
CSG:		<p>Expenditures are supporting programming at the school. Accomplishments include:</p> <p><b>Code 15</b> - Hiring CS Site Coordinator</p> <p><b>Code 45</b> - Ordering laptops for site coordinator and parent liaison, order being completed for sports uniforms, purchase order underway for emergency funds for immigrant/refugee families fleeing recent natural disasters</p> <p><b>Code 46</b> - Site coordinator, principal and RTA representative attended the January CS PD in NYC, parent transportation (bus passes) being purchased</p> <p>Challenges are primarily calendar based: some budget line item amounts will be adjusted due to the lateness of the award, and therefore lateness of implementation, any amounts remaining is hoped to be repurposed, with programmatic approval requested from NYSED.</p>

## **Part VII: Best Practices (Optional)**

### Best Practices

The New York State Education Department recognizes the importance of sharing best practices within schools and districts. Please take this opportunity to share one or more best practices currently being implemented in the school.. It is the intention of the Department to share these best practices with schools and districts in Receivership.		
List the best practice currently being implemented in the school.		Describe the significant improvements in student performance, instructional practice, student/family engagement, and/or school climate that the best practice has had. Discuss the analysis of data/evidence to determine the impact. Describe the possibility of replication in other schools.
1.	Standards-Based Grading	A teacher and administrator attended training in December with Teacher Leaders. A consultant is scheduled for additional on-site training in June. Professional development sessions are planned to train staff using prioritized standards/proficiency scales developed by Marzano Research.
2.

Receivership Quarterly Report and Continuation Plan – 1<sup>st</sup> Quarter  
October 16, 2017-January 12, 2018  
(As required under Section 211(f) of NYS Ed. Law)

### **Part VIII – Assurance and Attestation**

By signing below, I attest to the fact that the information in this quarterly report is true and accurate to the best of my knowledge; and that the all requirements with regard to public hearings and the Community Engagement Teams, as per CR§ 100.19 have been met.

Name of Receiver (Print): Barbara Deane-Williams

Signature of Receiver: [Signature]

Date: 1/30/18

By signing below, I attest to the fact that the Community Engagement Team has had the opportunity to provide input into this quarterly report, and the opportunity to review, and update if necessary, its 2017-2018 Community Engagement Team plan and membership.

Name of CET Representative (Print): NATASHA BEN

Signature of CET Representative: [Signature]

Date: January 22, 2018
