## Stakeholder Participation

### Background

The SCEP must be developed in consultation with parents, school staff, and in secondary schools, students, and in accordance with §100.11 of Commissioner’s Regulations. All schools are expected to follow the guidelines outlined in the document "Requirements for Meaningful Stakeholder Participation" found at:

<http://www.nysed.gov/common/nysed/files/programs/accountability/scep-requirements-for-meaningful-stakeholder-participation.pdf>.

### Required Steps

There are five distinct steps involved with developing the SCEP:

1. Reviewing multiple sources of feedback regarding data, practices, and resources to identify inequities, needs and root causes
2. Determining priorities and goals based on the needs identified
3. Identifying an evidence-based intervention
4. Scheduling activities to occur during the year to reach these goals and priorities, and identifying benchmarks for the goals identified
5. Identifying a plan to communicate the priorities with different stakeholders

### Meeting Dates

Use the space below to identify the meeting dates when specific steps occurred by marking an “X” in the columns to the right. Add additional rows when necessary.

Meeting Date	Step 1: Reviewing multiple sources of feedback to identify inequities, needs and root causes	Step 2: Determining priorities and goals based on the needs identified	Step 3: Identifying an evidence-based intervention	Step 4: Scheduling activities to occur during the year to reach these goals and priorities, and identifying benchmarks for the goals identified	Step 5: Identifying a plan to communicate the priorities with different stakeholders

Stakeholder Involvement Signature Page

In the table below, list the individuals involved in the development of the SCEP, their relationship with the school, and the dates in which they participated. The dates should match the dates identified in the Meeting Date table completed previously.

**THIS PAGE MUST BE PRINTED AND SCANNED AND SUBMITTED WITH THE SCEP.** If the school is unable to obtain a signature from an individual, the school should write “Addendum attached” and explain why it was unable the signature of the individual. If an individual identified below has objections or concerns related to the SCEP, that team member shall note “Addendum Attached” next to his or her signature and provide, in a separate document, an explanation of the specific objections or concerns.

**COVID-19 UPDATE:** NYSED will reach out to Districts in mid-June to indicate if electronic signatures will be accepted for this page due to continued restrictions on travel and public gatherings.

## Evidence-Based Intervention

All CSI and TSI schools must implement at least one evidence-based intervention as part of its SCEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. More information can be found at:

<http://www.nysed.gov/accountability/evidence-based-interventions>

Schools may choose **one of three options** for identifying their evidence-based intervention:

**Option 1:** Selecting a strategy from the **State-Supported Evidence Based Strategies** located at:

<http://www.nysed.gov/accountability/state-supported-evidence-based-strategies>

**Option 2:** Selecting an evidence-based intervention **identified in one of three clearinghouses:** What Works Clearinghouse, Social Programs That Work, or Blueprints for Healthy Youth Development

**Option 3:** Reviewing research to identify its own evidence-based intervention that meets the criteria for ESSA evidence-based intervention Tier 1, Tier 2, or Tier 3 found at:

<http://www.nysed.gov/accountability/evidence-based-interventions>

**Directions:** Place an "X" in the box next to the path the school has chosen for identifying its evidence-based intervention and follow the corresponding directions for that path.

**State-Supported Evidence Based Strategy**

If "X" is marked above, provide responses to the prompts below to identify the strategy and the goal(s) it will support:

<b>Strategy Identified</b>	<b>Professional Learning Community</b>
<b>SCEP Goal(s) this strategy will support</b>	ELA, Math, and ELP

**Clearinghouse-Identified**

If "X" is marked above, provide responses to the prompts below to identify the strategy, the goal(s) it will support, the Clearinghouse that supports this as an evidence-based intervention, and the rating that Clearinghouse gave that intervention:
